Exam Preview and Email Disabled

When an instructor starts but does not complete an exam, this can result in the instructor’s D2L email being disabled **IF** he/she has selected the checkbox for Disable Pager and Alerts on any quiz.

Where is this check box located? On the Properties page (tab) of a quiz, and within the Optional Advanced Properties:

Neal Skapura
Issue: D2L email disabled, 1/14
If you cannot find the quiz that you have not completed, simply go to the top nav bar in D2L and click on the middle icon (see below) to see which quiz you must complete:
