How to Copy Desire2Learn Courses

Step 1: Login to D2L and click on the Blank/New course you want to copy to.

Step 2: Click on Edit Course (upper-right corner) and click on the Import/Export/Copy Components link.

Step 3: Click Start, and then in the drop-down menu select the course from which you would like to copy, and then click continue.

Step 4: Select All or check the checkboxes for the content you’d like copied.

Step 5: Click Finish.
