

Accreditation Challenge re SLOs

Task 1. ***Publish SLOs for programs.***

Task 2. Implement course SLOs (with assessment cycles) by 2012.

WG5 facilitated and helped mobilize faculty to accomplish task 1, ...and made the necessary progress towards task 2.

The logo for Diablo Valley College, featuring the letters 'DVC' in a bold, green, sans-serif font. Above the letters is a stylized green line that forms a valley shape, with a dashed line extending from the right side of the valley.

DIABLO VALLEY COLLEGE

College-wide Accomplishments

1. Program SLO's ready to be published in DVC catalog addendum.
2. Course SLOs developed for nearly all DVC active courses.
3. Processes in place to stay current.

Status of Program SLOs

1. Identified “**program**” -- study leading to a degree/certificate, or a GE sequence, a.k.a. “instructional programs”.
2. **Listed** all currently approved instructional programs (per DataTel): 122 degrees and certificates, and 3 GE sequences.
3. CC **approved** dept-submitted SLOs for publication.
4. SLO section added to New Program application form.

The logo for Diablo Valley College, featuring the letters 'DVC' in a bold, green, sans-serif font. Above the letters is a stylized green line that resembles a mountain range or a valley.

DIABLO VALLEY COLLEGE

Status of Course SLOs

1. Identified SLO-able courses (excludes experimental and independent study).
2. SLOFests, etc. led to 94% of courses with records in Research's eSLO database.
3. Published on www.dvc.edu.

Summary

1. DVC completed college-wide effort to write publishable SLOs for instructional programs (GE sequences pending).
2. Every dept has SLOs for all or most courses in eSLO database; preparing for assessment next semester.
