

The
Three
Little
Pigs

Once upon a time there were three little pigs. One pig built a house of straw while the second pig built his house with sticks.

Yo, I'm finish you dig?

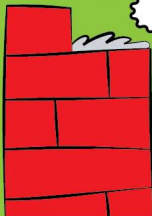

Awesome! Let's Party!

They built their houses very quickly and then sang and danced all day because they were lazy. The third little pig worked hard all day and built his house with bricks.

Those two fools are cutting corners again... I have a feeling I'm going to have to bail them out again...

A big bad wolf
saw the two little pigs
while they danced and
played and thought,
"What juicy tender
meals they will

Help us
big brother!!!
The wolf is
trying to eat
us!!!

The big bad wolf
now came to this house
and huffed and puffed
and blew the house down
in hardly any time. Now,
the two little pigs were
terrified and ran to the
third pig's house that was
made of bricks.

The big bad wolf tried to huff and puff and blow the house down, but he could not. He kept trying for hours but the house was very strong and the little pigs were safe inside.

I don't want to be that pig, but you aren't going to blow this house down...

You wait till I get in there, I'm going to enjoy cooking your hides!

He tried to enter through the chimney but the third little pig boiled a big pot of water and kept it below the chimney.

I hope you installed a kitchen in there, Because I'm coming in!

I keep telling you guys to stop cutting corners!

The wolf fell into it and learned his lesson.
The two little pigs now felt sorry for having been so lazy. They too
built their houses with bricks and lived happily ever after.

HOT!!!
HOT!!!
I GIVE!!

Now since everyone
learned their lessons, let's
get started building your
brick houses tomorrow!
