

Downloading and Installation Instructions for D2L iPad Assignment Grader App

The Desire2Learn Assignment iPad Grader App works with our learning management system. Please follow these steps to set download the app and set up your edidentity account:

1. Go to <http://desire2learn.com/products/mobile/binder/> and create your edidentity account.
2. Go to the Apple App Store on your iPad, search for Desire2Learn Assignment iPad Grader App and download the App.
 1. If you previously downloaded the app and were unable to login, delete the app and reinstalling it.
3. Open the app and click on the “sign in with edidentity.”
4. When you open the app, use the “login with edidentity” button and enter your info there.
5. Then click "Add New Account"
6. IMPORTANT: click "Enter LMS Address Manually"
7. Enter a label (e.g., D2L) and type in this server address: desire2learn.4cd.edu
8. Click "Connect Account," and then wait for your courses to load.
