HEALTH INSURANCE REQUIREMENT AND ELIGIBILITY

All international students, visiting faculty, scholars or other persons possessing and maintaining a current passport and valid visa status (F-1, J-1 or M-1, etc.), engaged in educational activities at the College and/or at IEC@DVC (International Education Center at Diablo Valley College) who are temporarily located outside their home country and have not been granted permanent residency status, are required to be insured under the Policy. Waiver may only be granted to people already insured under equivalent plans. Coverage is available for students engaged in "Practical Training." Contact the International Students Office for more information. (A person who is an immigrant or permanent resident alien is not eligible for coverage under the international plan.)

To be an Insured under the Policy, the student must have paid the required premium and his/her name, student number and date of birth must have been included in the declaration made by the School or the Administrative Agent to the Insurer. All students must actively attend classes for the first 45 consecutive days following their effective date for the term purchased and/or pursuant to their visa requirements for the period for which coverage is purchased, except in the case of medical withdrawal or during school authorized breaks.

Aetna Life Insurance Company maintains its right to investigate student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever Aetna Life Insurance Company discovers that the Policy eligibility requirements have not been met, its only obligation is a pro-rata refund of premium.

Eligible students who involuntarily lose coverage under another group insurance plan are also eligible to purchase the Contra Costa Community College District Student Health Insurance Plan. These students must provide Wells Fargo Insurance Services with proof that they have lost insurance through another group (certificate and letter of ineligibility) within 30 days of the qualifying event. The effective date would be the later of: a) term effective date, or b) the day after prior coverage ends if enrollment request is received by Wells Fargo Insurance Services within 30 days from loss of prior coverage.

DEPENDENT COVERAGE - Eligible Insured Students may also purchase Dependent coverage at the time of student's enrollment in the plan; or within 31 days of one of the following qualified events: marriage, birth, adoption or arrival in the U.S. Eligible dependents are the spouse/domestic partner (same or opposite sex) who resides with the Insured Student and unmarried children under nineteen years of age who are not self-supporting and reside with the Insured Student. Dependents of an Eligible International student or visiting faculty member must possess a valid passport and a proper visa (F-2, J-2, or M-2). A "Newborn" will automatically be covered for Injury or Sickness from birth until 31 days old, providing that the student is covered under this plan. Coverage may be continued for that child when Aetna Life Insurance Company is notified in writing within 31 days from the date of birth and by payment of any additional premium. **Dependents must be enrolled for the same term of coverage for which the Insured Student enrolls. Dependent coverage expires concurrently with that of the Insured Student, and Dependents must re-enroll when coverage terminates to maintain coverage.**

PRE-EXISTING CONDITION

Pre-Existing Condition limitation: Expenses incurred by a Covered Person as a result of a Pre-Existing Condition will not be considered Covered Medical Expenses unless the Covered Person has been covered under the Policy for six consecutive months. This limitation is subject to all other policy limitations; including benefits listed under the Outpatient section. See the definition of Pre-Existing Conditions in the definition section of this Brochure.

Special Rules as to a Pre-Existing Condition

If a Covered Person had Creditable Coverage and such coverage terminated within 63 days prior to the date they become eligible for coverage under the Policy, any period of time that they had the Creditable Coverage may be counted toward the above requirement provided that coverage under the Policy is applied within 30 days of the person's eligibility.

CONTINUOUSLY INSURED

Persons who have remained continuously insured under the Policy; and prior student health insurance policies issued to the school; will be covered for any Pre-Existing Condition; which manifests itself while continuously insured; except for expenses payable under prior policies in the absence of the Policy. Previously Covered Persons must re-enroll for coverage; including dependent coverage; by the specified enrollment deadline dates (see page 2) in order to avoid a break in coverage for conditions which existed in prior policy years. Once a break in continuous coverage of 63 days or greater occurs; the Pre-Existing Conditions Limitation will apply.

PREMIUM REFUND

A refund of premium will be granted for one of the two below reasons only. No other refunds will be considered.

1. If you fail to meet your plan eligibility requirements within the first 45 days of the coverage period, you will receive a full refund of the premium; provided that you did not file a medical claim during this period. Requests must be submitted within 45 days of your effective date and no partial refunds will be granted. If you fail to meet your plan eligibility requirements after the first 45 days of the coverage period, your coverage will remain in effect until the end of the term for which you have paid and no refund will be granted.
2. If you enter the Armed Forces of any country you will not be covered under the Policy as of the date of such entry. A partial refund of premium will be made, upon receipt of written request within 45 days of entry into the service.

If your campus requires you to have insurance as a condition of enrollment, then you must submit a refund request to the campus insurance coordinator. All other students must submit a written request to Wells Fargo Insurance Services. Approved refunds will be assessed a \$25 processing fee.

PREFERRED PROVIDER NETWORK

Aetna Student Health has arranged for you to access the Aetna Preferred Provider Network. It is to your advantage to utilize a Preferred Provider because savings can be achieved from the Negotiated Charges these providers have agreed to accept as payment for their services. Students are responsible for informing their Physicians of potential out-of-pocket expenses for a referral to both a Preferred Provider and a Non-Preferred Provider. Preferred Providers are independent contractors and are neither employees nor agents of Contra Costa Community College District, Aetna Student Health, or Aetna Life Insurance Company. To find a preferred provider, you can use Aetna's online DocFind® service located at www.aetnastudenthealth.com. Click on "**Find Your School**" and enter **your school name**. You can use DocFind® to find out whether a specific provider belongs to Aetna's network or to find preferred providers practicing in your area.

GENERAL PROVISIONS

State Mandated Benefits: This plan will always pay benefits in accordance with any applicable California Insurance Law(s). Mandated benefits include: PKU Treatment Benefit; Hospital Dental Procedures; Aids vaccine; Cervical Cancer; Clinical Trials; Colorectal Cancer Screening; HIV Testing; Complications of maternity; Orthotics & Prosthetics (feet); Pediatric Preventive Care; Prostate Cancer Screening; Reconstructive Surgery (non cosmetic); TMJ; Mastectomy-Reconstructive Surgery and Rehabilitation; Laryngectomy-Prosthetic Devices; Osteoporosis Benefit; Experimental or Investigational Therapies Treatment; Diabetes Equipment, Supplies and Service; and Severe Mental Illness Treatment Benefit, which is a separate benefit from Mental and Nervous Disorders.

Third Party Liability and Right of Recovery Provision: When a covered person's injury appears to be someone else's fault, benefits otherwise payable under the Policy for Covered Medical Expenses incurred as a result of that injury will not be paid unless the covered person or his legal representative agrees:

- (a) to repay Aetna for such benefits to the extent they are for losses for which compensation is paid to the covered person by or on behalf of the person at fault;
- (b) to allow Aetna a lien on such compensation and to hold such compensation in trust for Aetna; and
- (c) to execute and give to Aetna any instruments needed to secure the rights under (a) and (b).

If a Covered Person receives any payment from any potentially responsible party; as a result of an Injury or illness; Aetna has the right to recover from; and be reimbursed by; the Covered Person for all amounts this Plan has paid; and will pay as a result of that Injury or illness; up to and including the full amount the Covered Person receives; from all potentially responsible parties. A "Covered Person" includes; for the purposes of this provision; anyone on whose behalf this Plan pays or provides any benefit; including but not limited to the minor child or Dependent of any Covered Person; entitled to receive any benefits from this Plan.

As used in this provision, the term "responsible party" means any party possibly responsible for making any payment to a Covered Person or on a Covered Person's behalf due to a Covered Person's injuries or illness or any insurance coverage responsible making such payment; including but not limited to:

- Uninsured motorist coverage;
- Underinsured motorist coverage;
- Personal umbrella coverage;
- Med-pay coverage;
- Workers compensation coverage;
- No-fault automobile insurance coverage, or
- Any other first party insurance coverage.

The Covered Person shall do nothing to prejudice Aetna's reimbursement rights. The Covered Person shall; when requested; fully cooperate with Aetna's efforts to recover its benefits paid. It is the duty of the Covered Person to notify Aetna within 45 days of the date when any notice is given to any party; including an attorney; of the intention to pursue or investigate a claim; to recover damages; due to injuries sustained by the Covered Person.

The Covered Person acknowledges that this Plan's reimbursement rights are a first priority claim against all potential responsible parties; and are to be paid to Aetna before any other claim for the Covered Person's damages. This Plan shall be entitled to full reimbursement first from any potential responsible party payments; even if such payment to the Plan will result in

a recovery to the Covered Person; which is insufficient to make the Covered Person whole; or to compensate the Covered Person in part or in whole for the damages sustained. This Plan is not required to participate in or pay attorney fees to the attorney hired by the Covered Person to pursue the Covered Person's damage claim. In addition, this Plan shall be responsible for the payment of attorney fees for any attorney hired or retained by this Plan. The Covered Person shall be responsible for the payment of all attorney fees for any attorney hired or retained by the Covered Person or for the benefit of the Covered Person.

The terms of this entire reimbursement provision shall apply. This Plan is entitled to full recovery regardless of whether any liability for payment is admitted by any potentially responsible party; and regardless of whether the settlement or judgement received by the Covered Person identifies the medical benefits this Plan provided.

This Plan is entitled to recover from any and all settlements or judgments; even those designated as "pain and suffering" or "non-economic damages" only. In the event any claim is made that any part of this reimbursement provision is ambiguous or questions arise concerning the meaning or intent of any of its terms; the Covered Person and this Plan agree that Aetna shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

COORDINATION OF BENEFITS

If the Covered Person is insured under more than one group health plan, the benefits of the plan that covers the insured student will be used before those of a plan that provides coverage as a dependent. When both parents have group health plans that provide coverage as a dependent, the benefits of the plan of the parent whose birth date falls earlier in the year will be used first. The benefits available under this Plan may be coordinated with other benefits available to the Covered Person under any auto insurance, Workers' Compensation, Medicare, or other coverage. The Plan pays in accordance with the rules set forth in the Policy.

The pharmacy will bill Aetna for the cost of the drug; plus a dispensing fee; less the co-pay amount. When you need to fill a prescription; and do not have your ID card with you; you may obtain your prescription from an Aetna Preferred Pharmacy; and be reimbursed by submitting a completed Aetna Prescription Drug claim form. You will be reimbursed for covered medications; less your co-pay.

INDEPENDENT MEDICAL/EXTERNAL REVIEW

Once the Aetna internal coverage decision review process is exhausted, Covered Persons may elect Independent Medical review in California (External Review outside California) if the coverage denial is based on lack of medical necessity or on the experimental or investigational nature of the proposed service or treatment. A request for an Independent Medical/External Review must be submitted within months from the date you receive your final determination letter.

An independent medical/external review organization will refer the case to review by a neutral, independent Physician with appropriate expertise in the area in question. After all necessary information is submitted, independent medical/external review generally will be decided within 30 days of the request. Expedited reviews are available when a Covered Person's Physician certifies that a delay in service would jeopardize the Covered Person's health. Once the review is complete, the Plan will abide by the decision of the independent medical/external reviewer.

Certain states mandate external review of additional benefit or service issues or require a filing fee. In addition, certain states mandate the use of their own external review providers for medical necessity and experimental/investigational coverage decisions. For further details regarding your Plan's grievance and external review process, call the Customer Service toll-free number on your ID card, or visit Aetna's website at www.aetna.com where you may obtain an external review request form. You may also call your State Insurance or Health Department for additional information regarding state mandated external review procedures.
