

## CHANGE OF MAJOR AND/OR CATALOG

### INSTRUCTIONS:

Please use this form to update your DVC major. Your major should be specific to your educational goals at DVC. Updating this information will ensure that your program evaluation on Web Advisor will provide you with the most accurate information and will allow you to track your progress as you continue to complete your coursework. Please use the following guidelines to complete this form:

1. Enter your name, ID number, email address and phone number in the space provided below.
2. Choose a major from the list on the back of this form.
3. Choose the catalog you would like associated to this major. You can use either the entry catalog (the catalog in effect during your first semester of enrollment) or the catalog of graduation. If choosing a newly created major, you can choose the catalog in which the major was first introduced (year listed after major on back) or the catalog of graduation. Please see a counselor if you need help choosing the appropriate catalog.
4. Indicate whether or not you would like us to delete all other majors currently on your record (financial aid students can only have one declared major.)

### PLEASE PRINT CLEARLY

\_\_\_\_\_  
Last Name

\_\_\_\_\_  
First Name

\_\_\_\_\_  
Middle Initial

\_\_\_\_\_  
ID#

\_\_\_\_\_  
Email Address

\_\_\_\_\_  
Phone#

I would like to change my major to: \_\_\_\_\_  
See reverse of form for listing

I would like to change the catalog associated to my declared major as follows:

Please check one:

- Catalog of Entry
- Catalog of Graduation (this change will be to the catalog in effect at the time this form is submitted.)
- Catalog that introduced new program

I wish to delete all other active majors:      YES      NO
