Media Center, Video Conferencing with SRC

Present: Michael Gong, Cheryl Haynes (recording secretary), Jocelyn Iannucci, Cathy Ingersol, Katherine Jinter, Liling Lin, Willie Mack, Teresa Molnar, Sonja Nilsen (classified senate president), Ann Patton, (classified senate vice president), Sue Rohlicek,...

SRC: Becky Marr, Chris Wilson, and Vani Engjellushe

Topic/Activity	Summary
Announcements/Public Comment	The first few minutes of the meeting were devoted to the video conference setup between SRC and DVC.
Agenda Approval	Participants agreed to continue the review of proposed changes to the constitution and bylaws and to review proposed change of Classified Senate groups.
Classified Senate Constitution and Bylaws— Review Proposed Changes	An appointed committee, Katherine Jinter, Cheryl Haynes, and Teresa Molnar, brought a proposal for Senate discussion based on the categories of the 2008 President's Classified Exemplary Awards (with changes): Clerical Support, Student Services Support, San Ramon Center, Technology Support Services, Environment Support Services, Police Services, and possibly Supervisors/Confidential. Each group was comprised of a list based on job titles. However, the Senate decided to follow-up by Intranet or Survey Monkey requesting constituent feedback. Do you want to elect Classified Senators at large, by job/organization chart, campus/area location, or by alphabetical groups? Or which group best represents you? Elected Senators would discuss current topics of campus-wide concern, answer questions, and gather feedback from their constituents.

The next meeting of Classified Senate has been scheduled for Wednesday, May 14, from 1:00 p.m.-2:00 p.m., location to be announced.
