4. Council Announcements & President's Report

Greenberg will represent Classified Senate as College Council co-Chair for 2016-17. There will be a College Council Retreat on Monday, August 8 in the BFL CCC from 12:00 – 5:00 p.m. All are welcome to attend.

Agostino and Greenberg attended DGC (District Governance Council) but due to summer there were no faculty in attendance for a quorum. Smoking policy was not discussed and the district is pulling together more information on becoming a non-smoking district.

The Social Science department has requested that the Senate allow a new faculty to use either FO-210 or FO-213 for office space. The senate has agreed to give up FO-210 but keep FO-213 as a Classified Senate workroom.

Convocation will be held on Thursday, August 11, 2016 in the PAC at 8:30 a.m.

The two new deans, Laurie Lema and Rosa Armendariz are both excited to work with classified staff.

5. CLI Debrief

Agostino solicited comments from those who attended the CLI (Classified Leadership Institute) to give a summary of the sessions they attended and what was gained by attending.

- Leadership and goal targeting
- Accreditation in the area of Buildings & Grounds and in particular proper staffing. Under new staffing requirements, DVC would be in violation. Greenberg asked for clarification on the requirement but it was not clear as to the exact numbers/requirements.
