Agenda/Announcements

- No new announcements

Department Updates

➤ English

- Students who are not illegible for Multiple Measures process must use Guided Self Placement (GSP)
- We can buy Accuplacer for ESL
- English developing tool where 117A may be too high to use a GSP tool for ESL below 117

➤ Math

- Math is having first large group- meeting this Friday
- Math has imbedded instructor for one hour per week
- General feedback has been very positive
- This project is piloted for this semester
- Will be asking students for opinion of menus mentioned
- AB705 evaluation work group has developed a summary for each group
- Need to get equity more involved

➤ Assessment Center

- Beth went through the informed consent headcount chart
- Additional spreadsheets are placements for the last three years
- Half of our incoming students don't take any placement testing
- Need clarification on "new" students; new who applied, new who enrolled
- Evaluation group will be by the order based on placement
- Clarification on why the numbers do not match

➤ Work flow for placement

- Our task is to design, from website having students start in one place
- They will click on number 1 to start
- Try to give students immediate information
- Give more information to transfer students
- We will take the next meeting to explore more options
- Feel free to invite anyone you feel should be included

➤ Guided Self Placement and International Students

- For SU 18& FA 18 combined we had a total of 29 with 3 denied
- For FA 19 we had a total of 115 with 35 denied
- All these are for prerequisite challenges for math
- These are raw numbers
- Students using online transcripts are able to register quickly

- Try to make calculus credit by exam
- If they pass this test they would get credit for the class
- The student must be enrolled to qualify to take this test
- Make math 191 self-paced credit by exam
