Agenda Review/Additions

Announcements

- No new announcements
- No additions to agenda

Introduction of New Members

- Gabriel Harven. Our new registrar, started last September
- Shelia Lau. Representing counseling

Review Goals for 20-21

- Evaluate the integration of interest areas into online placement
- We talked about asking specific questions on the placement
- The math department page is ready to go live.
- Should the interest areas be listed alphabetically?
- This will be at the end of placement
- Move online orientation, English and Spanish, to new platform
- Moving student success workshop to a new platform
- Both tools, orientation and workshop are on the same platform (Conevo)
- We will be using Canvas
- Move Student Success Workshop to new platform (level one probation intervention) – Canvas
- Our online orientation will be moved to a new platform, Canvas
- It needs to integrate with Colleague
- We always looked at being college specific
- We are required to include 8 items from Title 5 and a couple more
- Hoping to have everything in place by November
- All three colleges will use one online orientation for purposes of meeting orientation
- Once the student completes the orientation the student is eligible for earlier registration (part of 3SP steps)
- To begin we won't create new videos
- In the future we will make visual changes to the orientation
- It's time to update our videos
- Carissa is working with the other two colleges in transferring the probation level one workshop
- Review the activities in the Equity Plan (SEAP) and prioritize
- Beth will resend the plan to the committee members to review before the next meeting

- We report to the SES Committee
- We were an operational committee and now a workgroup
- Now our responses will be sent to SES

Department Updates

Math

- Updating website
- We had a motion approved that we keep the score of 3 on the AP test
- We want to score of 3 to work the same as the 4 and 5 is working
- Differences between equivalence and prerequisites
- Admissions needs clarification, in writing, what the AP scores clear
- The discussion of AP scores will remain in the 3SP agenda

English

- Lorie Sample is taking over as coordinator for the LC
- LC has a chat box on the website
- Our co-requisite courses are now all 5 unit individual courses
- Enrollment was very low
- Because of AB705 we are try to see how successful going from online to in person
- Working on updating website
- We have a new system with liaisons
- It is aligned with guided pathways and career education

Assessment Center Update

- Conversion for chemistry
- 321 students who had all 3 steps completed at the beginning of summer
- Now we have 2,057
- We are using tawk (live chat)
- New videos were created for how to apply for high school students
- Running reports for students who have dropped classes
- Clearing new incoming students to be able to register online
- Cleared students who completed orientation and assessment to register for C095
