

2015 Career Technical Education Institute

Event Date:

May 8, 2015 - 12:00am to May 9, 2015 - 12:00am

Deadline to Register/Application Deadline:

April 17, 2015

The Academic Senate is holding a CTE Leadership Institute on May 8 - 9, 2015, at the Sheraton in La Jolla. As many of you know, this year there is an intense focus on career and technical education at the federal, state, and local level. In our CCC system, the Board of Governors has formed a task force on Workforce, Job Creation and a Strong Economy, which has been convening regional college and faculty conversations and industry town hall meetings.

President Obama's recent national challenge focuses on the dire lack of equity in America by calling for open access to higher education for all Americans through community colleges. "A college degree is the surest ticket to the middle class, it ensures you are always employable." President Barack Obama, January, 2015

This event will provide CTE faculty with the opportunity to engage in key policy conversations through their interaction with representatives of the task force, by learning about the implications of policy decisions on local programs and courses, and in participating in breakout sessions to better understand the college processes including topics on leadership, curriculum design, course repetition, and effective program advocacy.

The [Sheraton La Jolla Hotel](#) located at 3299 Holiday Court La Jolla, CA 92037 is the host hotel for this year's Institute! [Driving directions can be found here.](#) For those flying, the San Diego International Airport is located 13.6 miles from of the hotel.
