

PARKING

ADOPTION: May 10, 2004

REVISED: November 17, 2007

REFERENCES: Board Policy 3010

All parking at the Pleasant Hill campus requires a parking decal or a daily permit, which must be displayed on the faculty, staff or student's vehicle. Parking decals and permits are not transferable, and it is the responsibility of each permit owner to ensure that the decal or permit is not used by other individuals.

Students may purchase a student parking decal for the Pleasant Hill campus at the Book Center, the Cashier's Office, or Admissions & Records. Students must present proof of enrollment (such as a printout of their class schedule) and a photo ID (such as a California driver's license or DVC Connect Card) in order to purchase a student parking decal.

At the Pleasant Hill campus, students may park only in designated student parking lots. Parking is available on a first-come, first-served basis, and having a permit does not guarantee that the permit holder will find a parking space.

Appropriate designation of parking areas and categories will be the responsibility of the president or designee, in consultation with the chief of campus police services.

At the Pleasant Hill campus, there are several staff parking areas within lots that revert to student parking after 5:00 p.m.

Students attending classes at the San Ramon Campus (SRC) ~~or the Walnut Creek Center (WCC)~~ are not required to have a parking decal or permit in order to park at those locations. SRC students must not park in spaces reserved for Faculty & Staff, Acorn Child Care, Dougherty Station Library, or employees of the City of San Ramon. SRC also has spaces reserved for Car Pools and persons with a current California State Disability placard. Students attending classes at ~~the Walnut Creek Center~~ or other satellite locations must observe the rules governing that particular location. Contact the Executive Dean of the San Ramon Campus for more information about parking at SRC, ~~WCC~~ or other satellite locations.

Students with a current California State disability placard are not required to purchase a parking decal or permit and may park in any unmetered stall.
