

DVC Procedure 6102.01
COMPUTER CENTER: PRIORITY USAGE
ADOPTION: May 17, 2004
REVISED:
REFERENCES:

In order to ensure that the limited resources of the DVC computer center are sufficient to support the educational mission of the college, the following priorities have been established:

- Students with scheduled computer lab sections have priority for use of the DVC computer center, followed by currently registered DVC students doing schoolwork.
- ~~Students must bring their own diskette.~~
- Proof of current registration may be required.
