

DVC Faculty Senate Resolution
Support for Developing an ACE Program

March 8, 2011

Whereas DVC's strategic directions stress the need to improve student success and to narrow the achievement gaps across all subgroups; and

Whereas the Academy for College Excellence (ACE) program targets underprepared students and promotes individual self-exploration, self-improvement, and persistence; and

Whereas the Academy for College Excellence (ACE) program has proven its effectiveness through nationally recognized evaluative studies; and

Whereas six departments at DVC have agreed to link their courses in the Fall 2011 in a pilot ACE@DVC Learning community.

Be it resolved, the Faculty Senate Council strongly encourages the college to find funding to make its delivery possible; and

Be it finally resolved, the Faculty Senate Council strongly supports the implementing of an ACE@DVC Learning Community in the Fall 2011.
