**DANCE – DANCE**

Janette Funaro, Dean  
Arts and Communication Division

**Possible career opportunities**  
Students who receive a degree in dance can not only pursue a career as a professional dancer in commercial dances onstage and in film, but they may also seek careers as dance therapists, dance instructors, or choreographers. Degree recipients can apply their knowledge of dance in areas such as arts administration, studio management, arts grant writing, and dance notators for dance companies.

**Associate in arts degree**  
**Dance**

The Dance Department has placed this degree on INACTIVE status during the completion of necessary curriculum work. While the curriculum evaluation is underway, this degree has been removed from the catalog. Students entering in Fall 2022 will not have catalog rights to the degree. Students with catalog rights who are in progress to complete the degree are advised that courses will be offered to ensure requirements can be met during fall 2022, spring 2023, and fall 2023. Coursework transferred from other schools may also meet requirements for the degree and students can request course substitutions from the program lead. Any student in progress to complete this program should contact the Dance program lead or department chair for advisement or contact Counseling to explore other viable educational opportunities.

**Limitations on enrollment**  
Effective fall term 2013, changes to the regulations that govern community college enrollments placed limitations on the number of courses that students may take in certain disciplines within the Contra Costa Community College District. The charts below indicate which Diablo Valley College (DVC) courses are assigned to groups of courses (“families”) for which limitations have been imposed. Certain courses within certain “families” may be repeated (see catalog description), however, students are limited to four enrollments within the family. Certain DVC courses are equivalent to courses at Los Medanos College and Contra Costa College. An enrollment in an equivalent course at one of those colleges will count toward the allowable four enrollments within the family.
