

Elementary Teacher Education AA-T

PROGRAM LEARNING OUTCOMES

1. Analyze models and methods of effective teaching, especially in relation to the needs of a diverse student body.
2. Examine the physical, cognitive/language, social-emotional milestones in school age children.
3. Understand and analyze how concepts of mathematics, English and language arts, social studies, visual and performing arts and sciences apply to teaching at an elementary level.

You need to see a Counselor for specific recommendations about courses that will best meet your educational goals. Not all courses on the map are offered every term. Consult the Catalog and the Schedule of Classes for more details.
