

# Health Science: Health Education AS

## PROGRAM LEARNING OUTCOMES

1. Apply a multi-dimensional approach to health.
2. Learn risk factors for health and disability.
3. Analyze influences on health.
4. Demonstrate behavior-changing techniques.
5. Evaluate scientific information.

Complete 60 degree applicable units along with completion of all required general education requirements. It is highly recommended that you see a counselor for specific courses that will best meet your educational plan/goals. Not all courses on the map are offered every term. Consult the Catalog and the Schedule of Classes for more details.
