

NUTRITION AND DIETETICS ASSOCIATE IN SCIENCE FOR TRANSFER SAMPLE SEQUENCE MAP

The Associate in Science for Transfer (AS-T) is designed to streamline transfer admission to the California State University (CSU) system. If you are considering transfer to a UC, private, out-of-state college, or a specific CSU campus, consult with a counselor regarding the transfer requirements of that institution. A personalized education plan is necessary to meet the unique goals of each student and transfer institution.

Students earning this degree must complete 60 CSU-transferable units. Students must also complete either CSU GE or IGETC (including the Area 1C requirement) General Education pattern. Consult with a counselor to see which pattern is best for you and for specific recommendations about courses that best meet your education goals, particularly related to transfer requirements. Not all courses are offered every term. See the Catalog and Schedule of Classes for more details.
