

Reflection on Dental Hygiene Procedures

We understand the difficulty some applicants are having gaining permission to observe in a dental office due to restrictions caused by COVID19. We are allowing the option to write a Reflective Paper on dental hygiene procedures. If you choose this option you will need to complete the following.

Watch:

- [How Teeth are Cleaned at the Dentist](#)
- [Dental Health-Scaling Teeth](#)
- [Dental Hygiene Local Anesthesia 2011](#)

Write:

A reflective paper -

- Compare How Teeth are Cleaned at the Dentist to Dental Health-Scaling Teeth
- Discussed what surprised you, if anything, about what you saw in any of the three videos
- Your feelings about performing the procedures presented in the videos as a dental hygienist

Your paper should be typed, double spaced, 12pt font, and 150-200 words.
