

Kinesiology Sports Medicine/ Athletic Training AS

PROGRAM LEARNING OUTCOMES

1. Differentiate between a variety of anatomical structures and related terminology.
2. Utilize injury evaluation, treatment, rehabilitation and massage techniques.
3. Students completing this program will be able to develop a educational and career plan matched to their skills, aptitudes and professional requirements.

You need to see a Counselor for specific recommendations about courses that will best meet your educational goals. Not all courses on the map are offered every term. Consult the Catalog and the Schedule of Classes for more details.
