

Meet Your Math Transfer Requirements with **STATWAY!**

Are you:

- Planning on majoring in Liberal Arts, Fine Arts or Humanities?
- Trying to meet your Cal State or UC General education math requirements?
- Qualified to take Elementary Algebra (Math 90) or higher?

If yes, then you qualify for an accelerated path to transfer called Statway.

Most CSU and UC transfer students majoring in fields such as English, Art, Music, Communications, History, Political Science, Languages etc. can complete their math requirements in two semesters in Fall 2018 and Spring 2019 by taking Statway I (Math 94), followed by Statway II (Math 144). **Note:** Statway is not appropriate for Science, Technology, Engineering, Math or Business majors. If unsure please talk to a counselor.

Benefits:

- **Statway students have four times the success rate** in half the time compared to students in the traditional math pathway.
- Statway strives to be innovative; it is not a traditional lecture class. **Students learn through real world applications that are useful and relevant to their daily lives.**
- Statway allows you to go from remedial level math to college level Statistics.

Five sections of Statway I (Math 94) will be offered in Fall 2018:

section 1381: M,W 7:55-11:00 AM , Prof. Janylle Carter

section 1309: M,W,F 8:55-11:00 AM, Prof. Eric Freidenreich
