

# BECOME A MATH TUTOR

Make a difference for your school, your fellow classmates and yourself!

## Recruitment for Spring 2021

### Minimal Requirements

- Applicant must have passed or enroll in our **Math 140: Tutor Training** course
- Applicants must be enrolled at DVC for 6 units or more (12 or more for F1 visa students)
- Applicant must have an average B or better for all math courses
- Applicants are friendly, enjoy talking to others and are eager to help their peers!

### How to Apply

Come speak with our Math Lab coordinator Liling Lin in our remote Math Lab Zoom Room or email her at [LLin@dvc.edu](mailto:LLin@dvc.edu)

## Our Tutoring Services

**Zoom Drop-in Tutoring:** Help students in zoom breakout rooms one-on-one or in groups. Tutor is able to help with one or more of the following areas.

Area A: Math levels up to Precalculus

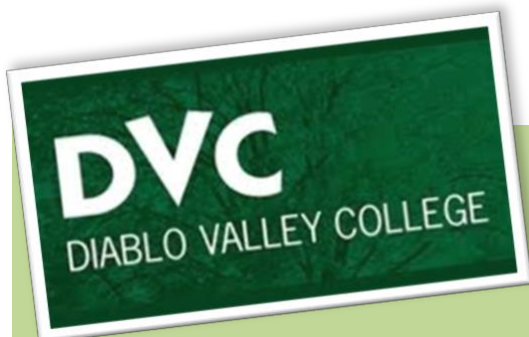

Area B: Statistics

Area C: Math levels above Precalculus

Stats tutors needed!!!

### Application Deadline

Applications are due by October 30<sup>th</sup>. We will still accept applications after the deadline, but all tutoring scheduled hours may be filled for the spring.
