**Program Learning Outcomes**

Students completing this program will be able to:
1. Produce recorded music projects.
2. Demonstrate professional behaviors required in the music industry.
3. Apply vocabulary and demonstrate processes used in the protection of intellectual property rights.
4. Demonstrate practical musical literacy, both theoretical and historical.
5. Mix live performances in a variety of genres.
6. Utilize basic ensemble skills by performing in an ensemble.

**Careers in**

- Provides students with a solid foundation in music theory, composition, performance, technology, production, and business. This program offers a unique blend of the art of music and the discipline of business. Students can participate in traditional music courses such as individual applied music lessons and performing ensembles, while immersing themselves in music technology. Graduates of the commercial music – performance may move into all facets of the music and entertainment industries.

You need to see a Counselor for specific recommendations about courses that will best meet your educational goals. Not all courses on the map are offered every term. Consult the Catalog and the Schedule of Classes for more details.
