

MUSIC INDUSTRY STUDIES: Commercial Music Media Composition Certificate of Achievement

Required
 Elective

total minimum required units 36

PROGRAM LEARNING OUTCOMES

Students completing this program will be able to:

1. Produce recorded music projects.
2. Demonstrate professional behaviors required in the music industry.
3. Apply vocabulary and demonstrate processes used in the protection of intellectual property rights.
4. Demonstrate practical musical literacy, both theoretical and historical.
5. Mix live performances in a variety of genres.
6. Create a portfolio of original compositions for various ensembles/media.

Careers in

- The commercial music – media composition certificate of achievement is composed of core music and technology courses that provide both a conceptual foundation in music theory and a technical foundation in a digital audio workstation to record, sequence, and mix music. Graduates of the commercial music – media composition program are prepared for many facets of the music and entertainment industries. Students create a portfolio of diverse compositions that demonstrate competency for such careers as film composer, music editor, film arranger, orchestrator, and more.

You need to see a Counselor for specific recommendations about courses that will best meet your educational goals. Not all courses on the map are offered every term. Consult the Catalog and the Schedule of Classes for more details.
