

# English Course Sequences

All students have the right to take transfer-level English (ENGL-122/122L/122AL) without taking other courses first. There are different options available (different “versions” of transfer-level English) with different levels of instructor support. All options meet the same Student Learning Outcomes and meet transfer requirements.

**DVC also offers a wide variety of literature and creative writing courses.**

Advanced non-native speakers who wish to strengthen their English foundation, may wish to consider this course at the pre-transfer level:

- English 117A is a 5-unit, integrated composition and reading class for multilingual (ESL) students, one level below ENGL-122AL/122/122L

For the very small number of students who require extra time and support, we offer one course at the pre-transfer level:

- English 97 is a 5-unit, integrated composition and reading class, two levels below ENGL-122/122L/122AL. Space in these classes is very limited. Please see a counselor if you think you might be a good candidate for a spot in our pre-transfer program.
