Use our Student Planning tool!
Plan and register for your classes using our Student Planning tool. Go to the InSite Portal.

Check your InSite mail account often
You are expected to check your email frequently to receive college and district-related communications. You may forward your email to another address (e.g., @yahoo.com, @gmail.com) if you wish, but the district is not responsible for the handling of email by outside vendors. You are responsible for reading and responding to official communications sent to your InSite mail account, regardless of how you receive it.

New and transfer students
• Begin at Step 1 – (submit an application) and follow all steps.

Returning students - Last attended prior to spring 2019
• Begin at Step 1 – (submit an application) and follow all steps.

Continuing students - Enrolled spring, summer, or fall 2019
• Begin at Step 5 – (register for your classes).

High school students - Enrolled in grades 11 or 12
• Submit an application (Step 1).
• Complete the Special Admissions Recommendation Form.
• Bring form to in-person registration beginning January 14, 2020.

High school students below grade 11
• Submit an application (Step 1).
• Complete the Special Admissions Recommendation Form.
• Attend the first class meeting to obtain instructor’s signature on the form.
• Bring the form to the Admissions and Records Office to register.

Note to ALL high school students
• We CANNOT accept incomplete Special Admissions Recommendation Forms.
• To register in a kinesiology class (formerly P.E.), all high school students must obtain instructor’s signature at the first class meeting. (Kinesiology theory courses are excluded from this additional requirement.)
• Bring the form to the Admissions and Records Office to register.
• If enrolling in a class with a prerequisite, see page 5 for information.
Steps to enroll:

1. **Apply to DVC**
   - Visit [www.dvc.edu/apply](http://www.dvc.edu/apply) to get started.
   - Apply for financial aid. [www.dvc.edu/financialaid](http://www.dvc.edu/financialaid)

2. **Complete the online orientation**
   - Go to [www.dvc.edu/orientation](http://www.dvc.edu/orientation) to complete the online orientation.

3. **Complete the placement process**
   - If you are a graduating high school senior or you graduated from a regionally accredited US high school within the past ten years, you can use the Online Placement Process for English and math. Print your results. This tool can be found at [www.dvc.edu/placement](http://www.dvc.edu/placement).
   - If you graduated from a foreign school, attended homeschool, adult education, or an unaccredited high school, earned a GED or high school proficiency certificate, are currently enrolled in high school; or graduated over ten years ago, please complete the Guided Self Placement. Print your results. This tool can be found at [www.dvc.edu/placement](http://www.dvc.edu/placement).
   - If you have taken transfer-level English or math courses, have completed an associate’s degree or higher, or believe you are not required to complete the placement process, please review the “Do I Need to Take an Assessment” page at [www.dvc.edu/assessment-need](http://www.dvc.edu/assessment-need) for more information.

4. **Receive academic advising/educational planning**
   - **New students**
     After you have completed the online orientation and English or ESL and math placements, we strongly encourage you to register for Counseling 095 (COUNS 095) for your educational planning. This six-hour class meets either one or two times. After completion, you will receive an earlier registration date than students who do not take Counseling 095.
   - **Transfer and returning students**
     Make an appointment to meet with a counselor to discuss educational goals or plans: Pleasant Hill Campus at 925-969-2140 or San Ramon Campus at 925-551-6209.
     - Before your appointment, submit official transcripts from high school and other colleges you’ve attended.
     - Send transcripts to: Admissions and Records Office, 321 Golf Club Road, Pleasant Hill, CA, 94523.
     - Allow time for your transcript(s) to arrive. It could take two - six weeks. Transcripts must be received at DVC at least two weeks before your counseling appointment.
     - To see if your transcripts have arrived, check InSite under Grades, Transcripts, Received Transcripts.
     - You will receive an earlier registration date after completion of online orientation; English, ESL or math placement and academic advising/educational planning.

5. **Register for classes**
   - **Registration appointments** are for online registration only (until open/walk-in registration begins on January 15).
   - Registration appointments can be viewed on InSite. Contact the Admissions and Records Office if no registration date is listed. You may use one of the many computers in the Enrollment Lab, library or computer labs throughout the campus.
   - Students who complete steps 1-4 are considered matriculated students and receive earlier registration appointments than non-matriculated students.

   Registration appointments are assigned to continuing or currently enrolled DVC students (attended classes spring, summer or fall 2019).

   Be sure to follow the instructions carefully. When registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment.

   - **Adding classes before instruction begins**
     If you wish to add a class before the first class begins, you may do so online until midnight the day before the class begins as long as space is available.

   - **Adding classes after instruction begins - late add permissions**
     If you wish to add a class after instruction has started, you should first check with the instructor. If space is available, the instructor will authorize you to add the class. This will permit you to register online. The permission will expire at midnight on the deadline date to add the class.

   Assistance using InSite is available in the Enrollment Lab.

**Also consider**

Apply for financial aid and learn about Extended Opportunity Programs and Services (EOPS) (optional)

- Stop by the Financial Aid Office (Student Services Center, Pleasant Hill Campus), visit online at [www.dvc.edu/financialaid](http://www.dvc.edu/financialaid), or call 925-969-2009
- Visit the EOPS Office (Student Services Center, Pleasant Hill Campus), or online at [www.dvc.edu/eops](http://www.dvc.edu/eops).

**Don't forget**

Purchase your textbooks: Visit the campus bookstore to purchase the textbooks for your classes.

**Pay fees:** Payment of registration fees is required at the time of registration. Fees can be paid with a credit card on InSite. The Cashier’s Office will accept cash, credit card, check, or money order.

**Obtain student ID card:** After registering, take your class schedule and picture ID to the Student Life Office in the Student Union Building at the Pleasant Hill Campus or to the Learning Commons at the San Ramon Campus to obtain your “Connect Card.” This FREE card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker for a small fee.
How do I find my user name without a student ID number?

1. Go to www.dvc.edu
2. Click on InSite
3. Follow the instructions to log onto InSite
4. Click on the "Forgot username?" link
5. Enter your last name, date of birth and either your student ID or the last four digits of your SSN. Click OK
6. Record your User ID for future use
7. Click InSite to log on

How do I calculate my fees?

Fill in the blank lines to estimate your fees:

- Enrollment fee (multiply the number of units by the correct fee)
- ASDVC discount sticker fee (optional) $10
- Parking fee (optional)
- Student union fee (fee is $1 per unit up to $10 per year)
- Student activity fee (fall and spring only) $5
- Student representation fee (fall and spring only) $2
- Foundation contribution (optional) used to provide scholarships and instructional equipment

Total $________

Proxy information

Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:

- Written permission, which includes your proxy’s name, your signature, and detailed information on what transaction you authorize them to do:
  - Student ID number and birth date;
  - Your name, address and telephone number.

Your proxy will need to show a valid photo ID before any transactions are completed.

Attendance

If you miss the first class meeting or are absent for the equivalent of two weeks without approval, you may be dropped by the instructor. If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.

Withdrawing from a class

You must officially drop classes through the online registration system or at the Admissions and Records Office. Non-attendance can result in an “F” grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is your responsibility to drop a class, not the instructor’s. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an “F” grade.

Fees

Enrollment fees*

- $46 per unit for California residents
- $321 per unit ($275 per unit plus $46 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents or for students who are not U.S. citizens.

* Note: All fees are subject to change by the state legislature. Check www.dvc.edu/fees for updated fee information.

Other fees

- A $1 per unit student union fee helps pay for the maintenance of the student center. The maximum fee is $10 per student per academic year.
- The optional $10 student ASDVC discount sticker fee offers discounts for student related activities.
- The $5 Student Activity Fee is charged at registration for fall and spring terms. This fee allows student government to fund student-related activities and services. This fee is voluntary. For refund information see “Fee refunds” on this page.
- The $2 Student Representation Fee is charged at registration for fall and spring terms. This fee allows the student government to provide support for governmental affairs representatives of local or state-wide student body organizations. The fee is voluntary; for refund information see “Fee refunds” on this page.

Parking fees

The parking fee is $3 a day or $48 per term or $25 mid-term (after the ninth week) for fall and spring. Fall mid-term permits go on sale October 29. College parking permits are required daily except weekends (Friday 5 pm through Monday 7 am) and holidays. Parking permits must be purchased online through InSite, under the Academic Services menu. The parking fee is $25 per term for students who qualify for the board of Governors Enrollment Fee Waiver. DVC parking permits are also valid at CCC and LMC campuses. Parking at the San Ramon Campus is free. Contact all other off-campus locations for their parking policies.

Outstanding debts

If you have any outstanding debts, you will be blocked from registration or from obtaining certificates or diplomas until those debts are cleared. Pay debts at the Cashier’s Office. Debts are subject to district collection processes.

Fee refunds

Enrollment fees

To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. (For refund dates, go to InSite, Registration, to “My Class Schedule.” You can also check with your instructor.)

Refund checks for complete or partial withdrawals will be processed after the first two weeks of instruction. Refund checks will be mailed to your student address on file in the college Admissions and Records Office. If you have a new address, please notify the office as soon as possible. If you paid online by credit card, a refund will be issued to the credit card used for payment.
Non-resident tuition refunds
To obtain a refund for non-resident tuition, your request must be made at the Cashier’s Office.

You will not receive a refund if you:
• stop attending class and do not officially withdraw,
• withdraw from the class after the refund deadline,
• owe outstanding debts to the college.
A detailed refund policy is posted in the Cashier’s Office. Refunds for over $5,000 must be requested at the Cashier’s Office.

Students classified as non-resident may request reclassification if living in California for one year and one day prior to the start of the term. Documentation is required. Students should resolve residency reclassification immediately and all requests must be resolved by the end of the academic year in question. Fees for approved reclassifications will be adjusted. Requests for residency reclassification submitted for an academic year that has ended will not be accepted.

Parking permit refunds
To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. For refund dates, go to InSite, “Registration”, to “My Class Schedule.” The dates are listed under the “Last Date to Drop” column. You can also check with your instructor. The parking decal must be returned to the Cashier’s Office for a refund. The refund check will be mailed to you according to the same refund processing cycle as enrollment fee refunds. Lost or stolen parking permits are not refundable.

Financial aid enrollment fee refunds
If subsequent to paying enrollment fees, you become eligible for financial aid and receive an enrollment fee waiver, you will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment fee deferments
If subsequent to paying enrollment fees, you become eligible for an enrollment fee deferment to an outside agency, submit the deferment to the Cashier’s Office. You will automatically be mailed a refund check of the deferred fees according to the same refund processing cycle as enrollment fee refunds. Details regarding the refund policy are available from the Cashier’s Office or the Admissions and Records Office.

Student Activity and Representation fees
The Student Activity Fee and the Student Representation Fee are voluntary. Refund forms are available online at: www.dvc.edu/SARefund, at the Pleasant Hill Campus in the Cashier’s Office, Student Life Office and Welcome/Information Center. At the San Ramon Campus, the forms are available in the Admissions and Records Office. Refund forms must be submitted in person or by U.S. mail to the DVC Cashier’s Office ONLY (DVC Cashier, 321 Golf Club Road, Pleasant Hill, CA 94523). Request for refund forms must be received within the first two weeks of instruction for a full term class, or before 10 percent of the class time for a short-term class. Refund checks will be issued monthly after the first two weeks of instruction each term (fall and spring only).

Non-refundable fees
The $10 ASDVC discount sticker fee is not refundable. This refund policy complies with and is based upon California law and the Education Code.

Prerequisites
Enrolling in DVC courses with prerequisites or co-requisites
If you are enrolling in a course with a prerequisite, you must complete that prerequisite with a “C” grade or higher before you are allowed to register. A course has a prerequisite to ensure that you have the appropriate body of knowledge to be successful. Courses with a co-requisite require that you either have taken the co-requisite course prior or take the co-requisite course at the same time.

Please note: dropping a class with a co-requisite will result in a drop from both classes.
A prerequisite is usually a course from a lower sequence of courses. A co-requisite is usually a lab or a course that provides supplemental instruction.

To see which courses have prerequisites and/or co-requisites, see the individual course offerings in this schedule.

To register for a course with a prerequisite
If you have completed the prerequisite course with a “C” grade or higher, at DVC fall 1999 or later, you will have the prerequisite automatically cleared upon registration. If the prerequisite course was completed at DVC, CCC or LMC prior to fall 1999, contact the Admissions and Records Office for assistance.

If the prerequisite course was completed at another educational institution, the Admissions and Records Office must clear the requirement prior to registering.

Submit an unofficial or official transcript with a prerequisite equivalency form to the Admissions and Records Office;

All prerequisite equivalency forms must have the appropriate documentation attached.

You will be notified of the results in two to three business days. If approved, you may register on or after your registration appointment time.

Registration for co-requisite/prerequisite course
Some courses allow you to take the required course either as a co-requisite (concurrently) or as a prerequisite (previously). If you have a problem registering in such a course, please contact the Admissions and Records Office.

Open Course Policy
It is the policy of the Contra Costa Community College District that unless specifically exempted by statute or regulation, every course, course section, or class reported for state funding, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites as may be established pursuant to regulations contained in Title 5 Section 55200.
How to: Register online 24 hours a day

InSite online registration

**Note:** You may enroll in a class that is still open until midnight the day before the first class meeting.

Who can use the online registration system?
If you are a continuing student (enrolled spring, summer, or fall 2019) you may use the online system to add or drop classes. Check InSite for your appointment day and time.

If you are a new student or returning student who did not attend for one year or more, you will need to complete a new application before you can register. Registration appointments are assigned after applications are processed. Apply online at [www.dvc.edu/apply](http://www.dvc.edu/apply)

1. Go to [www.dvc.edu](http://www.dvc.edu)
2. Click on InSite
3. Click on Log into InSite to log on using your User ID and password. Your user ID is generally the first letter of your first name, your full last name, and the last three digits of your student ID number (no spaces, all lowercase). Exceptions do occur. Your initial password is your six-digit birthday (mmddyy - no spaces, all lowercase).

   for example: Victor Viking
   0123456 (student ID#)
   09/21/1999 (birthday)

   User ID: [vviking456](http://vviking456)
   Password: [092199](http://092199)
   Show hint: [Submit](http://Submit)

4. First time users of InSite may need to change their password. The new password must contain letters and numbers between 6-15 characters. See example below.

   User ID: [vviking456](http://vviking456)
   Old password: [092199](http://092199)
   New password: [Snoopy22](http://Snoopy22)
   Confirm password: [Snoopy22](http://Snoopy22)
   My password hint: [pets name + 22](http://pets name + 22)
   [Submit](http://Submit)

5. Click on Registration
6. Click on Register from your Ed Plan
   If registering after the term has started and after receiving permission to add from your instructor you should see the section you want to add listed on your plan. Beneath the section information you should see “Authorized for Add.” Click on “Register” and add the class to your schedule. If you do not see “Authorized for Add” make sure you have the correct section.
7. Under Registration, click on Make a Payment to pay for your fees online.
   You can also pay by mailing payment to DVC or pay in person at the Cashier’s Office - SSC Building—across from Financial Aid.
8. Print your schedule as proof of registration in InSite.
9. If you enrolled on a waitlist, read the directions on “how to manage my waitlist” on page 7.

Need help using InSite?
Call Welcome Services at 925-969-2106 during office hours or visit the Enrollment Lab.
Waitlist: How do I manage my waitlist?

Go to www.dvc.edu
Click on InSite
Log in to your InSite account
Click on Students
Click on Registration
Click on Manage My Waitlist

The waitlist is a way to prioritize the registration of students after a class has reached its maximum. There are no guarantees that you will be allowed to register from the waitlist; therefore, it is always best to register in a class with open seats. If you are still on a waitlist when the class begins, the instructor can only consider adding you to the class if you attend the first class meeting.

Important:
Check your InSite mail regularly for your waitlist status.

ACTION
Register: When permission is granted via email, select this option and click submit to register for this class.
Remove: Select this option if you would like to remove your name from the waitlist.

WAITLIST STATUS
Active: You are waitlisted for this class.
Permission Granted: You are able to register for this class. You will also receive an email when permission to register is granted. An email will be sent to your InSite mail account (insite.4cd.edu). However, it is your responsibility to track your status on “Manage My Waitlist”. You should review your waitlist status daily.

EXPIRE DATE
When permission is granted, you will only have three calendar days to register for this class.
If permission is granted less than three days before the class starts, you must register by midnight of the day before the class starts.

RANK/WAITLIST
Rank: Number you are placed on the waitlist for this class.
Waitlist: Total number of students on the waitlist for this class.
If you are still on a waitlist when the class begins, the instructor can only consider adding you to the class if you attend the first class meeting. The instructor may give permission to add the class via InSite; or the instructor may sign the Schedule Request Form, which you must use to add the class in person at the Admissions and Records Office.

You may qualify for FREE TUITION!

The 4CD Promise:
First Time + Full Time = Free Tuition* (FT^3)

*The FT3 Promise will cover the $46 per unit enrollment/tuition fee. The student will be responsible for any books, supplies and materials fees that a class requires. The student will still be responsible for other non-course fees.

For more information, to access the Pledge, view deadlines, and to review the FAQs, please visit: www.4cd.edu/ed/cp collegepromise@dvc.edu or 925-969-2106

**Couns-096** (for athletes) (P/NP) - .3 Unit

Complete the placement process before orientation so that the counselor teaching your class can review your scores and recommend the correct courses.

Students should bring an unofficial copy of their high school transcripts (if applicable) as well as their placement results to the class meeting. Students should also review the DVC online catalog and class schedule before coming to class.

Please be a good neighbor and consider our surrounding neighborhoods

We understand that our students often have no other choice but to park on neighborhood streets, especially at the beginning of the semester and during heavy enrollment periods, but please show respect for our neighbors as you would your own. Help keep our neighborhoods clean, quiet and peaceful.

Learning Community

What is a Learning Community?
A Learning Community means that the same students enroll in a group of two or more classes together. The teachers of the classes work together with the students that they share and there is often a unifying theme that links the coursework together too.

Why would I want to enroll in one?
Sharing more than one class with other students has built-in advantages. You are more likely to get to know them, make new friends, and maybe join a study group that helps you with more than one class. Because your instructors work with the same students, they also work together to make the work load more manageable by carefully scheduling major tests and assignments. You see more connections between subjects and come away with a deeper understanding of what you’re studying. If you want more learning and more community in your college experience, enroll in a Learning Community.

Learning Community: Community of Pride

Queer and trans students and allies, join a Community of Pride! Find a home at DVC amongst like-minded peers and faculty, while completing IGETC requirements. Meet your English requirement with an English 122 course focused on queer and trans issues, and empower yourself as a socially engaged citizen in Introduction to Social Justice.

Mathematics

All about Math
To find your first English and math courses, use the DVC online placement tool. www.dvc.edu/placement

All students have the right to start their math courses at the transfer level.
• MATH-121 – Plane Trigonometry is the first transfer level math course for STEM (Science, Technology, Engineering and Math) students.
• MATH-135 – College Algebra is the first transfer level math course for many business students.
• MATH-142 – Elementary Statistics with Probability is a transfer level math course that works for most liberal arts, humanities, and social science students.

Some students may be required to add a support class to their schedule.
• MATH-021 (2 units) is paired with MATH-121
• MATH-035 (4 units) is paired with MATH-135
• MATH-042 (2 units) is paired with MATH-142

Both the math class and the paired support class are taught by the same instructor. These are called linked classes – this means you must enroll in both classes at the same time.

If you think the extra support class would help, you may choose to take the linked classes even if you aren’t required to.

MATH-085SP Arithmetic and Basic Algebra Review Self-Paced - (SC) - 4 Units

Note: New placement rules are in effect, and students who plan to transfer should consider enrolling in a higher level math course. Please complete the online information process at www.dvc.edu/icmath to learn more and decide if this is the right math course for you.

Note: Studies of student success strongly suggest that degree-bound students should enroll in a math class at higher-level than MATH-085. Go to https://www.dvc.edu/enrollment/assessment/index.html and complete the online placement process, then make an appointment with a counselor to discuss placement. In this computer-assisted, flexibly-paced class, students will utilize an online learning system for their initial instruction, as well as receive assistance during weekly face-to-face meetings. Students will have some flexibility on how much time they take to learn topics and when they take assessments, though minimum requirements and deadlines will apply. The online assignments require computer access and may be completed either on or off campus. The face-to-face meetings will be held in the DVC Math Lab (for lab schedule go to www.dvc.edu/PHCmathlab or Pleasant Hill or www.dvc.edu/SRCmathlab for SRC). Students are encouraged to complete MATH-085SP in one semester, or take up to 2 semesters. MATH-085SP is equivalent to MATH-085; students who have completed MATH-085 will not receive credit for MATH-085SP.

San Ramon Campus

Math - 135 with Support Courses
To find your first math courses, use the DVC online placement tool. www.dvc.edu/placement

All students have the right to start their math courses at the transfer level.
• MATH-135 – College Algebra is the first transfer level math course for many business students. Some students may be required to add a support class to their schedule.
• MATH-035 (2 units) is paired with MATH-135

Both the math class and the paired support class are taught by the same instructor. These are called linked classes – this means you must enroll in both classes at the same time.

If you think the extra support class would help, you may choose to take the linked classes even if you aren’t required to.

Registration after the class begins is on a space-available basis. Register online with instructor late add authorization or register in-person with signature of instructor or late add authorization. Online registration is available 24 hours a day, seven days a week. Students may register anytime on or after their appointment date and time up until midnight the day before the class section begins.

** Short-term class add/drop dates, refund dates and pass/no-pass dates are calculated individually by class based on the specific number of meeting days; therefore, these dates are not included in this calendar. Add/drop and refund dates are printed on the class roster. Check with the instructor. You may also go to Insite, “Registration” “My Class Schedule” for drop and refund dates. The dates are listed under the “Last Date to Drop” column.
