

CCRRSAA/HEERF II 30-Day Emergency Grants to Students Public Reporting Requirements

The Certification and Agreements for the Coronavirus Response and Relief Supplemental Appropriations Act (CCRRSAA) funds provide that each institution applying for Higher Education Emergency Relief Fund (HEERF II) funds must promptly and timely provide a detailed accounting of the use and expenditure of the funds in such manner and with such frequency as the Secretary may require. Each HEERF participating institution must post the information listed below on the institution's primary website, as an initial report under the CRRSAA. This report is associated with the approved information collection under OMB control number 1801-0005.

The Department encourages institutions to report as soon as possible, but no later than 30 days after the date the Department first obligated funds under HEERF I, II, or III to the institution for Emergency Financial Aid Grants to Students.

The following information must appear in a format and location that is easily accessible to the public. This information must also be updated no later than 10 days after the end of each calendar quarter (September 30, and December 31, March 31, June 30) thereafter, unless the Secretary specifies an alternative method of reporting:
