NONDISCRIMINATION

Equal opportunity policy and grievance procedures
DVC does not discriminate on the basis of race, color, national origin, sex, sexual orientation, disability, or age in any of its policies, procedures, or practices, in compliance with Title VI of the Civil Rights Act of 1964 (pertaining to race, color, and national origin), Title IX of the Educational Amendments of 1972 (pertaining to sex), Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975 (pertaining to age), and CCCCD Board Policy 2001. This nondiscrimination policy covers admission and access to, as well as treatment and employment in the college’s programs and activities, including vocational education. Inquiries regarding the equal opportunity policies, the filing of grievances, or requests for a copy of the college’s grievance procedures may be directed to the following: disability support services coordinator for disability related issues; Title IX, Sexual Harassment Title VI, discrimination based on race, color, or national origin, the vice president of student services, Administration Building, or the dean of student life in the Student Union Building.

This procedure affords students an opportunity to resolve a variety of complaints, including those alleging discrimination based on race, sexual orientation, color, national origin, sex, handicap, and age. Students who require assistance in the use of this procedure or any of the above-mentioned policies should contact the vice president of student services or dean of student life. For more information about the sexual harassment policy, please see: www.dvc.edu/policies/harassment and for more information about equal opportunity policies and procedures, please see: www.dvc.edu/eeoc.

Inquiries regarding federal laws and regulations concerning nondiscrimination in education or the district’s compliance with those provisions may also be directed to the vice chancellor, human resources and organizational development, Contra Costa Community College District, 500 Court Street, Martinez, CA 94553, or U.S. Department of Education, Office of Civil Rights, 221 Main Street, Suite 1020, San Francisco, CA, 94105.

For more information or to initiate a grievance contact:
Vice president of student services (504, Title IX, Sexual Harassment; Title VI Coordinator and EEOC Officer) 925-685-1230, ext. 2232
Vice president of finance and administration (ADA Coordinator) 925-685-1230, ext. 2533
Disability support services manager 925-685-1230, ext. 2926

Open course policy
It is the policy of the Contra Costa Community College District that unless specifically exempted by statute or regulation, every course, course section, or class reported for state funding, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites as may be established pursuant to regulations contained in Title 5 Section 55200.
ACADEMIC REQUIREMENTS AND POLICIES

Academic course requirements and credit

Full-time status
A student must carry a minimum of 12 units in the fall or spring term or four units in a summer session to be considered a full-time student. Fifteen units is the usual load for students who wish to complete the associate degree in two years.

Term unit limit
In fall or spring term, a full-time course load is considered to be at least 12 units. Students who wish to enroll in more than 19 units in the fall or spring term or 12 units in the summer term must have permission prior to the start of the class. Students may request to exceed unit limits through the counseling website under the forms category.

Veterans must carry a course load of at least 12 certifiable units in order to receive full veteran’s benefits.

International students must carry at least 12 certifiable units each term to maintain their F-1 status. Authorization to be below 12 units must be granted by a designated school official in the International Students Admissions and Services Office.

Remedial unit limit
By state law, students are only allowed to enroll in a maximum of 30 units of remedial course work. Remedial courses are non degree applicable credit, basic skills courses and are numbered less than 100. The 30 unit limit includes all remedial courses taken at the three community colleges within our district.

Exemptions
Students enrolled in ESL courses or officially identified as having a learning disability are exempt from the 30 unit limit.

Variable unit courses
Some courses give students varying amounts of credit; for example, from one to three units. The number of units varies, depending on the following factors: the contract between instructor and student; how many segments of the course the student completes (for example, the course may be divided into three four-week segments); the subject matter and/or number of meetings; and the number of classes the student attends.

Repeating courses
If the student has received a satisfactory grade in a course that is not listed as repeatable, he or she may repeat the course only after a significant lapse of time (three years) or under extenuating circumstances. Students must appeal to the dean of outreach, enrollment and matriculation, prior to repeating the course. This appeal may be made online at www.dvc.edu/petition-to-repeat. If permission is granted, both grades will appear on their transcript and will be calculated in their grade point average.

Repeating courses with substandard grade
Students who have received a substandard grade in a course should see the “improving a grade point average” Please see page 39 for more information about improving a grade point average.

Independent study courses
These courses are only available to students who have exhausted the learning opportunities of our regular course offerings. They require the student to undertake a significant project or research with clearly established, measurable learning objectives.

To apply for an independent study course, students should get a tentative agreement on their research project from a supervising instructor. They must then complete an independent study form (available in the Instruction Office or division offices) and receive approval of the supervising instructor and division dean.

Deadlines
Independent study forms must be submitted for approval to the division dean before the sixth week of the term.

Adding and dropping classes
Classes may be added and dropped online, or in person at the Admissions and Records Office.

Auditing of classes
Diablo Valley College does not permit auditing of classes. All students must submit an application for admission to the college and officially register.

Course prerequisites and/or co-requisites
Students enrolling in a course with a prerequisite must complete that prerequisite with a “C” grade or higher before they are allowed to register. A course has a prerequisite to ensure that a student has the appropriate body of knowledge to be successful. Courses with a co-requisite require that a student has successfully completed the course in a prior term or is enrolled in the co-requisite course in the same term.
Please note: Dropping a class with a co-requisite will result in a drop from both classes.

Usually a prerequisite is a course from a lower sequence of courses. For example: Students may not enroll in Math 142 (Elementary Statistics with Probability) without first passing Math 120 (Intermediate Algebra) or equivalent with a “C” grade or higher. Usually, a co-requisite course is a lab or a course that provides supplemental instruction.

To see which courses have prerequisites and/or co-requisites see the individual course offerings in the catalog.

Prerequisite and/or co-requisite challenge
Students who are denied enrollment in a class because they do not meet the prerequisite requirement may challenge the prerequisite. Challenge petitions are available in the Admissions and Records Office.

How to file a prerequisite or co-requisite challenge
Students must file their challenge form at the Admissions and Records Office at the time they register for the class. If space is available, the student will be enrolled in the class pending the outcome of the challenge.

• If the challenge is approved, the student will remain in the class.
• If the challenge is denied, then the student will be notified that he/she has been dropped from the class.
• If the challenge is not acted upon within five working days, then the student will be allowed to remain in the class.

Challenges for the following reasons are reviewed by the division dean who has final approval:

• The prerequisite is based on health or safety and is either not valid or does not apply to a particular student.
• The prerequisite is discriminatory on the basis of ethnicity, religious belief, political persuasion, age, gender, or sexual orientation.
• The prerequisite course has not been reasonably made available at DVC.
• The prerequisite was not established according to state law.
• Challenges claiming that the student has gained the knowledge and skills in another fashion, for example through work or life experience, are reviewed by a faculty committee, whose decision is final.

Acceptance of transfer credits and alternative credit

Statement for transfer credit
DVC generally accepts transcripts from institutions that are accredited by one of the six regional accrediting associations in the United States in order to evaluate for equivalent coursework. DVC also follows the recommendations of the American Association of Collegiate Registrars and Admissions Officers. Students with completed coursework from other institutions should request that official transcripts be sent from the institution to the DVC Admissions and Records Office. Official transcripts from other schools may take two to six weeks to arrive at DVC. Official transcripts must be on file at least two weeks prior to scheduling a counseling appointment so that evaluation of prior coursework can be completed and be available for review during the student’s meeting with the counselor.

Course substitution
Students may petition to have coursework completed at DVC and other institutions substituted to meet DVC degree and certificate requirements. Students are advised to meet with a counselor to discuss this option and to complete the petition process well before they plan to apply for a degree or certificate.

Alternatives to course credit
We recognize that some students have already reached a portion of their educational objectives through prior schooling.

Alternate course credit
DVC offers four options for students to receive alternate course credit: advanced placement, CLEP, credit by exam, and military service credit.

Units awarded under any of these four categories may not be used to meet the residency requirement for the associate degrees.

1. Advanced placement (AP) - for the associate degree
Students who have earned a score of 3, 4, or 5 on certain college board advanced placement examinations, may receive credit toward an associate degree, and some examinations may be used in lieu of specific course requirements. An official copy of test score(s) must be sent to the Admissions and Records Office and a request made for this examination credit to be posted to the student record. Associate degree requirements may be met through AP exams. The number of units awarded for each exam are as follows:
ACADEMIC REQUIREMENTS AND POLICIES

Area I-A. English composition
With a score of 3 or higher on either the English Language and Composition or the English Literature and Composition exam, the “course requirement” will be met.

Area I-B. Communication and analytical thinking
With a score of 3, 4, or 5 on either the Calculus AB or BC exam or Statistics, the “course requirement” will be met.

Area I-C. Mathematics proficiency
With a score of 3, 4, or 5 on either the Mathematics AB or BC exam or Statistics, the proficiency requirement will be met.

Area II. Natural sciences
With a score of 3, 4, or 5 on the Biology or Chemistry or Physics B or Physics C exams, the “course requirement” will be met.

Units awarded toward a DVC associate degree:
Biology: Score of 3, 4, or 5 (3 units)
Chemistry: Score of 3, 4 or 5 (5 units)
English Language and Composition: Score of 3 or 4, (3 units); score of 5 (6 units).
English Literature and Composition: Score of 3 or 4, (3 units); score of 5 (6 units).
Mathematics AB: Score of 3, 4, or 5 (4 units)
Mathematics BC: Score of 3, 4, or 5 (8 units)
Physics B: Score of 3, 4, or 5 (3 units)
Physics C: Score of 3, 4, or 5 (3 units)
Statistics: Score of 3, 4 or 5 (4 units)

Advanced placement - for transfer requirements
Each four-year college or university determines the amount of credit that will be given for AP examinations and how that credit may be used. Students planning to transfer should consult the catalog of the college to which they plan to transfer for information on how these examinations can be used to meet admission, general education, and major requirements.

For students planning to transfer to a University of California or California State University campus, refer to the “CSU G.E.” and “IGETC” student handouts for use of AP exam credit towards meeting these general education requirements.

2. CLEP
Students may petition the Admissions and Records Office for six units of ungraded elective credit for each general examination including: humanities, mathematics, natural science, and social science-history passed with a score of 500 or better in the college level examination program (CLEP) taken before 2001. The mathematics CLEP exam may also be used to satisfy the mathematics competency requirement of the associate degree. CLEP subject examinations in dental auxiliary education are available in selected areas. Students may also petition for a course substitute of appropriate associate degree general education requirements; these petitions must be approved by a faculty committee.

For students planning to transfer to a California State University campus, refer to the CSU G.E. student handout for use of CLEP credit towards meeting general education requirements.

To take the CLEP, students must contact the Educational Testing Service in Princeton, N.J., and ask for a bulletin of test dates and locations. Since use of CLEP is limited, students should consult with a counselor before pursuing this option.

Note: Credit is not granted in the same field for both the AP and CLEP exams.

3. Credit by exam
Students may earn credit through examinations available through DVC academic departments. These examinations are usually more comprehensive than the typical final examination for a course, and they may be prepared by national organizations.

To take these examinations students must submit a “Petition for Credit by Examination” form, available at the division offices, to the department chair at least six weeks before the end of a fall or spring term. The department chair approves or denies the petition within five days and returns the form to the student. The student submits the form and pays the course fee to the Admissions and Records Office. They will forward the form to the department chair. Arrangements for administration of the examination will be made by department faculty. The examination itself may take any appropriate form such as written, oral, portfolio, demonstration, or a combination of methods.
In addition:

- The student should not already have taken the course or attempted an examination in the course, whether at DVC or elsewhere.
- A maximum of 12 units toward an associate degree or six units toward a certificate may be earned by courses for which credit has been earned by examination.
- Credits earned by examination cannot be used to satisfy the 12-unit residence requirement for the associate degree.
- The student’s academic record shall be clearly annotated to reflect that credit was earned by examination.
- A student may only petition to take the examination once.
- The course must not be a prerequisite for one the student has already taken or is now enrolled in.
- The student will be charged a fee for the examination equivalent to the enrollment fee for the class.

Grading shall be according to the regular grading system. If a student passes the examination, a grade is recorded on his or her permanent record with the notation “credit by examination”. If a student fails, that failure is recorded on the permanent record and the student is not allowed to take the examination again. Substandard grades may be remediated by enrolling in the course. The petition form is retained in the student’s permanent file.

The following courses have been approved by the departments for credit by examination:

- Administration of Justice - ADJUS 120, 121, 122, 130, 222, 230, 260
- Architecture - ARCHI 119, 126
- Art Digital Media - ARTDM 110
- Business Accounting - BUSAC 181
- Computer Science - COMSC 110
- Construction - CONST 135
- Culinary Arts - CULN 105, 153
- Education - EDUC 120
- Engineering - ENGIN 119, 126
- Music - MUSIC 122, 123

4. Military service credit

Veterans may apply for evaluation of military service for credit through the Admissions and Records Office. Credit may be granted toward an associate degree for the following training and examinations:

- Six units of elective credit for the completion of basic training and one year or more of active duty in the military service upon submission of DD-214 (separation papers) with a discharge other than dishonorable, to the Admissions and Records Office.
- Three of the six elective units may be applied towards the fulfillment of CSU General Education breadth requirement “E. Lifelong Understanding a Self Development.”
- Students may earn units for training taken in armed service school. Units are determined by the “Guide to the Experiences in the Armed Services”, published by the American Council of Education.

ROTC

All DVC students interested in becoming commissioned officers in the United States Air Force, Army, or Navy may register for lower-division military science courses at UC Berkeley and have these credits applied toward a DVC’s associate degree. Credit is granted initially through UC Extension, but will be applied toward an associate degree at DVC when a transcript is received. Interested Students should call UC Berkeley for more information.

Attendance policy

Students are expected to attend all class meetings, regardless of whether the instructor takes attendance. The instructor may drop students who miss more than the equivalent of two weeks of a term-length course. Students must contact the instructor to inform him or her of an absence. The college does not relay such messages.

Attendance at the first class meeting

If a student wishes to secure a place in class, he or she must attend the first class meeting. The instructor may drop students who do not attend the first class meeting, thereby opening a space for students wishing to add the class. If students do not attend the first class meeting, it is still their responsibility to officially drop the class.

Field trips

If participating in a class field trip or other college sponsored activity causes a student to miss other classes, the student will not be penalized for the absence. Students must be allowed to make up any class work or point earning opportunities that they have missed (including exams, quizzes, and participation points) provided they have notified their instructor a minimum of two weeks in advance of their impending absence (or as soon as possible if there are extenuating circumstances such as post-season intercollegiate competition or rain make-ups, or field trips within the first two weeks of the term).
Leave of absence
Students who need to take a leave of absence during the term may obtain the request form from the DVC website at: www.dvc.edu/studentleave and then receive written approval from each of their instructors. Then the student must discuss the petition with a counselor and obtain their signature, as well as the signature of the vice president of student services. A leave of absence is limited to 10 instructional days. Instructors may drop students who have been absent for more than the equivalent of two weeks of instruction without an approved leave of absence.

Course substitution policy for students with disabilities for DVC associate degrees or certificates
On occasion students, because of their disabilities, are unable to complete a course required of DVC’s associate degree or certificate programs. Those wishing to apply for a course substitution should review the college’s complete course substitution policy. This policy is available in the Disability Support Services (DSS) Office. To initiate an application, please make a counseling appointment with a DSS counselor by calling 925-685-1230, ext. 2276/2278.

Grading
Grade policy
The assignment of grades is the exclusive responsibility of the individual instructor. Our grading policies are based on our faculty’s philosophy, California Administration Code, Title 5 (Sec. 51300-51325), and the Contra Costa Community College District Board Policy 4001.

We use the following evaluative grades and non-evaluative symbols:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade points per unit</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
</tr>
<tr>
<td>C</td>
<td>Satisfactory</td>
</tr>
<tr>
<td>D</td>
<td>Passing, less satisfactory</td>
</tr>
<tr>
<td>F</td>
<td>Failing</td>
</tr>
</tbody>
</table>

The following grade symbols are not considered in calculations of cumulative grade point averages, but the “W”, “I,” and “NP” grades are considered in determinations of progress probation and dismissal:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade points per unit</th>
</tr>
</thead>
<tbody>
<tr>
<td>I</td>
<td>Incomplete</td>
</tr>
<tr>
<td>P</td>
<td>Pass</td>
</tr>
<tr>
<td>NP</td>
<td>No Pass</td>
</tr>
</tbody>
</table>

An “I” followed by a grade of B, C, D, F, or N is an incomplete grade that has not yet expired. The grade that follows will be issued if the incomplete is not made up or the incomplete contract expires.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade points per unit</th>
</tr>
</thead>
<tbody>
<tr>
<td>W</td>
<td>Withdrawal</td>
</tr>
<tr>
<td>IP</td>
<td>In Progress</td>
</tr>
<tr>
<td>RD</td>
<td>Report Delayed</td>
</tr>
</tbody>
</table>

The following are non-evaluative symbols:

- W - Withdrawal (Assigned to students who withdraw from a class within the allowed time.)
- IP - In Progress (Indicates the course was in progress beyond the end of the term.)
- RD - Report Delayed (Indicates delay in reporting grade.)

Grades earned on non degree applicable courses are not included in the degree applicable grade point average.

Academic honors
Students who have completed at least 12 letter-graded units during the term and earned a grade point average of at least 3.0 will receive honors recognition on their transcripts.

Graduation honors
Graduation honors will appear on a student’s transcript if a 3.5 grade point average in all college work (excluding non degree applicable and upper division courses) is maintained at the end of the semester in which the student has applied to graduate. A student intending to graduate in the spring semester must have a 3.5 grade point average as of February 1 for honors to appear in the ceremony program, but the 3.5 grade point average must be maintained at the end of the semester to have honors appear on the student’s transcript.
Incomplete grades
An incomplete grade must be made up no later than one calendar year following the grade assignment or it will automatically revert to the alternate grade assigned by the instructor. Students who receive an “I” grade can not officially register for the same course in which they received the incomplete. Incompletes will be given only in cases of emergency such as accident, illness, or family emergency. Extensions to the one year deadline may be granted for good cause with instructor approval. The instructor must notify the Admissions and Records Office.

Pass/no pass grades (P/NP)
These grades are not used in the calculation of grade point averages, although the units for P grades are applied toward the 60 required for an associate degree. Four-year colleges often limit the number of P units that they will accept from transfer students. To determine if there are any negative implications to choosing a P/NP grading, students are advised to refer to the policies of the college to which they intend to transfer. P/NP grade option cannot be reversed after 25 percent of the class has passed.

Student choice (SC)
A course labeled “SC” means that before the deadline, students can decide to take the course for a letter grade or for a P/NP grade. Students must complete a form in the Admissions and Records Office to take the course for a P/NP grade. If students do not choose the P/NP option before the deadline, they will be issued a letter grade for the course. It is often best to discuss this choice with a counselor.

Students have until the fourth week of the class (or 25 percent of the term for shorter classes) to decide. After the deadline has passed, the grading choice may not be reversed.

Non credit courses
Non credit courses are open to all students for registration. There are no enrollment fees for non credit courses, but an application for admission is necessary. Non credit courses are not graded and are non degree applicable.

Fairness in grading
During the first week of each class, instructors will give their students a copy of their class syllabus, which will include their grading policies. Students may expect instructors to:

- record the student’s grade for each oral and written test or report that will affect the final grade, notify the student of the grade, and, if necessary, review the results with the student;
- evaluate the student within the first quarter of the class and notify the student of the results of the evaluation;
- count a final examination for no more than half the course grade;
- base final grades on at least three of the student’s tests and/or reports (exception in cases of violations of DVC’s academic dishonesty procedure 4001.04).

Note: Instructors are expected to retain any test or report that is not returned to a student for a period of one academic year. Grade records should be available for a period of three years after grades are awarded. Instructors who are not scheduled to teach should leave their records with their division dean.

Grade corrections
Students who believe that they have received an incorrect grade must initiate a grade correction within one calendar year after they received the grade. To have a grade corrected, students must ask the instructor to correct the grade and have them submit a grade correction form. The instructor has final authority to determine if the student’s grade should be changed.

Note: Except in extenuating circumstances such as serious illness, grade corrections may not be made from “F” to “W.” It is the student’s responsibility to withdraw from a class prior to the drop deadline.

Student appeals for grade changes
DVC is committed to the concept of academic freedom, which guarantees to individual instructors wide latitude in how they structure and conduct their classes. Such matters as the amount of homework, the kind and frequency of testing, the nature of the grading system, the degree of class participation expected, the choice of textbooks, the theoretical perspective, and the emphasized topics are all, within very wide boundaries, at the discretion of the instructor (described in the college catalog under “fairness of grading”).

Difficulties occasionally arise between students and faculty members about grades. Most misunderstandings are resolved amicably and the college urges students to discuss problems directly with faculty members. Because some disagreements cannot be resolved informally, DVC has a procedure for resolution of grade complaints that the student must initiate.

Grounds for grade changes
The most common problems are those concerning the grade assigned for class work. According to state law, a grade assigned by an instructor at the end of a term can be changed only by that instructor, except in cases of mistake, fraud, bad faith or incompetence. (A finding of bad faith should be supported by specific evidence that the instructor harbored ill-will or discriminatory intent, which motivated the instructor to assign to a student a grade lower than the grade the student should have earned based on objective criteria.) This policy does not
apply to challenges of deadlines for pass (P) or no pass (NP). Pass/no pass grades cannot be changed to letter grades once 25 percent of the class has passed.

The informal steps below (1 and 2) may be undertaken at any time; however, a formal complaint must be filed in writing with the vice president of instruction, or designee, no later than one year following the end of the term in which the grade was given. A formal complaint may be filed at any time with the chancellor, who will refer the complainant to his designee, the DVC president. The president will designate the Complaint Review Committee to consider the complaint.

Process
If a clerical or tabulation error has been made, it can be handled through the grade correction process.

The “fairness in grading policy” section (under academic policies) clearly explains the grading guidelines a student can expect. At the beginning of each class, instructors must give students a copy of their grading policies.

If a student believes that a faculty member has deviated from these policies in the evaluation of his/her work, he/she may pursue a complaint under the description of mistake, fraud, bad faith, or incompetence. The student has the option of having a representative present at this and/or subsequent meetings.

1. In the event of a problem over a grade, the student should first meet with the instructor and request an explanation of the grade. If it is uncomfortable for the student to deal with an instructor alone, a person of the student’s choice may accompany him/her. If the instructor agrees to a grade change he/she fills out a grade change report in accordance with grade change correction policy.

2. If the student and the instructor cannot resolve the problem, the next step is for the student to meet with the department chair, who will attempt to mediate the issue. If the department chair is unable to achieve settlement, the next step for the student is to meet with the division dean, who will attempt to mediate the issue. The mediation effort shall include a conference with the division dean, the department chairperson, the student and the faculty employee, if available, and/or individual or combined sequential meetings between the division dean and the department chairperson, the student and the faculty employee, if available. The student may have a representative present in either event. If the issue is not resolved to the satisfaction of the student, the division dean should prepare a written summary of the mediation efforts and forward it to the vice president of instruction for the continuation of the appeal process.

3. If the student is not satisfied with these mediation efforts, he/she may request a formal hearing before a complaint review committee, which is the president’s designee. The student must submit his/her complaint in writing and should include a precise statement of the nature of the complaint (mistake, fraud, bad faith or incompetence), any facts relevant to it, and the student’s perception of a fair resolution. The complaint must be filed with the vice president of instruction, or designee, no later than one year following the end of the term when the grade was given.

The complaint review committee will be composed of three faculty members appointed by the Faculty Senate, one of whom must be from the same division as the faculty member involved in the complaint; two students appointed by the ASDVC; and the vice president of instruction, or designee, who will act as chairperson. (All six shall be voting members.) A tie vote means the complaint is not proven. The results will be referred to the president.

The student may be accompanied by a representative.

a. The committee shall meet within 30 instructional days of receipt of a complaint. If the complaint is filed within four weeks of the end of a term, the meeting may be delayed at the option of either the student, the faculty member involved or the vice president of instruction until the next term. In this event, the committee shall meet within the first four weeks of the new term. If time constraints prevent the meeting at the end of spring term, the meeting shall be held within the first 20 instructional days of the fall term. If this delay would result in hardship for the student or faculty member, they should advise the vice president of instruction and may request the meeting take place at the earliest time the other party(ies) and the vice president are available. In closed hearing, the committee will hear testimony by the student, the faculty member, the division dean who attempted mediation, and any supporting witnesses that either the student or faculty member care to introduce. The burden of proof shall rest with the complainant. Documentation may also be submitted. Summary minutes will be taken; the hearing may be tape recorded, but only with the permission of all participants.

b. Within ten instructional days, the committee, under the direction of the vice president of instruction, or designee, will meet and recommend a resolution based on a majority vote of all six members. A written recommendation will be submitted to the college president within 15 instructional days of such meeting; a minority report, if any, must be noted. Copies of the recommendations will be sent to the student, the faculty member, and all members of the committee.
If the committee does find that fraud, bad faith, or incompetence led to a grading error, the rationale for the decision must be stated in the recommendations, and the committee must recommend a replacement grade to the president.

c. The president will review the committee’s recommendations, then notify the student, the faculty members, the members of the committee, the Faculty Senate president and the vice president of instruction or designee, of the college president’s decision within ten instructional days of its receipt.

4. If the complaint is denied, the student will be notified of his or her right to appeal the decision to the Contra Costa Community College District governing board within 30 calendar days of notification of the decision. If the complaint is upheld, the faculty member will be notified of his/her right to appeal the decision to the Contra Costa Community College District governing board, or designee, within 30 instructional days of notification of the decision. If an instructor fails to appeal a decision of the president sustaining the student’s complaint within 30 instructional days, the president shall order the grade in question to be expunged from the student’s records and enter in its place the grade deemed appropriate by the complaint review committee.

If the decision of the president is appealed and the governing board or designee sustains the student’s complaint within 30 instructional days, the president shall order the grade in question to be expunged from the student’s records and the grade deemed appropriate by the complaint review committee entered in its place.

5. The decision of the governing board or designee is final. All records of such hearings at any level shall be destroyed at the end of one year, unless the student initiates legal proceedings relative to the disputed grade within one year.

If the decision of the governing board or designee is unfavorable to the student, or if the student accepts an unfavorable decision of the complaint review committee, the student shall have the right to submit a written statement of objections to the grade, which shall become a part of the student’s records.

**Steps for resolution of grade complaints:**

1. Meet with instructor for an explanation. If unresolved, then,

2. Request department chair mediation. If unresolved, then,

3. Request division dean mediation. If unresolved, then,

4. Request formal hearing with complaint review committee by submitting a formal written complaint to the office of the vice president of instruction.

   a. Hearing with committee
   b. Committee recommendation to college president
   c. President’s review and decision

5. Student and faculty member have appeal rights.

6. Final decision.

**Improving a grade point average**

**Course repetition**
When students receive a substandard grade ("D," "F," or "NP") for a course, they may enroll in it a second time without being required to request permission. If it becomes necessary for students to attempt a course for the third time, they must request special permission to do so. This request may be made online at www.dvc.edu/petition-to-repeat. Under no circumstances may a student repeat a course more than two times to alleviate a substandard grade (Title 5, section 55042).

If a student repeats the same course one time, the previous grade will not be used in the GPA calculation. Should the student repeat the same course two or more times, only the two previous grades may be disregarded from the GPA calculation. When a course is repeated all grades will appear on the transcript. An "R" notation will appear next to the first grade, (and a second grade if the course is attempted three times) indicating that the course has been repeated.

**Academic renewal without course repetition**
Academic renewal allows students to have up to 24 units of substandard grades ("D," "F," or "NP") excluded (without the student having to repeat the course) from their grade point averages. To be eligible, students must have completed 20 units of satisfactory work ("C" grade or better) that has been completed within the Contra Costa Community College District or any other accredited college or university, since receiving the last substandard grade (the unit count begins the semester after the substandard grade is received). The student must not have received any "D's", "F's" or "NP" since the substandard work (minimum 2.0 since substandard work). Students interested in academic renewal should request a petition from the Admissions and Records Office (Title 5, section 55046) and must have a counselor sign the form before submitting it to the Admissions and Records Office.

Academic renewal may be granted one time within the Contra Costa Community College District.
Instructors’ rights policy
If a student is disrupting class, the instructor may have him or her removed, and the instructor may also remove that student from the next class meeting. For more information about removal, see the “student code of conduct” section.

The instructor must give permission before a student can use a tape recorder in class.

Instructors have the exclusive responsibility for assigning grades. For more information, see the “grade policy” section of the catalog.

Instructors’ withdrawal option
Students who miss the first meeting of a class may be dropped by the instructor. Any student who is absent the equivalent of two weeks of a term-length class without an acceptable excuse may also be dropped by the instructor. In these cases the student may be able to re-enter the class if the instructor agrees and signs a Instructor Reinstate Form, reinstating the student. This decision is entirely up to the instructor.

Note: There is no automatic withdrawal process, and students may receive an “F” grade for the course if they do not officially drop the class prior to the deadline. An “F” grade may not be changed to a “W” grade except in the case of documented extenuating circumstances such as serious illness, or military deployment.

Probation and dismissal policy

Academic probation
We expect our students to make steady progress toward their educational goals by maintaining a “C” average or higher in their courses. If a student’s cumulative record shows that he or she has completed at least 12 letter-graded units, that student must maintain a grade point average of at least 2.0, or be placed on academic probation. Students on stage one probation will be mailed information encouraging them to view the short probation video in the Media Center and schedule a meeting with a counselor. Students on stage two probation will be blocked from enrollment in future semesters until they have either arranged a meeting with a counselor to develop a plan for improvement or reviewed the information on the DVC website at www.dvc.edu/org/info/policies/probation-dismissal.htm and passed a short quiz.

Progress probation
We expect our students to complete courses once they register for them. If a student’s cumulative record shows that he or she has enrolled in at least 12 units, that student must successfully complete more than 50 percent of all those units, or else be placed on progress probation. We place students on progress probation if the number of units given a “W,” “I,” or “NP” on the student’s transcript amounts to at least 50 percent of the units attempted (this includes letter grades and units assigned the symbols “W,” “I,” “P,” “NP,” “IP,” or “RD”). Students on stage one probation will be encouraged to view the short probation video in the Media Center and schedule a meeting with a counselor. Students on stage two probation will be mailed information addressing additional requirements.

Progress dismissal
Students are subject to progress dismissal if, after they have been on progress probation for two consecutive terms, they do not complete more than half of the units attempted in the current term. When students complete more than half of their cumulative attempted units, they are removed from probation. Students on dismissal status are prohibited from attending DVC for two consecutive terms.

Appeals and readmission
Students who are placed on probation or dismissal are notified in writing. The notification includes the process for appealing the dismissal to the dean of student life or SRC senior academic/student services manager. Dismissed students who wish to appeal their dismissal status must watch a brief video (located in the Media Center or the Learning Commons at the San Ramon Campus) explaining the probation process and file a “request for reinstatement” form with the dean of student life. Extenuating circumstances that would allow students to successfully appeal dismissal might include, but are not limited to, health problems, family emergency or extreme change in financial situation.

Academic dismissal
Students are subject to academic dismissal if, after they have been on academic probation for two consecutive terms, their grade point average in the most recent term is not 2.0 or higher. When their overall grade point average rises to 2.0 or higher, students are removed from academic probation. Students on stage two probation will be blocked from
STUDENT RIGHTS AND RESPONSIBILITIES

Academic integrity policy
Diablo Valley College is committed to creating an environment where student achievement is championed and celebrated. Because the college values academic integrity as an essential component of academic excellence, students are expected to be truthful and ethical in their academic work. Commitment to academic integrity is the responsibility of every student and faculty member at Diablo Valley College.

Faculty and students come from a variety of backgrounds and cultures, giving rise to different understandings of moral and ethical behavior. Faculty should clearly state well-defined standards to reduce uncertainty and clarify expectations.

Academic dishonesty is defined as: an act of deception in which a student claims credit for the work or effort of another person or uses unauthorized materials or fabricated information in any academic work. Academic dishonesty is a violation of the DVC ‘Student Code of Conduct’ and will not be tolerated. Academic dishonesty diminishes the quality of scholarship at Diablo Valley College and hurts the majority of students who conduct themselves honestly.

Acts of academic dishonesty include, but are not limited to, the following:

Cheating - unauthorized copying or collaboration on a test or assignment, or the use or attempted use of unauthorized materials;

Tampering - altering or interfering with evaluation instruments and documents including transcripts;

Fabrication - falsifying experimental data or results, inventing research or laboratory data or results for work not done, or falsely claiming sources not used; or falsifying participation in a class in any way;

Plagiarism - representing someone else's words, ideas, artistry, or data as one's own, including copying another person's work (including published and unpublished material, and material from the Internet) without appropriate referencing, presenting someone else's opinions and theories as one's own, or working jointly on a project, then submitting it as one's own;

Assisting - assisting another student in an act of academic dishonesty, such as taking a test or doing an assignment for someone else, changing someone's grades or academic records, or inappropriately distributing exams to other students.

Freedom of expression policy
It is the policy of the district and DVC to allow and protect reasonable and legal expressions, speeches and actions according to federal and state laws and Education Code section 76120. Students have the right to exercise free expression, including the use of bulletin boards, the distribution of printed materials and the wearing of buttons, badges or other insignia. The policy excludes expression that is obscene, libelous or slanderous according to current legal standards or that incites students to create a clear and present danger or to commit unlawful acts on community college premises or damage to persons or property. Inciting students to riot, or the violation of lawful community college regulations or the substantial disruption of the orderly operation of the community college, is also prohibited. Copies of the district and college policies are available at the Student Life Office.

Instructional material policy
Students enrolled in credit or non-credit courses and programs may be required to provide certain instructional and other materials including, but not limited to textbooks, tools, equipment and clothing. A “materials fee” may be charged if the instructional and other materials are used in the production of an 'end product' that has continuing value to the student outside the classroom setting. Excerpted from Board policy 5017.

Matriculation rights and responsibilities

Student rights
The student has the right to the following matriculation services: admissions, assessment, orientation, advisement/counseling, and follow-up services (when needed).

Diablo Valley College students are guaranteed the following rights under the State of California Matriculation Regulations:

1. Assessment: Students are allowed to submit scores from assessment tests taken at another California community college within the last two years in lieu of taking the assessment at DVC, if the assessment instrument is state-approved and correlation with DVC courses can be established. Title 5 Section 55530(c).

2. Prerequisites: A student may challenge a required course prerequisite. (Please refer to the “prerequisites” section.)

3. Complaints: A student may file a complaint if he or she believes DVC has failed to make a good faith effort to develop an educational plan or provide specified services once the student has declared a specific educational goal. Title 5 Section 55525(d).
STUDENT RIGHTS AND RESPONSIBILITIES

Student responsibilities
As part of the State of California Title 5 Matriculation Regulations, Section 55530 (d), all students are expected to participate in the matriculation process unless they are exempt (see “exemption” below) or waive the right to participate (see “waiver, appeal, and complaint procedures” below). Through the matriculation process at Diablo Valley College, students agree to the following responsibilities:

• to express at least a broad educational intent at the time of registration and state a specific educational goal upon completion of 12 units of course work;
• to complete a first-semester individual educational plan with the assistance of a counselor prior to registering for courses. This is usually done in the orientation and advising class (Counseling 095) for new students;
• to attend and complete courses: all students are expected to attend their classes regularly, complete assigned course work on time and complete their courses each semester. Students are expected to maintain regular progress toward their educational goal;
• to seek counseling at least once per semester and as needed to review, update, and expand their educational plans and goals. It is particularly important for the following students to seek counseling:
  • students on academic or progress probation
  • students enrolled in developmental courses.
    (generally achieved through counselor visits to such classes during the term or can be achieved in consultation with the instructor or instructor advisor in the department);
  • students who have not declared an educational goal. Such students are sent a letter explaining options available in identifying and updating their educational goal.

Exemption
Some students may choose to be exempted from assessment, orientation or counseling. Typically students seeking an exemption from matriculation services meet one of the following criteria:

• the student has earned an associate degree or higher;
• the student is enrolled in a job-related course;
• the student has one of the following educational goals: to learn or update job skills, to maintain certificate or license, or to pursue a special personal interest;
• the student is enrolled in six units or less.

Waiver, appeal, and complaint procedures
Students who wish to request waivers or file appeals or complaints on the basis of their Title 5 Matriculation Rights must follow the sequence of the steps outlined. (Students filing other types of complaints or alleging discriminatory practices should follow the procedures listed in the Student Code of Conduct and Student Disciplinary and Due Process Procedures.)

1. Initial review of waiver, appeal, or complaint
   a. The student should contact the office of the dean of outreach, enrollment and matriculation and complete an “appeal or request for waiver” form or file a complaint regarding matriculation rights.
   b. The dean or designee may contact the student and schedule a meeting to discuss the problem and/or inform the student of the decision.
   c. In the event that the appeal or request for waiver is not granted, the student will be advised of his/her rights to further appeal and the correct procedures to follow.

2. Appeal to the vice president of student services or designee.
   a. If the initial appeal or request for waiver is not granted and the student does not accept this decision, the student may submit the initial form to the vice president of student services for further review.
   b. The vice president of student services or designee will review the appeal and may meet with the student if deemed necessary.
   c. The vice president of student services or designee will inform the student of the decision concerning the appeal or request for waiver.

Sexual harassment policy
It is the policy of the college to provide a work and study environment free from sexual harassment. The campus community should be aware that the college will not tolerate any conduct that constitutes sexual harassment and will take measures to ensure compliance with all applicable federal and state regulations. Formal complaints may be filed with the district, using the district unlawful discrimination form.

Sexual harassment refers to sexually oriented verbal or nonverbal behavior that is not welcome, that is personally offensive, that debilitates morale, and that therefore interferes with the behavioral effectiveness of members of the campus community. Sexual harassment is discriminatory and unlawful.

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of

IV. Types of disciplinary action

The following discipline may be imposed, individually or in various combinations, on any student found to have violated the Student Code of Conduct.

Warning:
A warning is a written or oral notice to the student that continuation or repetition of certain conduct may result in further disciplinary action.

Restitution:
Restitution is reimbursement by the student for damage to, loss of or misappropriation of property. Reimbursement may take the form of appropriate service by the student to repair property or otherwise compensate for damage.

Projects and assignments:
Projects and assignments may include educational projects, service to the college, and other related discretionary assignments.

Disciplinary probation:
Probation is a status imposed for a specific period of time in which a student must demonstrate his or her conduct conforms to district standards of conduct as set forth in these regulations. Conditions may be imposed at the discretion of the district or the president's designee. Misconduct during the probationary period or violation of any conditions of the probation may result in more serious disciplinary action, such as loss of privileges, suspension, or expulsion.

Loss of privileges:
Loss of privileges is the denial of extra-curricular activities or other special privileges for a designated period of time. Violation of any conditions or campus regulations during the period of sanction may result in far more serious disciplinary action, such as suspension or expulsion.

Removal:
Removal of a student from class by an instructor or with the assistance of police services, if necessary.

Suspension:
Suspension is a separation from the district for a designated period of time after which the student will be eligible to return. A suspension may consist of:

a. a period of time from one or more classes for a period up to ten (10) days of instruction;

A student who is expelled is prohibited from participating in any college activities or programs and from entering district premises.

Revocation of degree or certification:
A degree or certificate awarded from the college may be revoked for fraud, misrepresentation, or other violation of college standards in obtaining a degree or certification, or for other serious violations committed by a student prior to graduation.

V. Reciprocity of sanctions
During a period of suspension or expulsion, a student shall not be enrolled in any other college within the district. Disciplinary actions or sanctions shall apply to the student at all district colleges.

VI. Conduct related to college
After a hearing, the president's designee may impose an immediate suspension on a student when such action is required in order to protect property, safety, and to ensure the maintenance of order on the campus or at a campus function.
No student may be removed, suspended, or expelled unless the conduct for which the student is disciplined is related to college activity or college attendance.

VII. Record of disciplinary action

In accordance with Education Code section 76220, community college districts shall establish, maintain and destroy student records according to regulations adopted by the Board of Governors of the California Community Colleges. The president’s designee will create a record of disciplinary actions, along with relevant supporting documents and evidence. Consistent with the Family Educational Rights and Privacy Act and District Student Services Procedure 3009, this record shall be maintained as a confidential student education record and may not be released without the permission of the student, except as permitted by law and policy. The student shall have a right to inspect the record and to challenge the contents. Disciplinary records shall be retained in a manner consistent with state law, and will be destroyed following the third college year after the college year in which it originated.

In accordance with Education Code section 76234, whenever there is included in any student record information concerning any disciplinary action taken by the college or district in connection with any alleged sexual assault or physical abuse or any conduct that threatens the health and safety of the alleged victim, the alleged victim of the sexual assault or physical abuse shall be informed within three (3) days of the results of any disciplinary action by the college and the results of any appeal.

VIII. Removal by instructor

A. Procedures before the removal

1. The instructor shall notify the student of the instructor’s consideration of the removal from class and the reasons for the proposed removal.
2. The instructor may remove the student from the classroom immediately. Under normal conditions, the instructor should permit the student an opportunity to present a rebuttal to the accusation or otherwise offer relevant comment on the proposed removal. There need be no delay between the time notice is given to the student and the time of such a review.
3. The instructor shall decide whether or not to proceed with the proposed removal after hearing the student’s explanation and considering all of the information relative to the issue. There need be no delay between the time notice is given to the student and the removal.
4. The decision may be given to the student either orally or in writing.

5. The instructor’s decision is final and may not be appealed.

B. Procedures after the removal

1. Immediately following the removal, the instructor must notify the college president or president’s designee of the removal.
2. If the student removed is a minor, the college president or president’s designee shall ask the parent or guardian of the student to attend a parent conference regarding the removal as soon as possible. If the instructor or the parent or guardian so requests, a college administrator shall attend the conference.
3. The instructor may request that the student meet with the college president or president’s designee, within three (3) days of removal, prior to returning to class.
4. During the period of removal, the student shall not be returned to the class without the concurrence of the instructor.

IX. Preliminary procedures for suspension by president’s designee

The following procedures shall be taken before suspension except in the event that an emergency/interim suspension is made as set forth in Section XIV.

A. Administration. The president’s designee shall administer these procedures and take appropriate action, subject to the approval of the college president and the governing board if required herein or otherwise by law.

B. Disciplinary action that may be imposed. The president’s designee may suspend or impose a lesser sanction on a student. A suspension may consist of a period of time as follows:

1. from one or more classes for a period up to ten (10) days of instruction;
2. from one or more classes for the remainder of the school term;
3. from all classes and activities of the college for one or more terms. A suspension shall not exceed three (3) years.

C. Reporting of conduct. Alleged student misconduct shall be reported to the president’s designee. The president’s designee shall be the vice president of instruction or the senior dean of student services at Contra Costa College; the dean of student life at Diablo Valley College; and the senior dean of student services at Los Medanos College. Other officials may be designated as the president’s designee, whenever necessary for the efficient operation of the district.

D. Investigation. Upon receiving a report of alleged student misconduct, the president’s designee shall initiate an investigation.
E. Notice. Before imposing discipline, the president’s designee shall give or make reasonable efforts to give the student oral or written notice of the reason for the proposed disciplinary action. If the student is a minor, the president’s designee shall also notify the parent or guardian of the investigation and charges.

F. Preliminary hearing. Within a reasonable period of time (normally within five (5) days following the delivery to the student of the notice referred to above), the president’s designee shall offer the student an opportunity to attend a meeting (“preliminary hearing”) at which time the student may present a rebuttal to the accusation or otherwise offer relevant comment on the proposed discipline. There need be no delay between the time of the notice given to the student and the time of the meeting. If the student fails to arrange a preliminary hearing (or if he/she fails to appear for a preliminary hearing he/she has arranged), the decision of the president’s designee will be final and not subject to a further appeal hearing.

G. Determination after preliminary hearing. Based on the evidence presented, the president’s designee shall decide whether or not to proceed with the proposed suspension and/or to recommend expulsion after hearing the student’s explanation and considering all of the information. If the decision is to suspend for up to five (5) days, the president’s designee may inform the student of the decision and send a written confirmation to the student’s last known address within five (5) working days. The confirmation shall include a statement that the decision to impose a suspension for five (5) days or less, or a lesser sanction, is not appealable. If the decision is to suspend for more than five (5) school days or to recommend expulsion, the president’s designee shall send the student a written notice via personal delivery or certified mail to the student’s last known address as set forth below.

H. Notice to the college president. The president’s designee shall report any disciplinary action imposed to the college president.

I. Notification after a suspension of more than five (5) days. If the president’s designee imposes a suspension of more than five (5) days, the president’s designee shall promptly send the student a letter of notification that is hand delivered or sent via certified mail to the student’s last known address. The notification shall include:

1. a statement of the charges, the reason for the suspension or recommended expulsion offer, and a description of facts related to the misconduct, including the evidence against the student, the date of the incident(s), time of the incident(s), and location of the offense(s);
2. a copy of the Student Code of Conduct;
3. an explanation that a student who has been suspended for more than five (5) days is entitled to appeal the decision and has a right to a further hearing (“appeal hearing”). The notification shall also state that a request for an appeal hearing shall be filed within five (5) days of the service or mailing of the notification, whichever is earlier. The written request for an appeal hearing must be submitted to the president’s designee, and must cite the specific ground(s) for the appeal (from those listed below), and provides information which substantiates the ground(s) on which the appeal is being made;

4. Grounds for appeal - A student may appeal the decision of the president’s designee on grounds that:
   a. Fair consideration was not provided to the student, (i.e., there is evidence that some aspect of the hearing was prejudicial, arbitrary, or capricious).
   b. New and significant information, not reasonably available at the time of the initial hearing, has become available.
   c. The sanction or remedy imposed is not in due proportion to the nature and seriousness of the offense. Any evidence supporting these grounds must be included in the request for an appeal hearing

5. a statement that the student has the right to be accompanied at an “appeal hearing” by an on-campus advisor of his or her choice. If the student decides to be accompanied by an advisor, the name and address of that advisor must be submitted to the president’s designee at the time the appeal is filed;

6. the president’s designee may note that he or she will also recommend expulsion;

7. the notification shall include the date, time, and location of an appeal hearing if requested by the student.

J. Student right to appeal a suspension of more than five (5) days. The student may accept a suspension in excess of five (5) days without admitting the conduct charged. In such a case, the decision of the president’s designee will be final and not subject to a further appeal hearing. Should the student not accept a suspension in excess of five (5) days, the student has a right to appeal. A suspension appeal must be filed by the student no later than five (5) business days from the date the notification letter is personally served or mailed.

K. Schedule of hearing. The president’s designee shall schedule an appeal hearing no later than ten (10) working days from the date the suspension.

X. Hearing authority for appeal hearing

A. The college president will assign either an administrative hearing officer or may utilize a student discipline committee (“committee”) to conduct appeal hearings at the college (“hearing authority”).

B. An administrative hearing officer shall be a college official.
XI. Appeal hearing procedures

A. The president’s designee shall submit to the hearing authority: a description of the charges, notices, evidence, and a copy of the proposed decision. The president’s designee shall present relevant evidence regarding the alleged misconduct. The accused student may then present any relevant evidence. Each party may call, examine, and cross-examine witnesses. Written statements, if any, shall be submitted under penalty of perjury. The hearing authority may also question witnesses. Opening and closing statements shall be limited to five (5) minutes. The president’s designee shall speak first, followed by the student.

B. The hearing authority shall rule on all questions of procedure and admission of evidence.

C. Hearings need not be conducted in accordance with strict rules of evidence or formality of a court hearing.

D. The hearing authority shall consider no evidence other than that evidence received at the hearing. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in itself, to support a finding.

E. A student may be accompanied by an advisor of his or her choosing, at the student’s request. The role of the advisor is passive in this procedure. The advisor may be present at the hearing and may counsel the student. The advisor may not address the hearing authority and shall not be permitted to participate in any way during the hearing except to offer counsel to the student. If the student decides to be accompanied by an attorney, the name and address of that attorney must be submitted to the president’s designee at the time the request for hearing is filed.

F. The appeal hearing shall be closed to protect the privacy and confidentially of everyone involved unless the student and district agree in writing to have a public hearing at least five (5) days in advance of the hearing. A closed hearing will be closed to everyone except the following:

1. the student charged;
2. the hearing authority;
3. an advisor for the student charged, if so desired;
4. the president’s designee;
5. a witness, while presenting evidence;
6. an on-campus advisor for a witness while presenting evidence.

G. An official audiotape recording of the hearing shall be kept. The record shall be the property of the district. The student charged may listen to the tape at a mutually agreeable location at the college. An accused student may, upon request, be provided a copy at his or her own expense.

XII. Hearing authority’s consideration and recommendation

Following presentation of the evidence, the hearing authority shall privately consider the evidence with all persons excluded. The hearing authority shall send a written report to the college president within five (5) working days of the termination of the hearing. The report shall contain the following information:

A. a summary of factual findings and a determination that the accused student did or did not commit the act(s) charged;
B. a finding that the student’s act(s) did or did not constitute a violation of the Student Code of Conduct;
C. a recommendation for upholding or modifying the proposed discipline. The hearing authority may also recommend further investigation.

XIII. College president’s decision

A. The college president shall reach a decision after reviewing the report submitted by the hearing authority. The college president may refer the matter back to the committee or hearing officer for further clarification on details of the case, such as evidence and findings of fact. The college president may uphold the suspension, uphold the recommendation by the hearing authority, or adopt a lesser sanction, if appropriate. A written statement of the decision shall be sent via certified or registered mail to the student’s last known address within three (3) working days of the college president’s receiving the hearing authority’s recommendation.

B. The decision of the college president to suspend or impose a lesser sanction shall be final and not subject to further appeal.
C. The college president shall report a disciplinary suspension of any student to the governing board at its next regular meeting after the suspension has been imposed. A copy of the suspension determination, including the reasons for the suspension, shall be placed in the student’s permanent disciplinary record (not the transcript).

D. If the college president determines that a student should be expelled, he or she will forward that recommendation through the chancellor, to the district governing board for determination.

E. In the event that a college president is or will be unavailable for the making of a prompt decision, the college president may appoint an unbiased designee to act on the appeal.

XIV. Emergency interim suspension

A. An emergency/summary suspension is an immediate suspension imposed upon a student for good cause. (Ed. Code § 66017)

B. Notwithstanding the foregoing, the college president or the president’s designee may impose an emergency/summary suspension. It is an extraordinary measure and shall be utilized when necessary to protect lives or property and to ensure the maintenance of order pending a hearing.

C. A preliminary hearing shall be provided within ten (10) calendar days of an emergency/summary suspension. (Ed. Code § 66017) The procedures set forth in Sections IX and X shall apply to the preliminary hearing and any appeal hearing.

D. An emergency/summary suspension shall be reported to the district governing board at its next regular meeting after such suspension has been imposed. A copy of the suspension may be placed in the student’s permanent record at the discretion of the college president.

XV. Notification

The college president or president’s designee shall, upon suspension or expulsion of any student, notify the appropriate law enforcement authorities of the county or city in which the school is situated of any acts of the student that may be in violation of section 245 of the Penal Code. (Ed. Code § 76035.)

XVI. Extensions of time

Calendar restraints may be extended with the agreement of both parties.

XVII. Expulsion

The district governing board has the sole authority to expel a student. If the college president determines that a student should be expelled, he or she shall send the recommendation through the chancellor to the district governing board.

A. Within 30 instructional days of the receipt of the recommendation from the college president, and with the agreement of the chancellor, the district governing board shall conduct an appeal hearing in closed session with the accused student and the college president (or president’s designee).

1. The hearing shall be closed to protect the privacy and confidentially of everyone involved, unless
   a. the accused student requests an open hearing, in writing, within 48 hours of being notified of the hearing, and
   b. it is determined that holding the hearing in open session would not lead to the giving out of information concerning students which would be in violation of state or federal law regarding the privacy of student records.

2. A closed hearing will be closed to everyone except the following:
   a. the student charged;
   b. an advisor/advocate for the student charged, if so desired. If the student chooses to be accompanied by an attorney, the student must notify the district in writing of his/her intent to bring an attorney at least five (5) business days prior to the hearing. Failure to notify the district will result in a waiver of the right to be accompanied by an attorney, or a one month postponement of the hearing;
   c. the college president and/or president’s designee;
   d. the district governing board;
   e. the chancellor and/or district legal advisor;
   f. the student’s parent(s) or guardian, if the student is a minor;

B. The accused student shall be notified in writing of the date and time of the hearing, and shall be provided with a copy of this policy. The notice shall be mailed via certified or registered mail, or served personally, if the student is a minor.

C. The hearing shall be conducted in accordance with the following procedures:

1. The president of the district governing board will serve as chair of the hearing, and will rule on all questions of procedure and admission of evidence.

2. Hearings need not be conducted in accordance with strict rules of evidence or formality of a court hearing.

3. Before commencement of the hearing, the district governing board shall review a description of the charges, notices, evidence, findings, and a copy of the proposed decision from the college-level disciplinary appeal hearing. The district governing board shall consider no evidence other than that evidence received in the hearing process.

4. The college president (or the president’s designee) shall make a brief statement to the district governing board, referring to relevant evidence regarding the alleged misconduct.
5. The accused student may then make a brief statement to the district governing board and present any relevant evidence.
6. The statements shall be limited to five (5) minutes.
7. Upon completion of these statements, the district governing board will have an opportunity to ask questions of both the student and the college president (or president’s designee).
8. The district governing board will conclude the hearing, dismiss the parties, and privately deliberate as to a decision.
9. The district governing board shall issue a statement of decision including findings of fact and a determination that the accused student did or did not commit the act(s) charged, a finding that the student’s act(s) did or did not constitute a violation of the Student Code of Conduct, and a decision as to whether the expulsion proposed by the president would be upheld or modified. The district governing board may also recommend further investigation. Pursuant to Education Code section 72122, regardless of whether the matter is heard in open or closed session, the final action of the district governing board shall be taken in open session, and the result of that action shall be a public record. The name of the student, however, shall not be released.
10. The Chancellor’s Office will send a written statement of the district governing board’s decision via certified or registered mail to the student’s last known address within three (3) working days of the hearing.
11. If the district governing board’s decision is unfavorable to the student, the student shall have the right to submit a written statement of his/her objections to the decision. This statement shall become a part of the student’s records.
12. The decision of the district governing board is final, and not subject to further appeal.
13. The hearing shall be electronically recorded. The record shall be the property of the district. The student charged may listen to the tape at a mutually agreeable location at the college. An accused student may, upon request, be provided a copy of the recording at his or her own expense.

Student rights and responsibilities
The Family Educational Rights and Privacy Act (FERPA) is designed to protect students from having their records released to persons or institutions without the student’s written consent. FERPA also provides students with the right to review their education records to insure that no inaccurate or otherwise inappropriate information has been included in their file. If the student discovers that there is inaccurate information in their record, they can challenge the content of such record.

Under FERPA, post-secondary educational institutions are not required to provide parents access to the educational records of their children regardless of the student’s age since all rights have been transferred to the student by statute.

FERPA rights extend to both current and former students and are implemented as follows:

- **Review of records**: students may request to review their records by filing a written request with the Admissions and Records Office. Within five working days the education records will be made available for inspection.
- **Directory information**: directory information, as defined by the college, may be released without prior notice to the student unless the student provides a written notice to the Admissions and Records Office that they do not want such information to be released without their consent.

**Student right-to-know and campus security act**

It is the policy of the district to comply with the Student Right-to-Know and Campus Security Act (Public Law 101-542) signed into law November 8, 1990.

The district shall make available the completion or graduation rates of certificate or degree seeking, full-time students entering any of the colleges, to current students, and to each prospective student upon request prior to that student’s enrolling or entering into any financial obligation, beginning July 1, 1993, and annually thereafter.

Students, faculty and staff may obtain information about campus crime and safety issues at www.4cd.edu/crpa/pd/docs/Campus Crime Awareness Report.pdf and www.4cd.edu/crpa/pd/righttoknow.aspx.

**GRIEVANCE AND COMPLAINT PROCEDURES**

**Complaints about staff, managers or faculty**

Individuals who are unable to directly resolve an issue with any classified staff member or manager and wish to complain may contact that employee’s supervisor to notify them of the issue and to seek appropriate resolution.

Individuals who are unable to directly resolve an issue with any faculty member and wish to complain may contact the
appropriate department chair, whose responsibility it is to listen to student inquiries, complaints and grievances about department members and matters. The department chair will investigate and attempt to resolve matters on a department level. If the faculty member is also the department chair, direct the concerns to the academic dean.

Student grievance policy (non-instructional)
The Diablo Valley College staff is dedicated to serving particular educational needs, which can be appropriately met by a college functioning in accordance with the broad purposes and regulations set forth in the education code of California. Accordingly, any student who believes there has been a violation of the regulations as stated in Title IX of the Education Act of 1972 or Section 504 of the Rehabilitation Act of 1973 may initiate a grievance (see “equal opportunity policy and grievance procedures”). For further information, contact the vice president of student services.

GENERAL COLLEGE POLICIES

DVC is “a drug-free” campus
The DVC Student Code of Conduct prohibits the possession, consumption, sale, distribution or delivery of any alcoholic beverage in college buildings or on college grounds, or at college-sponsored or supervised activities, regardless of their location, unless authorized by college officials. The code also prohibits the use, sale, distribution, or possession on campus of, or presence on campus under the influence of, any controlled substances, as listed in Schedules I through IV of Section 202 of the Controlled Substances Act (21 U.S.C. Section 812) on district property or at any district-sponsored event. This includes student participation in field trips, athletic competition and/or any activity sponsored by the college. Any violations will be cause for disciplinary action up to and including expulsion. For additional information about the health risks associated with the use of illicit drugs and the abuse of alcohol, and the applicable legal sanctions under local, state or federal law, please visit: www.dvc.edu/policies/alcohol-drugs. Any student who needs information about substance abuse may consult a campus counselor, or the dean of student life who can provide the student with information about available treatment resources.

Parking policy
All parking requires a parking decal or a daily permit, which must be displayed on the student’s vehicle. Parking permits are required 6 a.m. Monday through 5 p.m. Friday. Students may park only in student parking lots. Parking is available on a first-come, first-served basis, and having a permit does not guarantee that a student will find a parking space. Separate summer permits are also required. Parking permits are not required at the San Ramon Campus. For more information, contact police services, or visit www.4cd.edu/crpa/pd.

Smoking policy
In recognizing the serious health risks associated with smoking, wishing to discourage both students and staff from becoming smokers, and recognizing the rights of non-smokers to a reasonably smoke-free environment, the following policy applies:

At the Pleasant Hill campus, smoking is allowed only in the parking lots. At the San Ramon Campus, smoking is allowed only in the student parking lots. Restrictions at other educational sites are established by those sites and by state and local law.

Adherence to the restrictions relies on the initiative of non-smokers to politely request that smokers comply and on the courtesy of smokers to acknowledge the restrictions and comply. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the Governing Board is a violation of the Student Code of Conduct and is punishable by disciplinary action. State law also prohibits smoking within 20 feet of all doorways and windows. Smoking generally means inhaling, exhaling, burning or carrying any lighted cigar, cigarette or pipe.
