# EASY STEPS TO ENROLL

## Where do I start?

**New students** – never attended college or transfer students with fewer than 12 college credits completed

- Submit an application (*step 1*), and follow all steps.

### Returning students and new transfer students

(with more than 12 college units) begin at step 1.

- Contact the Counseling Center at extension 5110 to make an appointment with a counselor to discuss current educational goals or plans.

### Continuing students

- View registration appointment time online (WebAdvisor) and begin at step 5.

### Concurrently enrolled high school students

- Go to [www.dvc.edu](http://www.dvc.edu) to complete an online application. At the time of registration, submit a Special Admission Recommendation form in person, signed by the high school principal, parent and student. This form is needed each semester. If enrolling in a class with a prerequisite see [page 3](#) for more details.

### High school students in 11<sup>th</sup> or 12<sup>th</sup> grade

Register in person beginning August 3rd for fall.

**High school students below the 11<sup>th</sup> grade** Must obtain the DVC instructor's signature to enroll in a class. Registration begins the first day of the session, after all signatures are completed on the Special Admission Recommendation form and DVC application.

**High school students all grades**– P.E. registration – All high school students, regardless of their grade level, need to enroll after the first class meeting. The instructor's signature is required.

## 1

### Submit an application for admission

All new, transfer and returning students, must submit an application. Go to [www.dvc.edu](http://www.dvc.edu) to complete an online application. Students who attended DVC, in fall 2009, spring 2010, or summer 2010 (continuing students) do not need to submit an application.

## 2

### Take an assessment test

Assessment testing can help to satisfy a prerequisite requirement. To assist in planning your chemistry, math and English classes, participate in the assessment process, which is a two-hour session placement exam that measures current skills in reading, writing and math. This information will help you make decisions for the most appropriate classes to meet your individual educational goals. Assessments are free and offered weekly at SRVC. Check for days and times of assessments at [www.dvc.edu/admissions](http://www.dvc.edu/admissions), or stop by the Student Services Center.

### Attend orientation and advisement counseling

**New students** for fall 2010 who have completed fewer than 12 college units are strongly encouraged to register for Counseling 095 (college orientation) during spring or summer. (see [page 3](#)). Classes meet once or twice for a total of six hours. Students must complete the math and English assessment tests at least seven working days before the Counseling 095 class begins.

**Returning and new transfer students (with more than 12 college units)** should speak with a counselor to discuss their current educational goals or plans. Request your official transcripts from high school and other colleges you've attended to be sent to the Admissions and Records Office. Official transcripts from other schools can take two to six weeks to arrive at DVC. Official transcripts must be on file at least two weeks prior to scheduling a counseling appointment.

## 5

### Register for classes

**Registration appointments are only for online or telephone registration until open/walk-in registration begins on August 2nd.**

Registration appointments can be viewed on WebAdvisor from the DVC website. Contact the Admissions and Records Office if no registration date is listed. Students may use one of the many computers in the the Learning Commons or West Lobby.

Priority registration appointments are automatically assigned to continuing or currently enrolled DVC students (attended classes fall 2009, spring 2010, or summer 2010). Appointment dates and times can be found by logging to WebAdvisor.

Students without a priority registration appointment register according to the calendar of important dates.

Be sure to follow the instructions carefully. If registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment.

### Adding classes before instruction begins

Students who wish to add classes before the class begins, may do so online or by telephone until the midnight before the class begins as long as there is still space available.

### Adding classes after instruction begins

Students who wish to add a class after instruction has started, should first check with the instructor. If space is available, the instructor will give the student a unique four-digit late add code that will permit the student to register on WebAdvisor or by telephone. Late add codes expire at midnight on the deadline date to add the class. In-person registration will require the instructor's signature or late add code on a Schedule Request form and submission by the deadline date.

Assistance using WebAdvisor is available in the Learning Commons.

## 6

### Pay fees

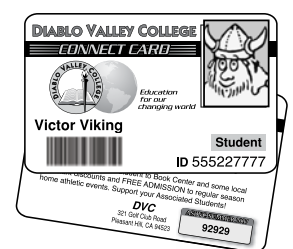

**Payment of registration fees is required at the time of registration.**

Fees can be paid with a credit card on WebAdvisor and when registering by telephone. The Admissions Office will accept payments in cash, by credit card, check, or money order.

## 7

### Obtain student ID card

After registering, take your class schedule with a picture ID to the reception desk in the West Lobby to obtain your "Connect Card." This **FREE** card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker at the student bookstore for a small fee.

## How to find my user ID without a student ID number

1. Go to [www.dvc.edu](http://www.dvc.edu)
2. Click on **WebAdvisor**
3. Click on **Use WebAdvisor Now!**
4. Click on **User ID Help**
5. Click on **What's my User ID?**
6. Enter your **Last Name** and **SSN**, then click **Submit**
7. Record your **User ID** for future use.
8. Click on **Log In** to use your User ID

## Proxy information

Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:

- Written permission, which includes your signature and detailed information on what transaction you authorize them to do. Include your proxy's name,
- Student ID number and birth date,
- Your name, address and telephone number,

Your proxy will need to show a valid photo ID before any transactions are completed.

## Attendance

If you miss the **first class** meeting or are absent for the equivalent of **two weeks without approval**, you may be dropped by the instructor. **If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.**

## Withdrawing from a class

You must officially drop classes through the online or telephone registration system or at the Admissions and Records Office. Non-attendance can result in an "F" grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student's responsibility to drop a class, not the instructor's. If a class is dropped before 25 percent of the instruction time has elapsed, a grade will not appear on your record. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an "F" grade.

## Fees

### Enrollment fees

- \$26 per unit for California residents
- \$207 per unit (\$181 per unit plus \$26 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents
- \$214 per unit (\$188 per unit plus \$26 per unit enrollment fee) for students who are not U.S. citizens

\* Enrollment fees may increase for fall. Check [www.dvc.edu/fee](http://www.dvc.edu/fee) for updated fee information

### Other fees

- The optional \$8 student activity sticker offers discounts for student related activities.
- A \$1 per unit student union fee helps pay for the maintenance of the student center. The maximum fee is \$10 per student per academic year.

## Outstanding debts

If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared. Pay debts at the Admissions Office. Debts are subject to district collection processes.

## No parking permits are required on the San Ramon Valley Center!

**Note: All fees are subject to change by the state legislature.**
