Register now! Instruction begins August 13

Whether your goal is a bachelor’s degree from a four-year college, a two-year associate’s degree or a one-year certificate, the San Ramon Valley Center can prepare you for the future.
Easy Steps to Enroll

Where do I start?

**New students** – never attended college or transfer students with fewer than 12 college credits completed

- Submit an application (step 1), and follow all steps.

**Returning students and new transfer students**

(with more than 12 college units) begin at step 1.

- Contact the Counseling Center at extension 5110 to make an appointment with a counselor to discuss current educational goals or plans.

**Continuing students** – enrolled in fall 2009, spring 2010, or summer 2010.

- View registration appointment time online (WebAdvisor) and begin at step 5.

**Concurrently enrolled high school students**

- Go to [www.dvc.edu](http://www.dvc.edu) to complete an online application. At the time of registration, submit a Special Admission Recommendation form in person, signed by the high school principal, parent and student. This form is needed each semester. If enrolling in a class with a prerequisite see page 3 for more details.

**High school students in 11th or 12th grade**

Register in person beginning August 3rd for fall.

**High school students below the 11th grade**

Must obtain the DVC instructor’s signature to enroll in a class. Registration begins the first day of the session, after all signatures are completed on the Special Admission Recommendation form and DVC application.

**High school students all grades** – P.E. registration – All high school students, regardless of their grade level, need to enroll after the first class meeting. The instructor’s signature is required.

1. **Submit an application for admission**

   All new, transfer and returning students, must submit an application. Go to [www.dvc.edu](http://www.dvc.edu) to complete an online application. Students who attended DVC in fall 2009, spring 2010, or summer 2010 (continuing students) do not need to submit an application.

2. **Take an assessment test**

   Assessment testing can help to satisfy a prerequisite requirement. To assist in planning your chemistry, math and English classes, participate in the assessment process, which is a two-hour placement exam that measures current skills in reading, writing and math. This information will help your make decisions for the most appropriate classes to meet your individual educational goals. Assessments are free and offered weekly at SRVC. Check for days and times of assessments at [www.dvc.edu/admissions](http://www.dvc.edu/admissions), or stop by the Student Services Center.

3. **Apply for financial aid and learn about Extended Opportunity Programs and Services (EOPS) optional**

   Visit the Financial Aid Office (Student Services Center), online at [www.dvc.edu/financial_aid](http://www.dvc.edu/financial_aid) or call 925-685-1230, ext. 2290. Visit the EOPS Office (Student Services Center), online at [www.dvc.edu/eops](http://www.dvc.edu/eops), or call 925-685-1230, ext. 2236. Limited services are offered at the San Ramon Valley Center. For the schedule at SRVC, visit [www.srvc.net](http://www.srvc.net).

4. **Attend orientation and advisement counseling**

   New students for fall 2010 who have completed fewer than 12 college units are strongly encouraged to register for Counseling 095 (college orientation) during spring or summer. (see page 3). Classes meet once or twice for a total of six hours. Students must complete the math and English assessment tests at least seven working days before the Counseling 095 class begins.

   Returning and new transfer students (with more than 12 college units) should speak with a counselor to discuss their current educational goals or plans. Request your official transcripts from high school and other colleges you’ve attended to be sent to the Admissions and Records Office. Official transcripts from other schools can take two to six weeks to arrive at DVC. Official transcripts must be on file at least two weeks prior to scheduling a counseling appointment.

5. **Register for classes**

   Registration appointments are only for online or telephone registration until open/walk-in registration begins on August 2nd.

   Registration appointments can be viewed on WebAdvisor from the DVC website. Contact the Admissions and Records Office if no registration date is listed. Students may use one of the many computers in the Learning Commons or West Lobby.

   Priority registration appointments are automatically assigned to continuing or currently enrolled DVC students (attended classes fall 2009, spring 2010, or summer 2010). Appointment dates and times can be found by logging to WebAdvisor.

   Students without a priority registration appointment register according to the calendar of important dates.

   Be sure to follow the instructions carefully. If registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment.

   **Adding classes before instruction begins**

   Students who wish to add classes before the class begins, may do so online or by telephone until the midnight before the class begins as long as there is still space available.

   **Adding classes after instruction begins**

   Students who wish to add a class after instruction has started, should first check with the instructor. If space is available, the instructor will give the student a unique four-digit late add code that will permit the student to register on WebAdvisor or by telephone. Late add codes expire at midnight on the deadline date to add the class. In-person registration will require the instructor’s signature on the late add code on a Schedule Request form and submission by the deadline date.

   Assistance using WebAdvisor is available in the Learning Commons.

6. **Pay fees**

   Payment of registration fees is required at the time of registration.

   Fees can be paid with a credit card on WebAdvisor and when registering by telephone. The Admissions Office will accept payments in cash, by credit card, check, or money order.

7. **Obtain student ID card**

   After registering, take your class schedule with a picture ID to the reception desk in the West Lobby to obtain your “Connect Card.” This FREE card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker at the student bookstore for a small fee.

How to find my user ID without a student ID number

1. Go to [www.dvc.edu](http://www.dvc.edu)
2. Click on WebAdvisor
3. Click on Use WebAdvisor Now!
4. Click on User ID Help
5. Click on What’s my User ID?
6. Enter your Last Name and SSN, then click Submit
7. Record your User ID for future use.
8. Click on Log In to use your User ID
Proxy information
Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:
- Written permission, which includes your signature and detailed information on what transaction you authorize them to do. Include your proxy’s name,
- Student ID number and birth date,
- Your name, address and telephone number.
Your proxy will need to show a valid photo ID before any transactions are completed.

Attendance
If you miss the first class meeting or are absent for the equivalent of two weeks without approval, you may be dropped by the instructor. If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.

Withdrawing from a class
You must officially drop classes through the online or telephone registration system or at the Admissions and Records Office. Non-attendance can result in an “F” grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student’s responsibility to drop a class, not the instructor’s. If a class is dropped before 25 percent of the instruction time has elapsed, a grade will not appear on your record. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an “F” grade.

Fees
Enrollment fees
- $26 per unit for California residents
- $207 per unit ($181 per unit plus $26 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents
- $214 per unit ($188 per unit plus $26 per unit enrollment fee) for students who are not U.S. citizens
- Enrolment fees may increase for fall. Check www.dvc.edu/fee for updated fee information

Outstanding debts
If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared.

Pay debts at the Admissions Office. Debts are subject to district collection processes.

No parking permits are required on the San Ramon Valley Center!

Note: All fees are subject to change by the state legislature.

Computer Information Systems (CIS) workshops and Internet courses
Minimum skills required
Students enrolling in software classes must have an understanding of basic computer operations.

Textbooks
Textbooks are used in all computer workshops. All CIS textbooks and disks may be purchased at the first class session. Textbooks may also be purchased at the SRC Bookstore. The average cost of CIS textbooks is around $50.

CIS cancellation policy
CIS courses will be cancelled when fewer than 20 students are enrolled.

CIS weekend designated courses meet at the following times:
- Saturdays and Sundays, 9 a.m. - 5:20 p.m.

Grade codes
- P/NP—only pass/no pass grades will be assigned
- LR—only letter grades will be assigned
- SC—either pass/no pass or a letter grade will be assigned. You must decide before the sixth week of the term. In short-term courses, a decision must be made before 30 percent of the course is complete.

Orientation
Designed for new students planning to enroll at DVC in Fall 2010
Couns-095 Orientation to College - (P/NP) - .3 Unit
Take your assessment test at least seven business days before orientation so that the counselor teaching your Counseling 095 class can review your scores and recommend the correct courses. Purchase a “Starter Kit” at the DVC Book Center at Pleasant Hill or San Ramon prior to class. The kit contains the required materials for this course (class schedule and catalog). Saturday classes include a lunch break.
