5 Register for classes

Registration appointments are only for online or telephone registration until open/walk-in registration begins on August 1, 2011.

Registration appointments can be viewed on InSite/WebAdvisor. Contact the Admissions and Records Office if no registration date is listed. You may use one of the many computers in the Enrollment Lab, Information Center, library or computer labs throughout the campus.

Priority registration appointments are assigned to continuing or currently enrolled DVC students (attended classes summer 2010, fall 2010, or spring 2011).

If you don't have a priority registration appointment, register according to the calendar of important dates.

Be sure to follow the instructions carefully. If registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment.

Adding classes before instruction begins

If you wish to add classes before the classes begin, you may do so online or by telephone until midnight the day before the class begins as long as there is still space available.

Adding classes after instruction begins

If you wish to add a class after instruction has started you should first check with the instructor. If space is available, the instructor will give you a unique four-digit late add code that will permit you to register online or by telephone. Late add codes expire at midnight on the deadline date to add the class. To register in person, submit a Schedule Request form with the instructor's signature or late add code by the deadline date.

Assistance using InSite/WebAdvisor is available in the Enrollment Lab and Information Center.

6 Pay fees

Payment of registration fees is required at the time of registration.

Fees can be paid with a credit card on InSite/WebAdvisor and when registering by telephone. The Cashier's Office will accept cash, credit card, check, or money order.

7 Obtain student ID card

After registering, take your class schedule and picture ID to the Student Office in the Student Union Building to obtain your "Connect Card."

FREE card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker for a small fee.

How to find my user ID without a student ID number

1. Go to www.dvc.edu
2. Click on **InSite/WebAdvisor**
3. Follow the instructions to log into **InSite**
4. Enter your **last name** and **SSN**, then click **submit**
5. Record your User ID for future use
6. Click **InSite/WebAdvisor** to log on

How do I calculate my fees?

Fill in the blank lines to estimate your fees:

enrollment fee <i>(multiply the number of units by the correct fee)</i>	\$ _____
ASDVC sticker fee	\$ <u>8.</u> _____
parking fee <i>(optional)</i>	\$ _____
student union fee <i>(fee is \$1 per unit up to \$10 per year)</i>	\$ _____
foundation contribution <i>(optional) used to provide scholarships and instructional equipment</i>	\$ _____
Total	\$ _____

Check your InSite mail account often

You are expected to check your email frequently to receive college and district-related communications. If you wish to have email forwarded to another address (e.g., @yahoo.com, @gmail.com) you may, but the college district is not responsible for the handling of email by outside vendors. Having email forwarded does not change your responsibility for reading and responding to official communications sent to your InSite mail account.

Proxy information

Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:

- Written permission, which includes your proxy's name, your signature, and detailed information on what transaction you authorize them to do;
- Student ID number and birth date;
- Your name, address and telephone number.

Your proxy will need to show a valid photo ID before any transactions are completed.

Attendance

If you miss the **first class** meeting or are absent for the equivalent of **two weeks without approval**, you may be dropped by the instructor. If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.

Withdrawing from a class

You must officially drop classes through the online or telephone registration system or at the Admissions and Records Office. Non-attendance can result in an "F" grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student's responsibility to drop a class, not the instructor's. If a class is dropped before 25 percent of the instruction time has elapsed, a grade will not appear on your record. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an "F" grade.

Fees

Enrollment fees*

- \$36 per unit for California residents
- \$231 per unit (\$195 per unit plus \$36 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents or for students who are not U.S. citizens

*** Note: All fees are subject to change by the state legislature. Check www.dvc.edu/fee for updated fee information.**

Other fees

- The optional \$8 student ASDVC Sticker fee offers discounts for student related activities.
- A \$1 per unit student union fee helps pay for the maintenance of the student center. The maximum fee is \$10 per student per academic year.

Parking fees

The parking fee is \$3 a day or \$40 for the terms fall or spring. The summer fee is \$20. College parking permits are required daily except weekends (Friday 5 p.m. through Monday 7 a.m.) and holidays. Parking permits **must be purchased online** through InSite/WebAdvisor, under the Academic Services menu.

The parking fee is \$20 per term for students who qualify for the Board of Governors Enrollment Fee Waiver. DVC parking permits are also valid at CCC and LMC campuses.

Parking at the San Ramon Valley Center is free. Contact all other off-campus locations for their parking policies.

Outstanding debts

If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared. Pay debts at the Cashier's Office. Debts are subject to district collection processes.

Fee refunds

To receive a fee refund, you must withdraw from school or drop class by the refund eligibility deadline. (Please see the *Calendar of Important Dates*, online, or check with your instructor for deadlines.)

Refund checks for complete or partial withdrawals will be processed after the first two weeks of instruction. Refund checks will be mailed to your student address on file in the college Admissions and Records Office. If you have a new address, please notify the office as soon as possible. If you paid online by credit card, a refund will be issued to the credit card used for payment.

Non-resident tuition refunds:

To obtain a refund for non-resident tuition, your request must be made at the Cashier's Office.

You will not receive a refund if you:

- stop attending class and do not officially withdraw,
- withdraw from the class after the refund deadline,
- owe other outstanding debts to the college.

A detailed refund policy is posted in the Cashier's Office.

Refunds for over \$1,000 must be requested at the Cashier's Office.

Prerequisites

Enrolling in DVC courses with prerequisites or co-requisites

If you are enrolling in a course with a prerequisite, you must complete that prerequisite with a "C" grade or better before you are allowed to register. A course has a prerequisite to ensure that you have the appropriate body of knowledge to be successful. Courses with a co-requisite require that you either has taken the co-requisite before or is taking it at the same time as the course.

Please note: dropping a class with a co-requisite will result in a drop from both classes.

Usually a prerequisite is a course from a lower sequence of courses. For example, you may not enroll in Math 142 (Elementary Statistics with Probability) without first passing Math 120 (Intermediate Algebra) with a "C" grade or better, or the equivalent. Usually, a co-requisite course is a lab or a course that provides supplemental instruction.

To see which courses have prerequisites and/or co-requisites see the individual course offerings in the catalog.

To register for a course with a prerequisite

If you have completed the prerequisite course with a "C" grade or higher, at DVC fall 1999 or later, you will have the prerequisite automatically cleared upon registration. If the prerequisite course was completed at DVC, CCC or LMC prior to fall 1999, contact the Admissions and Records Office.

If the prerequisite course was completed at another educational institution, the Admissions and Records Office must clear the requirement prior to registering either online or by telephone.

All prerequisite forms must have the appropriate documentation attached.

Online or telephone registration

There are a two ways to do this:

1. submit an unofficial or official transcript with a prerequisite form to the Admissions and Records Office;

OR

2. fax an unofficial transcript with a prerequisite form.

If approved, the prerequisite will be cleared within two to three business days. If denied, you will be notified.

Open/walk-in registration

You may submit an official or unofficial transcript along with a prerequisite form during open/walk-in registration and register for the class.

The waitlist is a way to prioritize the enrollment of students after a class has reached its maximum. There are no guarantees that you will be enrolled from the waitlist; therefore, it is always best to enroll in a class with open seats. If you are still on a waitlist when the class begins, the instructor cannot consider adding you to the class unless you attend the first class meeting.

Important:

Check for your InSite mail regularly for your waitlist status.
