Registration appointments can be viewed on InSite/WebAdvisor. Contact the Admissions and Records Office if no registration date is listed. You may use one of the many computers in the Enrollment Lab, Information Center, library or computer labs throughout the campus.

Priority registration appointments are assigned to continuing or currently enrolled DVC students (attended classes spring 2011, summer 2011, or fall 2011).

If you don't have a priority registration appointment, register according to the calendar of important dates.

Be sure to follow the instructions carefully. When registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment.

Adding classes before instruction begins

If you wish to add classes before the classes begins, you may do so online until midnight the day before the class begins as long as there is still space available.

Adding classes after instruction begins

If you wish to add a class after instruction has started you should first check with the instructor. If space is available, the instructor will give you a unique four-digit late add code that will permit you to register online. Late add codes expire at midnight on the deadline date to add the class. To register in person, submit a Schedule Request form with the instructor's signature or late add code by the deadline date.

Assistance using InSite/WebAdvisor is available in the Enrollment Lab and Information Center.

6 Pay fees

Payment of registration fees is required at the time of registration.

Fees can be paid with a credit card on InSite/WebAdvisor. The Cashier's Office will accept cash, credit card, check, or money order.

7 Obtain student ID card

After registering, take your class schedule and picture ID to the Student Office in the Student Union Building to obtain your "Connect Card."

FREE card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker for a small fee.

How do I find my user ID without a student ID number

1. Go to www.dvc.edu
2. Click on InSite/WebAdvisor
3. Follow the instructions to log into InSite
4. Enter your **last name** and **SSN**, then click **submit**
5. Record your User ID for future use
6. Click InSite/WebAdvisor to log on

How do I calculate my fees?

Fill in the blank lines to estimate your fees:

enrollment fee <i>(multiply the number of units by the correct fee)</i>	\$ _____
ASDVC discount sticker fee <i>(optional)</i>	\$ <u>8.</u>
parking fee <i>(optional)</i>	\$ _____
student union fee <i>(fee is \$1 per unit up to \$10 per year)</i>	\$ <u>5.</u>
student activity fee	\$ _____
foundation contribution <i>(optional) used to provide scholarships and instructional equipment</i>	\$ _____
Total	\$ _____

Check your InSite mail account often

You are expected to check your email frequently to receive college and district-related communications. If you wish to have email forwarded to another address (e.g., @yahoo.com, @gmail.com) you may, but the college district is not responsible for the handling of email by outside vendors. Having email forwarded does not change your responsibility for reading and responding to official communications sent to your InSite mail account.

Proxy information

Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:

- Written permission, which includes your proxy's name, your signature, and detailed information on what transaction you authorize them to do;
- Student ID number and birth date;
- Your name, address and telephone number.

Your proxy will need to show a valid photo ID before any transactions are completed.

Attendance

If you miss the **first class** meeting or are absent for the equivalent of **two weeks without approval**, you may be dropped by the instructor. If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.

Withdrawing from a class

You must officially drop classes through the online registration system or at the Admissions and Records Office. Non-attendance can result in an "F" grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student's responsibility to drop a class, not the instructor's. If a class is dropped before 25 percent of the instruction time has elapsed, a grade will not appear on your record. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an "F" grade.

Fees

Enrollment fees*

- \$36 per unit for California residents
- \$231 per unit (\$195 per unit plus \$36 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents or for students who are not U.S. citizens

The parking fee is \$20 per term for students who qualify for the Board of Governors Enrollment Fee Waiver. DVC parking permits are also valid at CCC and LMC campuses.

Parking at the San Ramon Valley Center is free. Contact all other off-campus locations for their parking policies.

You will not receive a refund if you:

- stop attending class and do not officially withdraw,

Prerequisites

Enrolling in DVC courses with prerequisites or co-requisites

If you are enrolling in a course with a prerequisite, you must complete that prerequisite with a "C" grade or better before you are allowed to register. A course has a prerequisite to ensure that you have the appropriate body of knowledge to be successful. Courses with a co-requisite require that you either has taken the co-requisite before or is taking it at the same time as the course.

Please note: dropping a class with a co-requisite will result in a drop from both classes.

Usually a prerequisite is a course from a lower sequence of courses. For example, you may not enroll in Math 142 (Elementary Statistics with Probability) without first passing Math 120 (Intermediate Algebra) with a "C" grade or better, or the equivalent. Usually, a co-requisite course is a lab or a course that provides supplemental instruction.

To see which courses have prerequisites and/or co-requisites see the individual course offerings in the catalog.

To register for a course with a prerequisite

If you have completed the prerequisite course with a "C" grade or higher, at DVC fall 1999 or later, you will have the prerequisite automatically cleared upon registration. If the prerequisite course was completed at DVC, CCC or LMC prior to fall 1999, contact the Admissions and Records Office.

If the prerequisite course was completed at another educational institution, the Admissions and Records Office must clear the requirement prior to registering.

All prerequisite forms must have the appropriate documentation attached.

Online registration

There are a two ways to do this:

1. submit an unofficial or official transcript with a prerequisite form to the Admissions and Records Office;

OR

2. fax an unofficial transcript with a prerequisite form.

If approved, the prerequisite will be cleared within two to three business days. If denied, you will be notified.

Open/walk-in registration

You may submit an official or unofficial transcript along with a prerequisite form during open/walk-in registration and register for the class.
