Easy Steps

1 Submit an application for admission
- Apply online at www.dvc.edu. Need assistance? Go to the Pleasant Hill campus Enrollment Lab on the first floor of the Student Services Center or to the San Ramon Campus Learning Commons.
  Note: If you attended DVC in spring 2011, summer 2011, or fall 2011 you do not need to submit a new application.

2 Take an assessment test (if needed)
- If you plan to enroll in chemistry, math or English courses, take the assessment test. These free, two-hour exams measure current skills and help you decide on the most appropriate course(s) to meet your educational goals. Tests are offered daily; schedule an appointment online at www.dvc.edu/assessment
  For information: www.dvc.edu/assessment or phone 925-685-1230, ext. 2545.

  Assessment test results may satisfy prerequisite requirements. (Prerequisites may also be satisfied by successfully completing course work.) For prerequisite information, check individual course listings or go to page 5 of this document.

3 Optional Apply for financial aid and learn about Extended Opportunity Programs and Services (EOPS)
- Visit the Financial Aid Office (Student Services Center), online at www.dvc.edu/financialaid, or call 925-685-1230, ext. 2290. Visit the EOPS Office (Student Services Center, second floor), online at www.dvc.edu/eops, or call 925-685-1230, ext. 2236.

4 Attend Counseling 095 orientation and advisement counseling

  • You are strongly encouraged to register for COUNS 095 (Counseling 095, Orientation to College). Class meets once or twice for a total of 6 hours.
  • Take the math and English assessment tests, if needed, at least four working days before your class.
  • Complete COUNS 095 to be considered a matriculated student and receive an earlier registration date.

- Transfer student (taken college courses elsewhere, but new to DVC or returning to DVC after a year or more away from campus)
  • Speak with a counselor to discuss educational goals or plans. Make an appointment at: 925-685-1230, ext. 2276/2278.
  • Before your appointment, submit official transcripts from high school and other colleges you’ve attended.
  • Send transcripts to: Admissions and Records Office, 321 Golf Club Road, Pleasant Hill, CA, 94523. Allow time for your transcript(s) to arrive – it could take two-six weeks. Transcripts must be received at DVC at least two weeks before your counseling appointment. To see if your transcripts have arrived, check InSite/WebAdvisor under Communication, My Documents.

2 Diablo Valley College | 925-685-1230 | SPRING 2012 | 11-10-11
Register for classes

Registration appointments are only for online registration until open/walk-in registration begins on January 17.

Registration appointments can be viewed on InSite/WebAdvisor. Contact the Admissions and Records Office if no registration date is listed. You may use one of the many computers in the Enrollment Lab, Information Center, library or computer labs throughout the campus.

Priority registration appointments are assigned to continuing or currently enrolled DVC students (attended classes spring 2011, summer 2011, or fall 2011).

If you don’t have a priority registration appointment, register according to the calendar of important dates.

Be sure to follow the instructions carefully. When registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment.

Adding classes before instruction begins

If you wish to add classes before the class begins, you may do so online until midnight the day before the class begins as long as there is still space available.

Adding classes after instruction begins

If you wish to add a class after instruction has started you should first check with the instructor.
If space is available, the instructor will give you a unique four-digit late add code that will permit you to register online. Late add codes expire at midnight on the deadline date to add the class.
To register in person, submit a Schedule Request form with the instructor’s signature or late add code by the deadline date.

Assistance using InSite/WebAdvisor is available in the Enrollment Lab and Information Center.

Pay fees

Payment of registration fees is required at the time of registration.
Fees can be paid with a credit card on InSite/WebAdvisor. The Cashier’s Office will accept cash, credit card, check, or money order.

Obtain student ID card

After registering, take your class schedule and picture ID to the Student Office in the Student Union Building to obtain your “Connect Card.” FREE card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker for a small fee.

Check your InSite mail account often

You are expected to check your email frequently to receive college and district-related communications. If you wish to have email forwarded to another address (e.g., @yahoo.com, @gmail.com) you may, but the college district is not responsible for the handling of email by outside vendors. Having email forwarded does not change your responsibility for reading and responding to official communications sent to your InSite mail account.
Proxy information
Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:

- Written permission, which includes your proxy’s name, your signature, and detailed information on what transaction you authorize them to do;
- Student ID number and birth date;
- Your name, address and telephone number.

Your proxy will need to show a valid photo ID before any transactions are completed.

Attendance
If you miss the first class meeting or are absent for the equivalent of two weeks without approval, you may be dropped by the instructor. If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.

Withdrawing from a class
You must officially drop classes through the online registration system or at the Admissions and Records Office. Non-attendance can result in an “F” grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student’s responsibility to drop a class, not the instructor’s. If a class is dropped before 25 percent of the instruction time has elapsed, a grade will not appear on your record. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an “F” grade.

Fees
Enrollment fees
- $36 per unit for California residents
- $231 per unit ($195 per unit plus $36 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents or for students who are not U.S. citizens

* Note: All fees are subject to change by the state legislature. Check www.dvc.edu/fees for updated fee information.

Other fees
- A $1 per unit student union fee helps pay for the maintenance of the student center. The maximum fee is $10 per student per academic year.
- The $5 Student Activity Fee, charged at registration, allows student government to fund student-related activities and services. This fee is voluntary; for refund information see “Fee refunds” on this page.
- The optional $8 student ASDVC discount Sticker Fee offers discounts for student related activities.

Parking fees
The parking fee is $3 a day or $40 for the terms fall or spring. The summer fee is $20. College parking permits are required daily except weekends (Friday 5 p.m. through Monday 7 a.m.) and holidays. Parking permits must be purchased online through InSite/WebAdvisor, under the Academic Services menu.

The parking fee is $20 per term for students who qualify for the Board of Governors Enrollment Fee Waiver. DVC parking permits are also valid at CCC and LMC campuses.

Parking at the San Ramon Valley Center is free. Contact all other off-campus locations for their parking policies.

Outstanding debts
If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared. Pay debts at the Cashier’s Office. Debts are subject to district collection processes.

Fee refunds
Enrollment fees
To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. (Please see the Calendar of Important Dates, online, or check with your instructor for deadlines.)

Refund checks for complete or partial withdrawals will be processed after the first two weeks of instruction. Refund checks will be mailed to your student address on file in the college Admissions and Records Office. If you have a new address, please notify the office as soon as possible. If you paid online by credit card, a refund will be issued to the credit card used for payment.

Non-resident tuition refunds:
To obtain a refund for non-resident tuition, your request must be made at the Cashier’s Office.

You will not receive a refund if you:
- stop attending class and do not officially withdraw;
- withdraw from the class after the refund deadline;
- owe other outstanding debts to the college.

A detailed refund policy is posted in the Cashier’s Office. Refunds for over $1,000 must be requested at the Cashier’s Office.

Parking permit refunds
The parking permit fee will be refunded if you drop all classes within the first two weeks of instruction for semester-length classes or by 10 percent of the length of short-term classes. The parking decal must be returned to the Cashier’s Office for a refund. The refund check will be mailed to you according to the same refund processing cycle as enrollment fee refunds. Lost or stolen parking permits are not refundable.

Financial aid enrollment fee refunds
If subsequent to paying enrollment fees, you become eligible for financial aid and receive an enrollment fee waiver, you will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment fee deferments
If subsequent to paying enrollment fees, you become eligible for an enrollment fee deferment to an outside agency, submit the deferment to the Cashier’s Office. You will automatically be mailed a refund check of the deferred fees according to the same refund processing cycle as enrollment fee refunds.

Details regarding the refund policy are available from the Cashier’s Office or the Admissions and Records Office.

Student Activity Fee
The $5 Student Activity Fee is voluntary. Refund forms are available online at:
www.dvc.edu/SAFrefund, at the Pleasant Hill Campus in the Cashier’s Office, Student Life Office and Welcome/Information Center. At the San Ramon Campus, the forms are available in the Admissions and Records Office. Refund forms must be submitted in person or by U.S. mail to the DVC Cashier’s Office ONLY (DVC Cashier, 321 Golf Club Road, Pleasant Hill, CA 94523). Request for refund forms must be received within the first two weeks of instruction for a full semester class, or before 10 percent of the class time for a short-term class. Refund checks will be issued monthly after the first two weeks of instruction each semester.
Non-refundable fees
The $8 ASDVC discount sticker fee is not refundable. This refund policy complies with and is based upon California law and the Education Code.

Prerequisites
Enrolling in DVC courses with prerequisites or co-requisites
If you are enrolling in a course with a prerequisite, you must complete that prerequisite with a “C” grade or better before you are allowed to register. A course has a prerequisite to ensure that you have the appropriate body of knowledge to be successful. Courses with a co-requisite require that you either has taken the co-requisite before or is taking it at the same time as the course.

Please note: dropping a class with a co-requisite will result in a drop from both classes.

Usually a prerequisite is a course from a lower sequence of courses. For example, you may not enroll in Math 142 (Elementary Statistics with Probability) without first passing Math 120 (Intermediate Algebra) with a “C” grade or better, or the equivalent. Usually, a co-requisite course is a lab or a course that provides supplemental instruction.

To see which courses have prerequisites and/or co-requisites see the individual course offerings in the catalog.

To register for a course with a prerequisite
If you have completed the prerequisite course with a “C” grade or higher, at DVC fall 1999 or later, you will have the prerequisite automatically cleared upon registration. If the prerequisite course was completed at DVC, CCC or LMC prior to fall 1999, contact the Admissions and Records Office.

If the prerequisite course was completed at another educational institution, the Admissions and Records Office must clear the requirement prior to registering.

All prerequisite forms must have the appropriate documentation attached.

Online registration
There are a two ways to do this:
1. submit an unofficial or official transcript with a prerequisite form to the Admissions and Records Office;
OR
2. fax an unofficial transcript with a prerequisite form.

If approved, the prerequisite will be cleared within two to three business days. If denied, you will be notified.

Open/walk-in registration
You may submit an official or unofficial transcript along with a prerequisite form during open/walk-in registration and register for the class.

NEED HELP USING INSITE/WEBADVISOR?
Call the Welcome/Information Center at 925-685-1230, ext. 2578 during office hours.
**How do I manage my waitlist?**

The waitlist is a way to prioritize the enrollment of students after a class has reached its maximum. There are no guarantees that you will be enrolled from the waitlist; therefore, it is always best to enroll in a class with open seats. If you are still on a waitlist when the class begins, the instructor cannot consider adding you to the class unless you attend the first class meeting.

### Important:
Check for your InSite mail regularly for your waitlist status.

**Learning Communities**

Are you taking English 116 and 118 this semester? Would you like to fulfill both requirements at the same time? Are you interested in learning about the interrelationship between reading and writing? If so, then taking a linked pair of English 116 and English 118 sections might be for you. Combined sections of English 116 and English 118 offer a unique opportunity to work and learn together as a community. By taking linked English 116 and English 118 courses you have the advantage of: completing both requirements in one semester, experiencing a seamless connection between both courses, and more effectively understanding the reading-writing connection while remaining in one room with one instructor for both courses—no running around and breaking up your schedule. You have four choices:
