### Easy Steps

#### 1. Submit an application for admission
- Apply online at [www.dvc.edu](http://www.dvc.edu). Need assistance? Go to the Pleasant Hill campus Enrollment Lab on the first floor of the Student Services Center or to the San Ramon Campus Learning Commons.

**Note:** If you attended DVC in spring 2013, summer 2013, or fall 2013, you do not need to submit a new application.

#### 2. Take an assessment test (if needed)
- If you plan to enroll in chemistry, math or English courses, take the assessment test. These free, two-hour exams measure current skills and help you decide on the most appropriate course(s) to meet your educational goals. Tests are offered daily; to schedule an appointment or get more information, please visit: [www.dvc.edu/assessment](http://www.dvc.edu/assessment) or phone 925-969-2132.

- Assessment test results may satisfy prerequisite requirements. (Prerequisites may also be satisfied by successfully completing course work.) For prerequisite information, check individual course listings or go to page 5 of this document.

#### 3. Apply for financial aid and learn about Extended Opportunity Programs and Services (EOPS) optional
- Stop by the Financial Aid Office (Student Services Center), visit online at [www.dvc.edu/financialaid](http://www.dvc.edu/financialaid), or call 925-969-2009
- Visit the EOPS Office (Student Services Center, first floor), or online at [www.dvc.edu/eops](http://www.dvc.edu/eops).

#### 4. Attend Counseling 095 orientation and advisement counseling
- **New to DVC and never attended college?**
  - You are strongly encouraged to register for COUNS 095 (Counseling 095, Orientation to College). Class meets once or twice for a total of six hours.
  - Take the math and English assessment tests, if needed, at least three working days before your class.
  - Complete COUNS 095 to be considered a matriculated student and receive an earlier registration date.

- **Transfer student** (taken college courses elsewhere but new to DVC or returning to DVC after a year or more away from campus)
  - Speak with a counselor to discuss educational goals or plans. Make an appointment at: 925-969-2140.
  - Before your appointment, submit official transcripts from high school and other colleges you’ve attended.
  - Send transcripts to: Admissions and Records Office, 321 Golf Club Road, Pleasant Hill, CA, 94523. Allow time for your transcript(s) to arrive – it could take two - six weeks. Transcripts must be received at DVC at least two weeks before your counseling appointment. To see if your transcripts have arrived, check [InSite/WebAdvisor](http://www.dvc.edu/infolinks/insite/) under Communication, My Documents.
to Enroll

(step 4 continued)

• Transfer students who complete a Transfer Orientation Form (available at www.dvc.edu/admissionsforms) and submit it to the Admissions and Records Office or to the Counseling Office are considered matriculated and will receive an earlier registration date.

• Transfer students who have already received an associate degree or higher who complete the Orientation Exemption Form (available at: www.dvc.edu/admissionsforms) and submit it along with a transcript (official or unofficial) with degree posted to the Admissions and Records Office are considered matriculated and will receive an earlier registration date.

5 Register for classes

Registration appointments are only for online registration until open/walk-in registration begins on January 6.

Registration appointments can be viewed on InSite/WebAdvisor. Contact the Admissions and Records Office if no registration date is listed. You may use one of the many computers in the Enrollment Lab, library or computer labs throughout the campus.

Priority registration appointments are assigned to continuing or currently enrolled DVC students (attended classes spring 2013, summer 2013, or fall 2013).

If you don’t have a priority registration appointment, register according to the calendar of important dates.

Be sure to follow the instructions carefully. When registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment.

Adding classes before instruction begins

If you wish to add classes before the classes begin, you may do so online until midnight the day before the class begins as long as there is still space available.

Adding classes after instruction begins

If you wish to add a class after instruction has started, you should first check with the instructor. If space is available, the instructor will give you a unique four-digit late add code that will permit you to register online. Late add codes expire at midnight on the deadline date to add the class. To register in person, submit a Schedule Request form with the instructor’s signature or late add code by the deadline date.

Assistance using InSite/WebAdvisor is available in the Enrollment Lab.

6 Pay fees

Payment of registration fees is required at the time of registration.
Fees can be paid with a credit card on InSite/WebAdvisor. The Cashier’s Office will accept cash, check, or money order.

7 Obtain student ID card

After registering, take your class schedule and picture ID to the Student Life Office in the Student Union Building to obtain your “Connect Card.” This FREE card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker for a small fee.

How do I find my user ID without a student ID number

2. Click on InSite/WebAdvisor
3. Follow the instructions to log onto InSite
4. Enter your last name and SSN, then click submit

Proxy information
Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:

- Written permission, which includes your proxy’s name, your signature, and detailed information on what transaction you authorize them to do;
- Student ID number and birth date;
- Your name, address and telephone number.

Your proxy will need to show a valid photo ID before any transactions are completed.

Attendance
If you miss the first class meeting or are absent for the equivalent of two weeks without approval, you may be dropped by the instructor. If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.

Withdrawing from a class
You must officially drop classes through the online registration system or at the Admissions and Records Office. Non-attendance can result in an “F” grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student’s responsibility to drop a class, not the instructor’s. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an “F” grade.

FEES

Enrollment fees*
- $46 per unit for California residents
- $251 per unit ($205 per unit plus $46 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents or for students who are not U.S. citizens.

*Note: All fees are subject to change by the state legislature. Check www.dvc.edu/fees for updated fee information.

Other fees
- A $1 per unit student union fee helps pay for the maintenance of the student center. The maximum fee is $10 per student per academic year.
- The optional $8 student ASDVC discount Sticker Fee offers discounts for student related activities.
- The $5 Student Activity Fee, charged at registration for fall and spring semesters, allows student government to fund student-related activities and services. This fee is voluntary; for refund information see “Fee refunds” on this page.

Parking fees
The parking fee is $3 a day or $40 for the semesters fall or spring. The summer fee is $20. College parking permits are required daily except weekends (Friday 5 p.m. through Monday 7 a.m.) and holidays. Parking permits must be purchased online through InSite/WebAdvisor, under the Academic Services menu.

The parking fee is $20 per term for students who qualify for the Board of Governors Enrollment Fee Waiver. DVC parking permits are also valid at OCC and LMC campuses.

Parking at the San Ramon Valley Campus is free. Contact all other off-campus locations for their parking policies.

Outstanding debts
If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared. Pay debts at the Cashier’s Office. Debts are subject to district collection processes.

Fee refunds
Enrollment fees
To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. (For refund dates, go to Insite/WebAdvisor, Registration, to “My Class Schedule”. The dates are listed under the “Last Date to Drop” column. You can also check with your instructor).

Refund checks for complete or partial withdrawals will be processed after the first two weeks of instruction. If you paid online by credit card, a refund will be issued to the credit card used for payment.

Non-resident tuition refunds:
To obtain a refund for non-resident tuition, your request must be made at the Cashier’s Office.

You will not receive a refund if you:
- stop attending class and do not officially withdraw,
- withdraw from the class after the refund deadline,

A detailed refund policy is posted in the Cashier’s Office. Refunds for over $1,000 must be requested at the Cashier’s Office.

Students classified as nonresident may request reclassification if living in California for one year and one day prior to the start of the term. Documentation is required. Students should resolve residency reclassification immediately and all requests must be resolved by the end of the academic year in question. Fees for approved reclassifications will be adjusted. Requests for residency reclassification submitted for an academic year that has ended will not be accepted.

Parking permit refunds
To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. For refund dates, go to Insite/WebAdvisor, Registration, to “My Class Schedule”. The dates are listed under the “Last Date to Drop” column. You can also check with your instructor. The parking decal must be returned to the Cashier’s Office for a refund. The refund check will be mailed to you according to the same refund processing cycle as enrollment fee refunds. Lost or stolen parking permits are not refundable.
Financial aid enrollment fee refunds
If subsequent to paying enrollment fees, you become eligible for financial aid and receive an enrollment fee waiver, you will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment fee deferments

Request for refund forms must be received within the first two weeks of instruction for a full semester class, or before 10 percent of the class time for a short-term class. Refund checks will be issued monthly after the first two weeks of instruction each semester (fall and spring only).

Non-refundable fees
The $8 ASDVC discount sticker fee is not refundable. This refund policy complies with and is based upon California law and the Education Code.

Prerequisites
Enrolling in DVC courses with prerequisites or co-requisites
If you are enrolling in a course with a prerequisite, you must complete that prerequisite with a “C” grade or better before you are allowed to register. A course has a prerequisite to ensure that you have the appropriate body of knowledge to be successful. Courses with a co-requisite require that you either have taken the co-requisite course prior to take the co-requisite course at the same time.

Please note: dropping a class with a co-requisite will result in a drop from both classes.

Usually a prerequisite is a course from a lower sequence of courses. For example, you may not enroll in Math 142 (Elementary Statistics with Probability) without first passing Math 120 (Intermediate Algebra or equivalent) with a “C” grade or better. Usually, a co-requisite course is a lab or a course that provides supplemental instruction.

To see which courses have prerequisites and/or co-requisites see the individual course offerings in the catalog.

To register for a course with a prerequisite
If you have completed the prerequisite course with a “C” grade or higher, at DVC fall 1999 or later, you will have the prerequisite automatically cleared upon registration. If the prerequisite course was completed at DVC, CCC or LMC prior to fall 1999, contact the Admissions and Records Office for assistance.

If the prerequisite course was completed at another educational institution, the Admissions and Records Office must clear the requirement prior to registering.

All prerequisite equivalency forms must have the appropriate documentation attached.

Online registration
There are two ways to do this:
1. submit an unofficial or official transcript with a prerequisite equivalency form to the Admissions and Records Office;
OR
2. fax an unofficial transcript with a prerequisite equivalency form.

You will be notified of the results in two to three business days. If approved, you may register on or after your registration appointment time.

Registration for a co-requisite/ prerequisite course
Some courses allow you to take the required course either as a co-requisite (concurrently) or as a prerequisite (previously). With Math 195, for example, the required course, Math 193, may be taken either as a prerequisite or a co-requisite. Depending on how you are satisfying the requirement, you may need to register in-person at the Admissions and Records Office on or after your registration time.

Financial aid enrollment fee refunds
If subsequent to paying enrollment fees, you become eligible for financial aid and receive an enrollment fee waiver, you will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Learning Community

Are you taking English 116 and English 118 this semester? Would you like to fulfill both requirements at the same time? Are you interested in learning about the interrelationship between reading and writing? If so, then taking a linked pair of English 116 and English 118 sections might be for you. Combined sections of English 116 and English 118 offer a unique opportunity to work and learn together as a community. By taking linked English 116 and English 118 courses you have the advantage of: completing both requirements in one semester, experiencing a seamless connection between both courses, and more effectively understanding the reading-writing connection while remaining in one room with one instructor for both courses—no running around and breaking up your schedule. You have six PHC and one SRC pairs to choose from, depending on your schedule.
