Other fees
- A $1 per unit student union fee helps pay for the maintenance of the student center. The maximum fee is $10 per student per academic year.
- The optional $8 student ASDVC discount Sticker Fee offers discounts for student related activities.
- The $5 Student Activity Fee, charged at registration for fall and spring semesters, allows student government to fund student-related activities and services. This fee is voluntary; for refund information see “Fee refunds” on this page.

Parking fees
The parking fee is $3 a day or $40 for the semesters fall or spring. The summer fee is $20. College parking permits are required daily except weekends (Friday 5 p.m. through Monday 7 a.m.) and holidays. Parking permits must be purchased online through InSite/ WebAdvisor, under the Academic Services menu.

Paying at the San Ramon Valley Campus is free. Contact all other off-campus locations for their parking policies.

Outstanding debts
If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared. Pay debts at the Cashier’s Office. Debts are subject to district collection processes.

Fee refunds
Enrollment fees
To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. (For refund dates, go to Insite/ WebAdvisor, Registration, to “My Class Schedule”. The dates are listed under the “Last Date to Drop” column. You can also check with your instructor).

Refund checks for complete or partial withdrawals will be processed after the first two weeks of instruction. Refund checks will be mailed to your student address on file in the college Admissions and Records Office. If you have a new address, please notify the office as soon as possible. If you paid online by credit card, a refund will be issued to the credit card used for payment.

Proxy information
Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:
- Written permission, which includes your proxy’s name, your signature, and detailed information on what transaction you authorize them to do;
- Student ID number and birth date;
- Your name, address and telephone number.

Your proxy will need to show a valid photo ID before any transactions are completed.

Attendance
If you miss the first class meeting or are absent for the equivalent of two weeks without approval, you may be dropped by the instructor. If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.

Withdrawal from a class
You must officially drop classes through the online registration system or at the Admissions and Records Office. Non-attendance can result in an “F” grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student’s responsibility to drop a class, not the instructor’s. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an “F” grade.

Fees
Enrollment fees*
- $46 per unit for California residents
- $254 per unit ($208 per unit plus $46 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents or for students who are not U.S. citizens.

* Note: All fees are subject to change by the state legislature. Check www.dvc.edu/fees for updated fee information.

• withdraw from the class after the refund deadline,
• owe outstanding debts to the college.
A detailed refund policy is posted in the Cashier's Office. Refunds for over $1,000 must be requested at the Cashier's Office.

Students classified as nonresident may request reclassification if living in California for one year and one day prior to the start of the term. Documentation is required. Students should resolve residency reclassification immediately and all requests must be resolved by the end of the academic year in question. Fees for approved reclassifications will be adjusted. Requests for residency reclassification submitted for an academic year that has ended will not be accepted.

To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. For refund dates, go to Insite/WebAdvisor. Registration, to “My Class Schedule”. The dates are listed under the “Last Date to Drop” column. You can also check with your instructor. The parking decal must be returned to the Cashier’s Office for a refund. The refund check will be mailed to you according to the same refund processing cycle as enrollment fee refunds. Lost or stolen parking permits are not refundable.

Financial aid enrollment fee refunds
If subsequent to paying enrollment fees, you become eligible for financial aid and receive an enrollment fee waiver, you will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment fee deferments
If subsequent to paying enrollment fees, you become eligible for an enrollment fee deferment to an outside agency, submit the deferment to the Cashier’s Office. You will automatically be mailed a refund check of the deferred fees according to the same refund processing cycle as enrollment fee refunds.

Details regarding the refund policy are available from the Cashier’s Office or the Admissions and Records Office.

Refund checks will be issued monthly after the first two weeks of instruction each semester (fall and spring only).

Prerequisites
Enrolling in DVC courses with prerequisites or co-requisites
If you are enrolling in a course with a prerequisite, you must complete that prerequisite with a “C” grade or better before you are allowed to register. A course has a prerequisite to ensure that you have the appropriate body of knowledge to be successful. Courses with a co-requisite require that you either have taken the co-requisite course prior or take the co-requisite course at the same time.

Please note: dropping a class with a co-requisite will result in a drop from both classes.

Usually a prerequisite is a course from a lower sequence of courses. For example, you may not enroll in Math 142 (Elementary Statistics with Probability) without first passing Math 120 (Intermediate Algebra or equivalent) with a “C” grade or better. Usually, a co-requisite course is a lab or a course that provides supplemental instruction.

To see which courses have prerequisites and/or co-requisites see the individual course offerings in the catalog.

To register for a course with a prerequisite
If you have completed the prerequisite course with a “C” grade or higher, at DVC fall 1999 or later, you will have the prerequisite automatically cleared upon registration. If the prerequisite course was completed at DVC, CCC or LMC prior to fall 1999, contact the Admissions and Records Office for assistance.

If the prerequisite course was completed at another educational institution, the Admissions and Records Office must clear the requirement prior to registering.

All prerequisite equivalency forms must have the appropriate documentation attached.

Online registration
There are a two ways to do this:
1. submit an unofficial or official transcript with a prerequisite equivalency form to the Admissions and Records Office; OR
2. fax an unofficial transcript with a prerequisite equivalency form.

You will be notified of the results in two to three business days. If approved, you may register on or after your registration appointment time.

Registration for a co-requisite/prerequisite course
Some courses allow you to take the required course either as a co-requisite (concurrently) or as a prerequisite (previously). With Math 195, for example, the required course, Math 193, may be taken either as a prerequisite or a co-requisite. Depending on how you are satisfying the requirement, you may need to register in-person at the Admissions and Records Office on or after your registration time.
InSite/WebAdvisor online registration

Note: You may enroll in a class that is still open until midnight the day before the first class meeting.

Who can use the online registration system?
If you are a continuing student (enrolled spring 2014, summer 2014, or fall 2014) you may use the online system to add or drop classes. Check InSite/WebAdvisor for your appointment day and time.

If you are a new student or previous student that did not attend for one year or more, you will need to complete a new application before you can register. Registration appointments are assigned after applications are processed. Apply online at www.dvc.edu

1. Go to www.dvc.edu

2. Click on InSite/WebAdvisor

3. Click on InSite/Portal to log on using your User ID and password. Your user ID is generally the first letter of your first name, your full last name, and the last three digits of your student ID number (no spaces, all lowercase). Exceptions do occur. Your initial password is your six-digit birthday (mmddyy - no spaces, all lowercase).

4. First time users of InSite/WebAdvisor may need to change their password. The new password must contain letters and numbers between 6-15 characters. See example below.

5. Click on Students (under WebAdvisor) on the home page of InSite/Portal

6. Click on Registration

NEED HELP USING Insite/ WebAdvisor?
Call Welcome Services at 925-969-2106 during office hours.
The waitlist is a way to prioritize the enrollment of students after a class has reached its maximum. There are no guarantees that you will be enrolled from the waitlist; therefore, it is always best to enroll in a class with open seats. If you are still on a waitlist when the class begins, the instructor cannot consider adding you to the class unless you attend the first class meeting.

### Important:
Check for your InSite mail regularly for your waitlist status.

Learning Community Pre-apprenticeship

The Pre-apprenticeship Career Academy is a full-time, one-semester program consisting of 11 related courses designed to prepare students for careers in the construction trades. Students receive academic, personal, and career counseling; help with applications to apprenticeship programs and employers; and industry certifications. Apprenticeship programs and employers in the trades generally require a high-school diploma or G.E.D., driver’s license, and drug testing. The pre-apprenticeship program offers great career opportunities to both males and females. Students will receive a certificate of completion. For more information go to www.dvc.edu/careeracademies or contact Todd Farr at tfarr@dvc.edu.
