SUMMER 09

www.dvc.edu
Enroll in a Cooperative Work Experience Education (COOP) class and you can earn up to four units for learning while working, interning, or volunteering. You’ll be assigned a DVC instructor who will work with you and your employer to establish several learning goals for your job. Then just work your regular schedule, check in with your COOP instructor, and report your results at the end of the term. That’s it!

For more information and an application, visit the Career and Employment Services Center in the Student Services Building, room 138, or call (925) 685-1230, ext. 2435/2206, or visit www.dvc.edu/career.

Campus offices will be closed on Fridays, May 29 through July 31, 2009 (some Friday classes will be held).

Online and telephone registration is available 24 hours a day, seven days a week. Students may register anytime on or after their appointment date and time up until midnight the day before the class section begins.

Add/drop, refund and pass/no pass dates are printed on the class roster for the course. Check with the instructor.
Where do I start?

New students – never attended college or transfer students with fewer than 12 college credits completed
• Submit an application (step 1), and follow all steps.

Returning students and new transfer students (with more than 12 college units)
• Submit an application (step 1), and follow all steps (complete assessment if needed for prerequisites).

Continuing students – enrolled in summer 2008, fall 2008, or spring 2009
• View priority registration appointment time online (WebAdvisor) and begin at step 6.

Concurrently enrolled high school students
• Submit a Special Admission Recommendation Form signed by high school principal, parent and student, for each semester enrolled. If enrolling in a course with a prerequisite, student must also provide proof of prerequisite completion. New concurrent students must also submit an application.

High school students in 11th or 12th grade
Register in person beginning April 20.

High school students below the 11th grade must obtain the DVC instructor’s signature to enroll in a course. Registration begins the first day of the session, after all signatures are completed on the Special Admission Recommendation Form and DVC Application.

1 Submit an application for admission
All new, transfer, returning and concurrently enrolled high school students must submit an application. Go to www.dvc.edu to complete an online application. Students who attended DVC summer 2008, fall 2008, or spring 2009 (continuing students) do not need to submit an application.

2 Send official transcripts
Request your official transcripts from high school and other colleges you’ve attended to be sent to the Admissions and Records Office for clearance of any prerequisite requirements. Official transcripts from other schools can take two to six weeks to arrive at DVC. This could delay your registration. For information regarding prerequisites, please read the prerequisite information on page 7.

3 Take an assessment test
Assessment testing can help to satisfy a prerequisite requirement. To assist you in planning your chemistry, math and English courses, participate in the assessment process, which is a two-hour session that measures current skills in reading, writing and math. This information will help you make decisions for the most appropriate courses to meet your individual educational goals. Assessments are offered free daily. Check for days and times of assessments at www.dvc.edu/admissions/assessment_center.htm, or stop by the Student Services Center or call 925-685-1230, ext. 2545.

4 Apply for financial aid and learn about Extended Opportunity Programs and Services (EOPS) optional
Visit the Financial Aid Office (Student Services Center), online at www.dvc.edu/financialaid or call 925-685-1230, ext. 2290. Visit the EOPS Office (Student Services Center), online at www.dvc.edu/eops/ or call 925-685-1230, ext. 2236.

5 Attend orientation and advisement counseling
New students for summer 2009 who have completed fewer than 12 college units are strongly encouraged to register for Counseling 105 during spring. Classes meet once or twice for a total of six hours and after completing the course students are given a priority registration appointment. Students must complete the math and English assessments at least seven working days before the Counseling 105 course begins.

Returning and new transfer students (with more than 12 college units) should speak with a counselor to discuss their current educational goals or plans. Official transcripts must be on file in the Admissions and Records Office at least two weeks prior to scheduling a counseling appointment.
6 Register for courses
Priority registration appointments are assigned to students who:
• are currently enrolled at DVC (attended classes summer 2008, fall 2008, or spring 2009).
• new students who have completed Counseling 105.
Registration appointments can be viewed on WebAdvisor from the DVC website. Students may use one of the many computers in the Information Center, Library or computer labs throughout the campus.

Priority registration appointments are for online or phone registration only
Be sure to follow the instructions carefully. If registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment. Students without a priority registration appointment register according to the calendar of important dates.

Adding courses before instruction begins
Students who wish to add courses before the class begins, may do so online or by phone until midnight the day before the class begins as long as there is still space available.

Adding courses after instruction begins
Students who wish to add a course after classes have started, should first check with the instructor. If space is available, the instructor will give the student a unique four-digit late add code that will permit the student to register on WebAdvisor or by phone. Late add codes expire at midnight on the deadline date to add the course. In-person registration will require the instructor’s signature on a Schedule Request Form and submission by the deadline date.

7 Pay fees
Payment of registration fees are required at the time of registration.
On WebAdvisor and when registering by phone, fees can be paid with a credit card. The Cashier’s Office will accept payments in cash or by credit card, check, or money order.

8 Obtain student ID card
After registering, take your course schedule with a picture ID to the Student Life Office in the Student Union Building to obtain your “Connect Card.” This FREE card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker for a small fee.

### Other Counseling/Career courses that you may want to consider:

- Counseling 120, Student Success (fall)
- Career 110, Career and Life Planning (summer and fall)
- Career 120, Career Assessment (fall)
- Career 130, Exploring Majors and Careers (fall)
- Career 140, Job Search Strategies (fall)
We welcome and encourage you to participate in the assessment of your math and English skills, attend an orientation, and meet with a counselor to develop an educational plan. Our research indicates that students who take part in assessment and orientation and who meet with a counselor are more successful in their college work than those who do not.

You may be exempt from assessment and orientation if you – have an associate degree or higher, are enrolled in high school or are enrolled in two or fewer units (and are not on probation and have declared an educational objective).

You are exempt from assessment in reading, writing and math if you – have completed a college English or math course with a "C" or better.

You may be exempt from assessment if you – have taken a state approved assessment test at a California Community College in the last two years. Please submit scores to the DVC Assessment Center.

Orientation courses
Counseling 105 - Orientation to College
Counseling 106 - Orientation to College for Student Athletes

Courses exempt from assessment and orientation:
A. If you are enrolling only in the following courses, you do not need to sign up for assessment and orientation:

Proxy registration
With written permission you may authorize someone else to register for you. They must do this in person. Make sure they have:
• your complete name, address and telephone number,
• your correct student ID number and birth date,
• your course choices and alternates,
• your registration fees.
Online and telephone registration makes it easy for students who cannot come to the campus.

Attendance
If you miss the first class meeting or are absent for the equivalent of two weeks without approval, you may be dropped by the instructor.
If you do not attend class but fail to drop the course by the refund deadline, you are still responsible for the registration fees.

Withdrawal from a course
You must officially drop courses through the online or phone registration system or at the Admissions and Records Office. Non-attendance can result in an “F” grade and will cause you to lose your enrollment fees. If the course fee has not been paid and the course is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student’s responsibility to drop a course, not the instructor’s. If a course is dropped before 25 percent of the instruction time has elapsed, a grade will not appear on your record. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an “F” grade.

Fees
Enrollment fees
Note: All fees are subject to change by the state legislature.
• $20 per unit for California residents.
• $201 per unit ($181 per unit plus $20 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents.
• $208 per unit ($188 per unit plus $20 per unit enrollment fee) for students who are not U.S. citizens.
Other fees
• The optional $7 student activity fee offers discounts for student related activities.
• A $1 per unit student union fee helps pay for the maintenance of the student center. The maximum fee is $10 per student per academic year.

Parking fees
The parking fee is $2 a day or $35 for the fall and spring terms. The summer fee is $20. College parking permits are required daily except weekends (Friday 5 p.m. through Monday 7 a.m.) and holidays. You can purchase a parking decal at the Cashier’s Office, Book Center or at the Admissions and Records Office.

Financial aid enrollment fee refunds
If subsequent to paying enrollment fees, a student becomes eligible for financial aid and receives an enrollment fee waiver, the student will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment fee deferments
If subsequent to paying enrollment fees, a student becomes eligible for an enrollment fee deferment to an outside agency, the student should request that the document stating the deferment be submitted to the Cashier’s Office. The student will then automatically be mailed a refund check of the deferred fees according to the same refund processing cycle as enrollment fee refunds.

Outstanding debts
If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared. Pay debts at the Cashier’s Office. Debts are subject to district collection processes.

Fee refunds
To receive a fee refund, students must withdraw from school or drop class by the refund deadline. Refund checks for complete or partial withdrawals from school will be processed after the first two weeks of instruction. Refund checks will be mailed to the student address on file in the college Admissions and Records Office. If you have a new address, please notify the Admissions and Records Office.

Parking fees
Parking fees will be made if the student drops all classes within the first two weeks of instruction for semester-length courses or by 10% of the length of short-term courses. The parking decal must be returned to the Cashier’s Office for a refund. The refund check will be mailed to the student according to the same refund processing cycle as enrollment fee refunds.

Non-resident tuition refunds:
To obtain a refund for non-resident tuition, your request must be made at the Cashier’s Office.

Non-refundable fees
The Associated Students fee is not refundable. Our refund policy complies with and is based upon California law and the Education Code.

Non-resident tuition refunds
Refunds for over $1,000 must be requested at the Cashier’s Office. A detailed refund policy is available.

Prerequisites
Enrolling in DVC courses with prerequisites or co-requisites
Course prerequisites ensure that a student has the appropriate body of knowledge to successfully take the course. Students who wish to enroll in a course with a prerequisite must complete the required course with a ‘C’ grade or better before they are allowed to register.

To enroll in a course with a co-requisite, the student must have either already completed the requirement, or be enrolled in the co-requisite course simultaneously. In-progress course work cannot be used unless you are taking the course at CCC, DVC or LMC. (Exception: if the course prerequisite is a math course you may be eligible to submit the Math Prerequisite In-Progress at Another School Form. Go to www.dvc.edu/admissions/forms.htm for the guidelines and form).

To see which courses have prerequisites and/ or co-requisites, see the individual course offerings in the catalog or our website at www.dvc.edu/catalog

Registering for a course with a prerequisite and/or co-requisite
If you completed the prerequisite course at DVC during summer 1999 or later with a “C” grade or better, your prerequisite will automatically be cleared when you go to register. If you took the course at DVC, CCC or LMC prior to summer 1999, you must contact the Admissions and Records Office to clear prerequisite requirements.

If you completed the prerequisite at another educational institution, the Admissions and Records Office will need to request clearance of your prerequisite requirement prior to your registration appointment time. There are a few ways to do this:

- Your official transcripts have been received, submit a Prerequisite Form.
- You must submit your official or unofficial transcript along with a Prerequisite Form which is available at www.dvc.edu/admissions/forms.htm
- You may fax your unofficial transcript along with a Prerequisite Form.

If approved, your prerequisite will be cleared in 48-72 hours. If denied, you will be notified via your contact information provided on the Pre-
requisite Form. All prerequisites must be posted before you can register online or by phone. If you register in person, submit your Prequisite Form and official or unofficial transcript.

Student academic responsibilities
You are expected to attend classes, do class work on time, and complete each course. You are also expected to maintain regular progress towards an educational goal.

You must see a DVC counselor before enrolling if you are on academic or progress probation, or enrolled in developmental courses such as English 96 or 98, or Math 70 or 71, or have not declared an educational goal.

Rights
Among your rights as a student, you may file a complaint on the grounds that DVC failed to make a good faith effort to help you develop an educational plan or provide a specified service.

Waivers, appeals and complaints
Students requesting waivers or filing appeals or complaints under the Title 5 Matriculation Rights must submit a form to the Admissions and Records Office.

The Director of Admissions and Records will consider the appeal or complaint. If the appeal or request for waiver is not granted, the student may appeal to the vice president of student services.

Open course policy
It is the policy of the Contra Costa Community College District that, unless specifically exempted by statute or regulation, every course, course section or class reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites pursuant to regulations contained in Article 2.5 of Subchapter 1 of Chapter 6 of Division of Title 5 of the California Administrative Code, commencing with section 55200.

Academic honesty
DVC students are expected to be truthful and ethical in their academic work. Academic dishonesty is defined as an act of deception in which a student claims credit for the work or effort of another person or uses unauthorized materials or fabricated information in any academic work. Academic dishonesty is a violation of the DVC Student Code of Conduct and will not be tolerated.

Student Code of Conduct
The Student Code of Conduct is available at www.dvc.edu/union/code.htm. This code includes important information about students’ rights and responsibilities on campus. The code contains specific rules and regulations governing student behavior, along with the consequences for violating these rules. If you would like a hard copy of the Student Code of Conduct, visit the Student Life Office in the Lesher Student Union Building.

Policies
Diablo Valley College is open to any California resident 18 years or older or who has earned a high school diploma or proficiency certificate or current high school students who qualify.

Smoking policy
In recognizing the serious health risks associated with smoking, wishing to discourage both students and staff from becoming smokers, and recognizing the rights of nonsmokers to a reasonably smoke-free environment, the follow-
ing policy applies:

• At the Pleasant Hill campus, smoking will be allowed only in the central quad and the parking lots.
• At the San Ramon Campus, smoking will be allowed only in the parking lots.
• Restrictions at other educational sites will be established by those sites and by state and local law.

Adherence to this policy relies on the initiative of nonsmokers to politely request that smokers follow the policy and on the courtesy of smokers to follow the policy.

A drug-free DVC
It is DVC’s policy to maintain a campus where students are prohibited from the unlawful manufacture, distribution, dispensing, possession or use of controlled substances as listed in Schedules I through IV of Section 202 of the Controlled Substances Act (21 U.S.C. Section 812) and from abuse of alcohol. This includes student participation in field trips, athletic competition and/or any activity sponsored by the college. Any violation of this policy will be cause for disciplinary action up to and including expulsion. The use of controlled substances or the abuse of alcohol has significant health risks. For a description of the effects and health risks associated with use of illicit drugs and the abuse of alcohol, and the applicable legal sanctions under local, state or federal law, please visit: www.dvc.edu/union/AIcDrugs.htm. Any student who needs information about substance abuse treatment may consult a campus counselor or the dean of student life who can provide the student with information about available treatment resources.

Sexual assault, relationship violence and stalking
Consistent with the spirit of AB 1088, the college is committed to working with students to reduce the risk of sexual assault, stalking and relationship violence. If students would like more information about these issues, you are welcome to visit the college’s website at: www.dvc.edu/unionSexualAssault.htm or www.dvc.edu/unionStalking.htm or to contact the dean or student life in the Student Union Building or police services.

Equal opportunity policy and grievance procedures
Diablo Valley College does not discriminate on the basis of race, color, national origin, sex, sexual orientation, disability, or age in any of its policies, procedures, or practices, in compliance with Title VI of the Civil Rights Act of 1964 (pertaining to race, color, and national origin), Title IX of the Educational Amendments of 1972 (pertaining to sex), Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975 (pertaining to age), and CCCCD Board Policy 2001. This nondiscrimination policy covers admission and access to, as well as treatment and employment in, the college’s programs and activities, including vocational education.

This procedure affords students an opportunity to resolve a variety of complaints, including those alleging discrimination based upon race, sexual orientation, color, national origin, sex, handicap, and age. Students who require assistance in the use of this procedure or any of the above-mentioned policies should contact the dean of student life. Inquiries regarding federal laws and regulations concerning nondiscrimination in education or the district’s compliance with those provisions may also be directed to the director of personnel services, Contra Costa Community College District, 500 Court Street, Martinez, CA 94553, or U.S. Department of Education, Office of Civil Rights, 221 Main Street, Suite 1020, San Francisco, CA 94105.

Equal opportunity policies, the filing of grievances, or requests for a copy of the college’s grievance procedures may be directed to the following: disability support services manager, Learning Center; Title IX, Sexual Harassment - Title VI, discrimination based on race, color, or national origin, the vice-president of student services, Administration Building, ext. 2231 or dean of student life, Student Union building, ext. 2094.

For more information or to initiate a grievance contact:
Vice president of student services
(504, Title IX, Sexual Harassment Title VI and EEOC officer.
925-685-1230, ext. 2232
Director of business services (ADA Coordinator) ext. 2533
Dean of student life (EEOC officer) ext. 2445

Freedom of expression policy
It is the policy of the district and DVC to allow and protect reasonable and legal expressions, speeches, and actions according to federal and state laws and Education Code #76120. Students have the right to exercise free expression, including the use of bulletin boards, the distribution of printed materials and the wearing of buttons, badges or other insignia. The policy excludes expression that is obscene, libelous or slanderous according to current legal standards or which incites students to create a clear and present danger or to commit unlawful acts on community college premises or damage to persons or property. Inciting students to riot, or the violation of lawful community college regulations or the substantial disruption of the orderly operation of the community college, is also prohibited. A copy of the policy is available at the Student Life Office.

Male applicants
You have an obligation to register in accordance with the federal Military Selective Service Act (50 U.S.C. appl 451 et. seq.) if you are a male U.S. citizen or alien living in the United States whose age is 18 through 25. Additional information can be obtained at the U.S. Post Office or at the website of the Selective Service: www.sss.gov.

COLLEGE TODAY
A special opportunity for high school students to attend college courses while in high school.

A high school student can:
• explore academic levels not taught in high school,
• earn high school honors credit for college courses,*
• discover a new academic interest,
• save hundreds of dollars in college tuition,
• take a class online to accommodate busy schedules - www.dvc.edu/online,
• take classes at several convenient locations.
• High school policies vary; please check with your high school administration.

WebAdvisor online registration

Note: You may enroll online or by telephone in a course that is still open up until midnight the day before the first class meeting.

Who can use the online and phone registration system?

If you are enrolled in the current semester, you may use the online or telephone system to add or drop courses. A priority registration appointment time is automatically assigned.

Check WebAdvisor for your appointment day and time. If you are a new student or previous student that did not attend for one year or more, you will need to complete a new application before you can register. Registration appointments are assigned after applications are processed. An application can be completed online or submitted by mail or fax. The application and assessment exemptions forms are located in this schedule - see the table of contents for location. The assessment exemption criteria are explained earlier in this section.

Go to www.dvc.edu
Click on Register for Courses
Click on Use WebAdvisor Now
Click on LOG-IN or for help, click on User ID Help

Your user name is generally the first letter of your first name, your full last name and the last three digits of your student ID number (your spaces, all lowercase). Exceptions to this rule do occur. You will find more information by checking the HELP tab which appears when you select “What’s my User ID?” Your initial password is your six digit birthday (mmddyy - no dashes or spaces).

for example: Victor Viking

Register online 24 hours a day

6. Click on Current Students
7. Click on Register for Sections
8. Click on Express Registration
Use this option if you know the exact subject, course and section number then register. (Example: BUS-109-2075).
9. Enter the four digit section number and select a term. (For variable units courses, please use the search and register functions. A late add code is required only if the class has already started and the code is given to the student by the instructor.)

10. Select Register under Action.

11. Under Registration Result, click on Pay on My Account to pay for your fees online.

12. You can also pay by mailing payment to DVC or pay in person at the Cashier’s Office - SS Bldg.—next to Admissions and Records Office.

13. Print your schedule as proof of registration by going to My Class Schedule under Current Student option.
Register by phone 24 hours a day

1. View your registration appointment date and time on WebAdvisor.

2. Contact the Information Center (see below) if no appointment is listed for you.

3. To register call 925-370-9000, or 866-455-8734.

4. Before you call, complete the phone registration worksheet on the following page. Our system moves quickly, so be sure to have all the proper numbers completed before calling. Check the notes at the bottom of the worksheet to assist you in case you make a mistake.

5. Press “6” at the end of each call to save your transactions.

6. Payment of fees is required at the time of registration.

   By credit card: Enter your credit card number when prompted. After it has been accepted by the system, the voice prompt will guide you through the remainder of the phone registration process.

   By check or money order: Mail or bring your check or money order to the Cashier’s Office immediately. Write your student ID number on your check.

**DO NOT HANG UP THE PHONE BEFORE ENDING YOUR TRANSACTION.**

Hanging up will not erase your transaction. **If you want to cancel your call, press “5”**.

**To complete your call, press “6”** and listen for the “thank-you” message before you hang up.
There is no charge for unlimited use of the phone registration system. Please note the following information that will help you use this system:

If you enroll on or after the day the course begins, you will need a late add code to register (issued by instructor). This code will expire after the last day to register.

When you have finished registering you must press “6” to complete your call. Press “5” to cancel all changes.

Hanging up without pressing “5” will not erase your courses.

Complete this Form before you call to register.

A. Call the phone registration system. 925-370-9000 or 866-455-8734

B. Press 1 to register, add or drop, or press 2 to listen to your grades.

C. Press 1 to register by student ID number.

D. Press 2 to register by social security number.

E. Enter your birthday (mm/dd/yy) format. (Example, April 28, 1975 is 042875)

F. Follow the voice that will guide you through the process. (Remember to press “6” after you have added and dropped all courses.)

Press 1 to add a course. (If the course has started, you will be prompted to enter your 4-digit late add code issued by instructor.)

Press 2 to drop a course.

Press 3 to review your course schedule.

Press 4 to delete your course schedule. (This will only delete the courses from the current call.)

Press 5 to cancel all changes made during this call — remember to also press “6” at the end of your call.

Press 6 after entering your transactions to save the entries from this call.

You must properly withdraw from a course before the refund deadline to avoid owing the registration fees.

CALIFORNIA ARTICULATION NUMBERS (CAN)

The California articulation number (CAN) system is a statewide numbering system independent from course numbers assigned by local colleges. A CAN number signals that participating California colleges and universities have determined that courses offered by other campuses are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local identifying numbers.

Students should always check with their campus counselors, articulation officers, or the transfer center director to determine how CAN-designated courses fit into their educational plans for transfer. In addition, students should consult the ASSIST database at www.assist.org for specific information on course agreements. The college staff will help students interpret this information.

DVC Transfer Center
Location: DVC Counseling Building
Phone: 925-685-1230, ext. 2588
Website: www.dvc.edu/transfer

We want you to transfer!
Transferring requires a lot of thought and planning. As a DVC student you have access to free expert assistance through the entire process.

How can you get started?
Visit the Transfer Center to get all the latest information you need on transfer.

• Take Counseling 105 “Orientation to College”. This short class (six hours) gives you the “big picture” on how to navigate the transfer process. It also includes an individual appointment with a DVC counselor!

• Meet with a DVC counselor.
DVC counselors are specially trained to guide you through the transfer requirements for UC and CSU schools. They can also assist you with private and out-of-state colleges. It is strongly recommended that you meet with a DVC counselor at least once each term.

• Meet with four-year college admissions representatives — here at DVC!
Four-year schools know that there are many transfer students here at DVC so they send their representatives here to talk to you. To find out when your favorite school is coming to campus go to www.dvc.edu/transfer and click on “College Representatives” — then call or come by the Transfer Center for details!

• Make time to attend one or more of DVC’s many transfer programs and events.
DVC offers transfer classes, workshops, information sessions, and special events such as Transfer Day and a Transfer Conference. Check out our display cases or go to www.dvc.edu/transfer.

• Take a free class at UC Berkeley, CSU East Bay, JFKU, or Mills College while still at DVC!
DVC, in partnership with these nearby colleges and universities, offers the opportunity for our students to take one or more courses at these campuses — even before applying or being admitted — and at no charge! See a DVC counselor for details.

• Take advantage of a guaranteed admission program!
DVC has special transfer agreements with seven UC campuses, CSU East Bay and University of the Pacific. These agreements give qualified students a guarantee of an offer of admission. See a DVC counselor or stop by the Transfer Center for details!

Learning Communities
We invite you to join a DVC Learning Community. In doing so you will join a group of students in one or more classes that are linked together by a common thread. This thread could be of many types: for example, subject matter, personal interests, cultural perspectives, or life goals. Our goal is to help you to get the most out of your time at DVC by offering you an innovative curriculum, academic and personal support, and the opportunity to meet and make friends with a variety of people with whom you will share an enriched educational experience.

To join, just be sure to enroll in all course sections within a specific learning community, unless there are specific instructions.

EOPS Summer Institute
The EOPS Summer Institute is a six-week college readiness summer program designed to bridge the gap between high school and college. The program is designed for recent high school graduates and incoming high school juniors and seniors, but open to all interested students. Students benefit from taking college English, math, and counseling courses as part of an educational, fun, and nurturing learning community. Special activities include weekly pizza lunches, trips to four-year colleges and universities, and interdisciplinary activities such as the Art-English anthology project. For more information on the EOPS Summer Institute, please contact Lindsay Kong, 685-1230 x2076 or lkong@dvc.edu.

CARRERA (CAReeR Exploration and Readiness Academy)
Are you unsure what to study in college? Do you want to strengthen your skills and learn how to be a successful college student? Explore your career options while taking the first steps to prepare for a degree or certificate program at Diablo Valley College. DVC’s CARRERA is a learning community designed to help you find the career that is right for you while building those basic English and math skills necessary for your success. Students must participate in an orientation workshop and will enroll in 9-12 units of coursework best suited to their skills and interests. Math and English assessments are required. Look for Carrera courses in the fall.

For more information about orientation and enrollment for this exciting new program, please call 925-685-1230, ext. 1888 or email CARRERA@dvc.edu

Ujima program
Ujima offers opportunities for students to learn college success strategies and prepare for graduation and transfer. This innovative program focuses on the African-American experience and supports students through counseling and enrichment activities. Open to all students.

The foundation of the Ujima Program is the Counseling 120 Student Success class that is focused on the African American experience. In Counseling 120 students work on personal and academic goals while creating a forum to discuss topics that affect the black community. Members of the program will also take part in cultural enrichment activities throughout the semester. Look for Couns-120 1003 Student Success which will be offered in the fall.
Puente Program
www.dvc.edu/counseling/puente.htm

In collaboration with the University of California, the DVC Puente program is a one-year pre-transfer program open to all students who meet the eligibility criteria. The content of the course focuses on Mexican American/Latino writing, issues and experiences. All students will be required to participate in all course and project activities, counseling and mentoring.

The program is based on three components that work together: English instruction, counseling and mentoring. English 118 and 122 help students with their writing skills, while counselors help with devising career options, developing an academic plan, and identifying long term goals. Mentors from the business or professional community share their personal, academic and career experience with the students.

Since its founding in 1981, Puente has expanded to 54 community colleges throughout the state, including DVC. Studies indicate that community colleges with Puente programs transfer 44 percent more Latino students to the University of California than colleges without Puente.

Look for Puente classes offered this fall. For more information, go to the Puente website www.dvc.edu/counseling/puente.htm

Educational Talent Search (ETS)
www.dvc.edu/ets

Location: next to library in FOA
Phone: 925-685-1230, ext. 2571

Educational Talent Search is a federally funded program designed to assist low-income, first generation college students between the ages of 11 and 27 with secondary school retention, graduation, re-entry and college placement. Students are provided with academic, college, financial aid and career advising.

Special workshops are designed to teach parents about the college admissions and financial aid processes. The program offers test preparation strategies and assistance in preparing students for college entrance exams. Eligible students are provided with fee waivers to cover the cost of SAT and ACT college entrance exams as well as admissions applications. Students can receive assistance with study skills, time management, goal setting and self esteem development.

For more information about enrollment in an “ETS Cohort” and all ECE Professional Development Program services contact Sue Handy, ext. 2162 or email shandy@dvc.edu

College for Kids

What could be more ideal than earning course credit while living out a romantic adventure? DVC offers trips abroad to some of the world’s most exciting cities, where students can learn about a foreign culture by experiencing it first-hand. Over 1,000 DVC students have participated in the London program alone. Costs include living accommodations and an extensive schedule of cultural and social activities.

Semester Abroad requirements
Students must:
• be 18 years of age or older,
• have a G.P.A. of 2.25 or higher,
• have completed 12 college units before the program.

Earn 12-15 units transferable for bachelor’s degree credit
Each program includes a special Life and Culture series with field trips.
Financial aid is available to eligible students who apply early.

Please read all notations regarding course prerequisites and transfer credit information as listed in the catalog course descriptions.

London, England
- offered every fall

Experience the rich culture, history and modern life of one of the world’s greatest cities while taking DVC credit courses. Students visit places of historic and cultural significance, such as the Parliament, the National Gallery and the British Museum as well as famous centers of fashion, design, and popular music and night life.

London students are required to take 12-15 units including History 160 and one other DVC course. Contact the Study Abroad Office for non-DVC London courses available or visit our website.

Exceptional learning opportunities for adults with “No tests, no stress, no homework, no kidding.” Topics include history, music, religion, health, literature, language for travelers, world events, yoga, art and travel. To make it easy to fit into your schedule, classes and programs meet for one to six meetings. Classes are offered at many sites in Concord, Lafayette, Moraga, Pleasant Hill, Rossmoor and Walnut Creek.

Florence (Firenze), Italy
- offered every spring beginning in 2009

Florence, in the heart of Tuscany, offers an unparalleled opportunity for students of art, history and literature to explore its museums, churches and Italian culture. People from all over the world visit Florence to enjoy the city’s beauty and rich history contrasted with a vibrant modern culture including a wealth of cafes, shops and cinemas. Whether reliving the renaissance, indulging in opera or feeling the passion of an Italian soccer match, Florence is an experience worthy of discovery.
TUTORIZING

Tutors can help with course work, homework, exam preparation or grade improvement. All students benefit from tutorial services that strengthen their computational skills and/or basic writing, reading, language and critical thinking skills. Tutoring is available at all academic levels and for a variety of courses. Students receiving free supervised tutoring may be asked to obtain a referral from an instructor or counselor and to enroll in a zero-unit, non-credit, Supervised Tutoring 20 course, which does not appear on your transcript. Free tutoring is available for registered DVC students at the following locations:

The Financial Aid Office offers information and help in determining eligibility for Federal and State financial aid. Grants, work-study and other forms of aid are available to close the gap between student resources and academic expenses.
The Board of Governors Waiver (BOGW) is available to pay enrollment fees. Applications can be obtained in the Financial Aid Office. Financial Aid Workshops are offered twice a month and the new FA Express Site is open Monday-Thursday from 10am-3pm to provide hands-on assistance to students in completing the FAFSA application and other financial aid forms.

Library

www.dvc.edu/library/
Phone: Ext. 2441
Hours: May 23 - June 21: closed
June 22 - July 30: Mon.-Thurs. 8 a.m.-7 p.m.

For SRC hours, see library DVC library website.
The libraries at the Pleasant Hill and San Ramon campuses offer a full range of resources and information resources and services to both students and faculty. A robust collection of print and electronic resources include online, 24-hour access to e-books, journal articles, encyclopedias and more. These resources, research guides and other information are available at the library website. Full access is possible from off campus using the college Connect Card student ID number. The DVC library also provides nine group study rooms, an Information Commons with 30 computers and a 35-computer lab/classroom.
The Dougherty Station Library at the San Ramon campus is a joint-use library collaboration between the Contra Costa County Public Library and the DVC Library. The Dougherty Station Library provides books, DVD’s, course reserves and online access to databases and e-books. DVC library books may also be requested for pickup at the San Ramon campus. A learning commons in the college west building provides additional group and individual study space and computers. Use a combination of your DVC Connect Card and the Contra Costa County Library card to access all the resources available through the Dougherty Station Library.
Student Assistance Program
Phone:  Ext. 2086 or 800-227-1060
TVP 800-327-0801
Location:  Student Union
Students can get help with a wide array of personal problems through this program. Family problems, those related to AIDS, relationships, addictions, stress and finances, are all appropriate subjects for this counseling. A brochure describing the services can be found in the Student Life Office, library, Peer Support Center, and the Counseling Office.

Student Life Office
Phone:  Ext. 2095/2086
Location:  Student Union
Hours:  Mon.-Thurs. 8 a.m.-7 p.m.
This office is responsible for student ID cards; student discipline, probation and dismissal; student leadership development and advising for student government and student clubs and activities. Students can find information on additional campus resources such as bus schedules, health insurance information, housing listings and bike locker rentals.

Scholarship Program
www.dvc.edu/scholarship
Phone:  Ext. 2559
Location:  Student Services
Hours:  Mon.-Thurs. 9 a.m.-4 p.m.
Scholarship awards are based on a variety of criteria. Some considerations are grade point average, financial need, and community service experience. Most scholarships require students to have a cumulative grade point average of at least a 3.0.

College Commute Program
www.dvc.edu/aboutdvc/commuting.htm
Free $60 gas cards, Safeway gift cards or BART and bus tickets are available to students. Students who pledge to carpool or use public transit to campus instead of driving alone are eligible to participate. Services provided by 511 Contra Costa.
For an application, call 925-969-1083 or go to www.511contracosta.org and click on the “Carpool” icon for an application.

Other scholarships
The Scholarship Program Office offers many opportunities for scholarships through additional applications from outside sources. These applications are available in the DVC Foundation Office. The scholarship filing season begins late in the fall term and ends in mid-February.

Transfer Center
www.dvc.edu/transfer
Phone:  925-685-1230, ext. 2598
Location:  DVC Counseling Building
As a DVC student you have access to free expert assistance through the entire process. See page 17 of this schedule for more information.

Veterans Affairs Office
Phone:  925-685-1230, ext. 2637
Location:  Student Services Center
Hours:  Mon, Wed. 8 a.m.-12 p.m.
Tues, Thur. 1 p.m.-4 p.m. by appointment
If you were active duty military personnel, a reservist, or a dependent of a veteran who is 100% disabled or deceased due to a service related injury, you may qualify for educational benefits through the Veterans Administration. For general questions you may speak with a VA representative.

Bicycle
Secure bike racks and bike lockers are available at various locations on campus. A network of trails throughout Contra Costa County offer a peaceful, quiet ride. Free trail maps can be obtained by calling 511 Contra Costa at: 925-969-1084. Bikes can be transported by BART or bus as well.

Bike lockers may be leased by students, faculty and staff. Leasing applications are available on a term-length basis only and can be obtained in the Student Life Office. 925-685-1230, ext. 2095.

511 Contra Costa
Provides commuter services and programs to college students traveling to, through or from Contra Costa. Programs are available offering monetary incentives to commuters who are willing to form a carpool or try riding the bus or BART instead of driving alone to campus. Visit www.511contracosta.org for information or phone 925-969-1084.

511 Contra Costa commute services are provided free of charge to residents, college commuters, and employers in Contra Costa County. Funds for this program are provided by the Bay Area Air Quality Management District’s Transportation Fund for Clean Air and the Contra Costa Transportation Authority.
Sponsored by DVC in cooperation with 511 Contra Costa www.511contracosta.org
Take DVC courses in San Ramon and enjoy a small college atmosphere with a broad selection of day and evening courses.

Currently about 3,500 students attend SRC and enjoy easy access at a convenient San Ramon location and free parking. Students may choose to take all their courses at SRC or may take classes at both the San Ramon campus and the Pleasant Hill campus.

Take advantage of many of the same services available at our main campus such as admissions, a bookstore, counseling services, disabled student services, a student services office, computer labs, library facilities, information on job openings and much more.

A wide range of courses are offered at SRC, which allows students to complete the general education requirements for an associate degree, the transfer requirements for the UC, CSU and other private colleges and universities, and to complete certificate programs.

SRC courses in this schedule are clearly identified with “San Ramon Campus,” at the beginning of each course listing.

See subject area in course listing for times and rooms.
