Instruction begins June 14th
Welcome to all new and returning students of Diablo Valley College. If this is your first summer session, you are in for a treat! The long, warm summer days, comfortable class sizes, easy parking, and a more relaxed atmosphere helps to put everyone in a great mood.

We hope your experience here with us is both inspiring and challenging, and brings you closer to achieving your educational goals.

You may have noticed that this class schedule is thinner than in the past summers. We have been forced to reduce our course offerings due to reductions in our funding from the state. We understand how frustrated you must feel if the class you need is not offered, or already full when you tried to enroll.

We are frustrated too, and continue doing everything possible to minimize the impact to our students, but when cuts are this deep, all of us are affected. We are working with our state legislators and representatives to share our stories of the impact that these budget reductions are having on our students. I believe they are beginning to listen… but there is much more we need to do, and things you can do as well.

If every student who has been negatively affected by these budget decisions makes their voices heard, we believe it will make an even bigger difference. To find the names of senators and legislators representing your city and/or county, please visit: [www.leginfo.ca.gov/yourleg.html](http://www.leginfo.ca.gov/yourleg.html)

We believe in the mission of our college, we value our students, and feel honored that you have chosen us as a partner in your higher education. We will continue to advocate for you, and we look forward to the time when we will no longer be turning students away due to lack of course offerings.

Sincerely,

Judy E. Walters

This schedule is subject to change. Classes not registering 20 or more students are subject to cancellation. In keeping with district and college policy, the district reserves the right to modify the schedule at any time to meet the needs of the district and its students including, but not limited to, the right to add or delete courses and change instructional assignments. Alternate format and accommodations of this schedule are available upon request. Visit our DSS Department for details.
Easy Steps

1. Submit an application for admission
All new, transfer and returning students, must submit an application. Go to www.dvc.edu to complete an online application. Students who attended DVC in summer 2009, fall 2009, or spring 2010 (continuing students) do not need to submit an application.

2. Take an assessment test
Assessment testing can help to satisfy a prerequisite requirement. To assist in planning your chemistry, math and English classes, participate in the assessment process. This is a two-hour session placement exam measures current skills in reading, writing and math. The information will help you make decisions for the most appropriate classes to meet your individual educational goals. Assessments are free and offered daily. Check for days and times of assessments at www.dvc.edu/assessment, or stop by the Student Services Center, or call 925-685-1230, ext. 2545.

3. Apply for financial aid and learn about Extended Opportunity Programs and Services (EOPS) optional
Visit the Financial Aid Office (Student Services Center), online at www.dvc.edu/financialaid, or call 925-685-1230, ext. 2290. Visit the EOPS Office (Student Services Center, second floor), online at www.dvc.edu/eops, or call 925-685-1230, ext. 2236.

4. Attend orientation and advisement counseling
New students for summer 2010 who have completed fewer than 12 college units are strongly encouraged to register for Counseling 095 (college orientation) during fall (see page 4). Classes meet once or twice for a total of six hours. Students must complete the math and English assessment tests at least four working days before the Counseling 095 class begins.

Returning and new transfer students (with more than 12 college units) should speak with a counselor to discuss their current educational goals or plans. Request your official transcripts from high school and other colleges you’ve attended to be sent to the Admissions and Records Office. Official transcripts from other schools can take two to six weeks to arrive at DVC. Official transcripts must be on file at least two weeks prior to scheduling a counseling appointment.
to Enroll

5 Register for classes

Registration appointments are only for online or telephone registration until open/walk-in registration begins on June 1, 2010.

Registration appointments can be viewed on WebAdvisor from the DVC website. Contact the Admissions and Records Office if no registration date is listed. Students may use one of the many computers in the Information Center, Library or computer labs throughout the campus.

Priority registration appointments are assigned to continuing or currently enrolled DVC students (attended classes summer 2009, fall 2009, or spring 2010).

Students without a priority registration appointment register according to the calendar of important dates.

Be sure to follow the instructions carefully. If registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment.

Adding classes before instruction begins

Students who wish to add classes before the class begins, may do so online or by telephone until midnight the day before the class begins as long as there is still space available.

Adding classes after instruction begins

Students who wish to add a class after instruction has started, should first check with the instructor. If space is available, the instructor will give the student a unique four-digit late add code that will permit the student to register on WebAdvisor or by telephone. Late add codes expire at midnight on the deadline date to add the class. In-person registration will require the instructor’s signature or late add code on a Schedule Request form and submission by the deadline date.

Assistance using WebAdvisor is available in the Information Center.

6 Pay fees

Payment of registration fees is required at the time of registration.

Fees can be paid with a credit card on WebAdvisor and when registering by telephone. The Cashier’s Office will accept payments in cash, by credit card, check, or money order.

7 Obtain student ID card

After registering, take your class schedule with a picture ID to the Student Life Office in the Student Union Building to obtain your “Connect Card.” This FREE card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker for a small fee.

How to find my user ID without a student ID number

Proxy information
Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:
- Written permission, which includes your signature and detailed information on what transaction you authorize them to do. Include your proxy’s name,
- Student ID number and birth date,
- Your name, address and telephone number.
Your proxy will need to show a valid photo ID before any transactions are completed.

Attendance
If you miss the first class meeting or are absent for the equivalent of two weeks without approval, you may be dropped by the instructor. If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.

Withdrawing from a class
You must officially drop classes through the online or telephone registration system or at the Admissions and Records Office. Non-attendance can result in an “F” grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student’s responsibility to drop a class, not the instructor’s. If a class is dropped before 25 percent of the instruction time has elapsed, a grade will not appear on your record. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an “F” grade.

Fees
Enrollment fees
- $26 per unit for California residents
- $207 per unit ($181 per unit plus $26 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents
- $214 per unit ($188 per unit plus $26 per unit enrollment fee) for students who are not U.S. citizens

Other fees
- The optional $8 student activity fee offers discounts for student related activities.
- A $1 per unit student union fee helps pay for the maintenance of the student center. The maximum fee is $10 per student per academic year.

Parking fees
The parking fee is $2 a day or $35 for the terms fall or spring. The summer fee is $20. College parking permits are required daily except weekends (Friday 5 p.m. through Monday 7 a.m.) and holidays. You can purchase a parking decal at the Cashier’s Office, Book Center or at the Admissions and Records Office.

The parking fee is $20 per term for students who qualify for the Board of Governors Enrollment Fee Waiver. DVC parking permits are also valid at CCC and LMC campuses. Parking at the San Ramon Valley Campus is free. Contact all other off-campus locations for their parking policies.

Outstanding debts
If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared. Pay debts at the Cashier’s Office. Debts are subject to district collection processes.

Note: All fees are subject to change by the state legislature.

Fee refunds
To receive a fee refund, students must withdraw from school or drop class by the deadline. Refund checks for complete or partial withdrawals from school will be processed after the first two weeks of instruction. Refund checks will be mailed to the student address on file in the college Admissions and Records Office. If you have a new address, please notify the Admissions and Records Office. If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared.

If you paid online (credit card payment only): a refund will be applied to the credit card used for online payment.

If you paid by check: refund checks will be issued monthly after the first two weeks of instruction each term. All refund checks will be made payable to the student whether paid by cash, check, money order, cashier’s check or credit card. No refund of the enrollment fee will be made to any student who withdraws from classes after the first two weeks of instruction for a full semester class, or after ten percent of the class time for a short-term class. A refund will not be made if the student has other outstanding debts to the college.

Non-resident tuition refunds:
To obtain a refund for non-resident tuition, your request must be made at the Cashier’s Office.

You will not receive a refund if:
- you stop attending class and do not officially withdraw from the course,
- you withdraw from the course after the refund deadline,
- you have other outstanding debts to the college.

A detailed refund policy is posted in the Cashier’s Office. Refunds for over $1,000 must be requested at the Cashier’s Office. A detailed refund policy is available.
Financial aid enrollment fee refunds
If subsequent to paying enrollment fees, a student becomes eligible for financial aid and receives an enrollment fee waiver, the student will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment fee determents
If subsequent to paying enrollment fees, a student becomes eligible for an enrollment fee determent to an outside agency, the student should submit the determent to the Cashier's Office. The student will automatically be mailed a refund check of the deferred fees according to the same refund processing cycle as enrollment fee refunds.

Details regarding the refund policy are available from the Cashier's Office or the Admissions and Records Office.

Parking permit refunds
Parking fee refunds will be made if the student drops all classes within the first two weeks of instruction for semester-length classes or by ten percent of the length of short-term classes. The parking decal must be returned to the Cashier's Office for a refund. The refund check will be mailed to the student according to the same refund processing cycle as enrollment fee refunds. Lost or stolen parking permits are not refundable.

Non-refundable fees
The Associated Students fee is not refundable. This refund policy complies with and is based upon California law and the Education Code.

Prerequisites
Enrolling in DVC courses with prerequisites or co-requisites
Course prerequisites ensure that a student has the appropriate body of knowledge to successfully take the course. Students who wish to enroll in a course with a prerequisite must complete the required course with a “C” grade or better before they are allowed to register. To enroll in a course with a co-requisite, the student must be enrolled in the co-requisite course. In-progress course work cannot be used unless you are taking the course at CCC, DVC or LMC.

To see which courses have prerequisites and/or co-requisites, see the individual course offerings in the catalog or our website at www.dvc.edu/catalog

Registering for a course with a prerequisite
If you completed the prerequisite course at DVC during summer 1999 or later with a “C” grade or better, your prerequisite will automatically be cleared when you go to register. If you took the course at DVC, CCC or LMC prior to summer 1999, you must contact the Admissions and Records Office to clear prerequisite requirements.

If you completed the prerequisite at another educational institution, the Admissions and Records Office will need to clear your prerequisite requirement prior to your registration appointment time. To clear a prerequisite you must submit a completed prerequisite form along with your supporting documentation. The prerequisite form is available at www.dvc.edu/admissionsforms. You may submit your forms:
• in-person
• by mail
• by fax

Student academic responsibilities
You are expected to attend classes, do class work on time, and complete each course. You are also expected to maintain regular progress towards an educational goal.

Rights
Among your rights as a student, you may file a complaint on the grounds that DVC failed to make a good faith effort to help you develop an educational plan or provide a specified service.

Waivers, appeals and complaints
Students requesting waivers or filing appeals or complaints under the Title 5 Matriculation Rights must submit a form to the Admissions and Records Office.

The dean of outreach, enrollment and matriculation will consider the appeal or complaint. If the appeal or request for waiver is not granted, the student may appeal to the vice president of student services.

Open course policy
It is the policy of the Contra Costa Community College District that, unless specifically exempted by statute or regulation, every course, course section or class reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites pursuant to regulations contained in Article 1 of Subchapter 1 of Chapter 6 of Division 6 of Title 5 of the California Administrative Code, commencing with section 55200.

Academic honesty
DVC students are expected to be truthful and ethical in their academic work. Academic dishonesty is defined as an act of deception in which a student claims credit for the work or effort of another person or uses unauthorized materials or fabricated information in any academic work. Academic dishonesty is a violation of the DVC Student Code of Conduct and will not be tolerated.

Student Code of Conduct
The Student Code of Conduct is available at www.dvc.edu/code. This code includes important information about students' rights and responsibilities on campus. The code contains specific rules and regulations governing student behavior, along with the consequences for violating these rules. If you would like a hard copy of the Student Code of Conduct, visit the Student Life Office in the Student Union Building.

Policies
Diablo Valley College is open to any California resident 18 years or older, or who has earned a high school diploma or proficiency certificate, or to current high school students who qualify.

Smoking policies
In recognizing the serious health risks associated with smoking, wishing to discourage both students and staff from becoming smokers, and recognizing the rights of nonsmokers to a reasonably smoke-free environment, the following policy applies:
• At the Pleasant Hill campus, smoking will be allowed only in the parking lots.
• At the San Ramon Valley Campus, smoking will be allowed only in the student parking lots.
• Restrictions at other educational sites will be established by those sites and by state and local law.
Adherence to this policy relies on the initiative of nonsmokers to politely request that smokers follow the policy and on the courtesy of smokers to follow the policy. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation is a violation of the Student Code of Conduct and can be grounds for disciplinary action.

A drug-free DVC

It is DVC's policy to maintain a campus where students are prohibited from the unlawful manufacture, distribution, dispensing, possession or use of controlled substances as listed in Schedules I through IV of Section 202 of the Controlled Substances Act (21 U.S.C. Section 812) and from abuse of alcohol.

This includes student participation in field trips, athletic competition and/or any activity sponsored by the college. Any violation of this policy will be cause for disciplinary action up to and including expulsion. The use of controlled substances or the abuse of alcohol has significant health risks. For a description of the effects and health risks associated with use of illicit drugs and the abuse of alcohol, and the applicable legal sanctions under local, state or federal law, please visit: [www.dvc.edu/policies/alcohol-drugs](http://www.dvc.edu/policies/alcohol-drugs). Any student who needs information about substance abuse treatment may consult a campus counselor or the dean of student life who can provide information about available treatment resources.

Sexual assault, relationship violence and stalking

Consistent with the spirit of AB 1088, the college is committed to working with students to reduce the risk of sexual assault, stalking and relationship violence. If you would like more information about these issues, you are welcome to visit the college’s website at: [www.dvc.edu/policies/harassment](http://www.dvc.edu/policies/harassment), or to contact the dean of student life in the Student Union Building or police services.
