You will not receive a refund if you:

- stop attending class and do not officially withdraw,

- owe outstanding debts to the college.

A detailed refund policy is posted in the Cashier’s Office. Refunds for over $1,000 must be requested at the Cashier’s Office.

Enrolling in DVC courses with prerequisites or co-requisites

If you are enrolling in a course with a prerequisite, you must complete that prerequisite with a “C” grade or better before you are allowed to register. A course has a prerequisite to ensure that you have the appropriate body of knowledge to be successful. Courses with a co-requisite require that you either have taken the co-requisite course prior or take the co-requisite course at the same time.

Details regarding the refund policy are available from the Cashier’s Office or the Admissions and Records Office.

Financial aid enrollment fee refunds

If subsequent to paying enrollment fees, you become eligible for financial aid and receive an enrollment fee waiver, you will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment fee deferments

If subsequent to paying enrollment fees, you become eligible for an enrollment fee deferment to an outside agency, submit the deferment to the Cashier’s Office. You will automatically be mailed a refund check of the deferred fees according to the same refund processing cycle as enrollment fee refunds.

Prerequisites

Enrolling in DVC courses with prerequisites or co-requisites

If you are enrolling in a course with a prerequisite, you must complete that prerequisite with a “C” grade or better before you are allowed to register. A course has a prerequisite to ensure that you have the appropriate body of knowledge to be successful. Courses with a co-requisite require that you either have taken the co-requisite course prior or take the co-requisite course at the same time.

Please note: dropping a class with a co-requisite will result in a drop from both classes.

Usually a prerequisite is a course from a lower sequence of courses. For example, you may not enroll in Math 142 (Elementary Statistics with Probability) without first passing Math 120 (Intermediate Algebra or equivalent) with a “C” grade or better, or the equivalent. Usually, a co-requisite course is a lab or a course that provides supplemental instruction.

To see which courses have prerequisites and/or co-requisites see the individual course offerings in the catalog.

Registration for a co-requisite/prerequisite course

Some courses allow you to take the required course either as a co-requisite (concurrently) or as a prerequisite (previously). With Math 195, for example, the required course, Math 193, may be taken either as a prerequisite or a co-requisite. Depending on how you are satisfying the requirement, you may need to register in person at the Admissions and Records Office on or after your registration time.

If approved, the prerequisite will be cleared within two to three business days. If denied, you will be notified.

Financial aid enrollment fee refunds

If subsequent to paying enrollment fees, you become eligible for financial aid and receive an enrollment fee waiver, you will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment fee deferments

If subsequent to paying enrollment fees, you become eligible for an enrollment fee deferment to an outside agency, submit the deferment to the Cashier’s Office. You will automatically be mailed a refund check of the deferred fees according to the same refund processing cycle as enrollment fee refunds.

Details regarding the refund policy are available from the Cashier’s Office or the Admissions and Records Office.

To register for a course with a prerequisite

If you have completed the prerequisite course with a “C” grade or higher, at DVC fall 1999 or later, you will have the prerequisite automatically cleared upon registration. If the prerequisite course was completed at DVC, CCC or LMC prior to fall 1999, contact the Admissions and Records Office for assistance.

If the prerequisite course was completed at another educational institution, the Admissions and Records Office must clear the requirement prior to registering.

All prerequisite forms must have the appropriate documentation attached.

Online registration

There are a two ways to do this:

1. submit an unofficial or official transcript with a prerequisite form to the Admissions and Records Office;
2. fax an unofficial transcript with a prerequisite form.

If approved, the prerequisite will be cleared within two to three business days. If denied, you will be notified.

Important:
Check for your InSite mail regularly for your waitlist status.

The waitlist is a way to prioritize the enrollment of students after a class has reached its maximum. There are no guarantees that you will be enrolled from the waitlist; therefore, it is always best to enroll in a class with open seats. If you are still on a waitlist when the class begins, the instructor cannot consider adding you to the class unless you attend the first class meeting.
