5 Register for classes

Registration appointments are only for online registration until open/walk-in registration begins on May 28.

Registration appointments can be viewed on InSite/WebAdvisor. Contact the Admissions and Records Office if no registration date is listed. You may use one of the many computers in the Enrollment Lab, library or computer labs throughout the campus.

Priority registration appointments are assigned to continuing or currently enrolled DVC students (attended classes summer 2012, fall 2012, or spring 2013).

If you don’t have a priority registration appointment, register according to the calendar of important dates.

Be sure to follow the instructions carefully. When registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment.

Adding classes before instruction begins

If you wish to add classes before the classes begin, you may do so online until midnight the day before the class begins as long as there is still space available.

Adding classes after instruction begins

If you wish to add a class after instruction has started, you should first check with the instructor. If space is available, the instructor will give you a unique four-digit late add code that will permit you to register online. Late add codes expire at midnight on the deadline date to add the class. To register in person, submit a Schedule Request form with the instructor’s signature or late add code by the deadline date.

Assistance using InSite/WebAdvisor is available in the Enrollment Lab.

6 Pay fees

Payment of registration fees is required at the time of registration.

Fees can be paid with a credit card on InSite/WebAdvisor. The Cashier’s Office will accept cash, credit card, check, or money order.

7 Obtain student ID card

After registering, take your class schedule and picture ID to the Student Life Office in the Student Union Building to obtain your “Connect Card.” This FREE card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker for a small fee.

How do I find my user ID without a student ID number

1. Go to www.dvc.edu
2. Click on InSite/WebAdvisor
3. Follow the instructions to log onto InSite
4. Enter your last name and SSN, then click submit
5. Record your User ID for future use
6. Click InSite/WebAdvisor to log on

How do I calculate my fees?

Fill in the blank lines to estimate your fees:

- enrollment fee
  (multiply the number of units by the correct fee)

- ASDVC discount sticker fee
  (optional)
  $ 8.

- parking fee
  (optional)
  $ _________

- student union fee
  (fee is $1 per unit up to $10 per year)
  $ _________

- student activity fee
  $ 5.

- foundation contribution
  (optional) used to provide scholarships and instructional equipment
  $ _________

Total $ _________

Check your InSite mail account often

You are expected to check your email frequently to receive college and district-related communications. If you wish to have email forwarded to another address (e.g., @yahoo.com, @gmail.com) you may, but the college district is not responsible for the handling of email by outside vendors. Having email forwarded does not change your responsibility for reading and responding to official communications sent to your InSite mail account.
Proxy information
Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:
- Written permission, which includes your proxy’s name, your signature, and detailed information on what transaction you authorize them to do;
- Student ID number and birth date;
- Your name, address and telephone number.
Your proxy will need to show a valid photo ID before any transactions are completed.

Attendance
If you miss the first class meeting or are absent for the equivalent of two weeks without approval, you may be dropped by the instructor. If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.

Withdrawing from a class
You must officially drop classes through the online registration system or at the Admissions and Records Office. Non-attendance can result in an “F” grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student’s responsibility to drop a class, not the instructor’s. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an “F” grade.

Fees
Enrollment fees*
- $46 per unit for California residents
- $251 per unit ($205 per unit plus $46 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents or for students who are not U.S. citizens.

* Note: All fees are subject to change by the state legislature. Check www.dvc.edu/fees for updated fee information.

Other fees
- A $1 per unit student union fee helps pay for the maintenance of the student center. The maximum fee is $10 per student per academic year.
- The optional $8 student ASDVC discount Sticker Fee offers discounts for student related activities.

Parking fees
The parking fee is $3 a day or $40 for the semesters fall or spring. The summer fee is $20. College parking permits are required daily except weekends (Friday 5 p.m. through Monday 7 a.m.) and holidays. Parking permits must be purchased online through InSite/WebAdvisor, under the Academic Services menu.

The parking fee is $20 per term for students who qualify for the Board of Governors Enrollment Fee Waiver. DVC parking permits are also valid at CCC and LMC campuses.

Parking at the San Ramon Valley Campus is free. Contact all other off-campus locations for their parking policies.

Outstanding debts
If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared. Pay debts at the Cashier’s Office. Debts are subject to district collection processes.

Fee refunds
Enrollment fees
To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. (For refund dates, go to Insite/WebAdvisor, Registration, to “My Class Schedule”. The dates are listed under the “Last Date to Drop” column. You can also check with your instructor).

Refund checks for complete or partial withdrawals will be processed after the first two weeks of instruction. Refund checks will be mailed to your student address on file in the college Admissions and Records Office. If you have a new address, please notify the office as soon as possible. If you paid online by credit card, a refund will be issued to the credit card used for payment.

Non-resident tuition refunds:
To obtain a refund for non-resident tuition, your request must be made at the Cashier’s Office.

You will not receive a refund if you:
- stop attending class and do not officially withdraw,
- withdraw from the class after the refund deadline,
- owe outstanding debts to the college.
A detailed refund policy is posted in the Cashier’s Office. Refunds for over $1,000 must be requested at the Cashier’s Office.

Students classified as nonresident may request reclassification if living in California for one year and one day prior to the start of the term. Documentation is required. Students should resolve residency reclassification immediately and all requests must be resolved by the end of the academic year in question. Fees for approved reclassifications will be adjusted. Requests for residency reclassification submitted for an academic year that has ended will not be accepted.
Parking permit refunds
To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. For refund dates, go to Insite/ WebAdvisor, Registration, to “My Class Schedule”. The dates are listed under the “Last Date to Drop” column. You can also check with your instructor. The parking decal must be returned to the Cashier’s Office for a refund. The refund check will be mailed to you according to the same refund processing cycle as enrollment fee refunds. Lost or stolen parking permits are not refundable.

Financial aid enrollment fee refunds
If subsequent to paying enrollment fees, you become eligible for financial aid and receive an enrollment fee waiver, you will automatically be mailed a full refund check according to the same refund processing cycle as enrollment fee refunds.

Enrollment fee deferments
If subsequent to paying enrollment fees, you become eligible for an enrollment fee deferment to an outside agency, submit the deferment to the Cashier’s Office. You will automatically be mailed a refund check according to the same refund processing cycle as enrollment fee refunds.

Details regarding the refund policy are available from the Cashier’s Office or the Admissions and Records Office.

Non-refundable fees
The $8 ASDVC discount sticker fee is not refundable. This refund policy complies with and is based upon California law and the Education Code.

Prerequisites
Enrolling in DVC courses with prerequisites or co-requisites
If you are enrolling in a course with a prerequisite, you must complete that prerequisite with a “C” grade or better before you are allowed to register. A course has a prerequisite to ensure that you have the appropriate body of knowledge to be successful. Courses with a co-requisite require that you either have taken the co-requisite course prior or take the co-requisite course at the same time.

Please note: dropping a class with a co-requisite will result in a drop from both classes.

Usually a prerequisite is a course from a lower sequence of courses. For example, you may not enroll in Math 142 (Elementary Statistics with Probability) without first passing Math 120 (Intermediate Algebra or equivalent) with a “C” grade or better. Usually, a co-requisite course is a lab or a course that provides supplemental instruction.

To see which courses have prerequisites and/or co-requisites see the individual course offerings in the catalog.

To register for a course with a prerequisite
If you have completed the prerequisite course with a “C” grade or higher, at DVC fall 1999 or later, you will have the prerequisite automatically cleared upon registration. If the prerequisite course was completed at DVC, CCC or LMC prior to fall 1999, contact the Admissions and Records Office for assistance.

If the prerequisite course was completed at another educational institution, the Admissions and Records Office must clear the prerequisite requirement prior to registering.

All prerequisite forms must have the appropriate documentation attached.

Online registration
There are a two ways to do this:
1. submit an unofficial or official transcript with a prerequisite form to the Admissions and Records Office; OR
2. fax an unofficial transcript with a prerequisite form.

You will be notified of the results in two to three business days. If approved, you may register on or after your registration appointment time.

Registration for a co-requisite/prerequisite course
Some courses allow you to take the required course either as a co-requisite (concurrently) or as a prerequisite (previously). With Math 195, for example, the required course, Math 193, may be taken either as a prerequisite or a co-requisite. Depending on how you are satisfying the requirement, you may need to register in-person at the Admissions and Records Office on or after your registration time.
InSite/WebAdvisor online registration

Note: You may enroll in a class that is still open until midnight the day before the first class meeting.

Who can use the online registration system?
If you are a continuing student (enrolled summer 2012, fall 2012, or spring 2013) you may use the online system to add or drop classes. Check InSite/WebAdvisor for your appointment day and time.

If you are a new student or previous student that did not attend for one year or more, you will need to complete a new application before you can register. Registration appointments are assigned after applications are processed. Apply online at www.dvc.edu

1. Go to www.dvc.edu
2. Click on InSite/WebAdvisor
3. Follow instructions to log into InSite
4. Click on InSite/WebAdvisor using your User ID and password. Your user ID is generally the first letter of your first name, your full last name, and the last three digits of your student ID number (no spaces, all lowercase). Exceptions do occur. Your initial password is your six-digit birthday (mmddyy - no spaces, all lowercase).

   for example: Victor Viking
   0123456 (student ID#)
   09/20/1984 (birthday)
   User ID: viking456
   Password: 092084
   Show hint: Submit

5. First time users of InSite/WebAdvisor may need to change their password. The new password must contain letters and numbers between 6-15 characters. See example below.

   User ID: viking456
   Old password: 092084
   New password: newman22
   Confirm password: newman22
   My password hint: pets name + 22
   Submit

6. Click on WebAdvisor on the home page of InSite
7. Click on Registration
8. Click on Search and Register, OR
9. Click on Express Registration
   Use this option if you know the exact subject, course and section number, then register. (Example: BUS-109-2075).

10. OR click on Late Registration (using add code)
    Use this option after the term has started and after receiving an add code from your instructor. Enter the add code with the section number and term. You will not be able to register for classes after the term has started without an add code.

    | Section number | Add code | Select term |

12. Under Registration Result, click on Pay on My Account to pay for your fees online.
13. You can also pay by mailing payment to DVC or pay in person at the Cashier’s Office - SSC Building—across from the Financial Aid.
14. Print your schedule as proof of registration by going to My Class Schedule under Current Student.
15. If you enrolled on a waitlist, read the directions on "how to manage my waitlist" on page 7.

NEED HELP USING Insite/ WebAdvisor?
Call Welcome Services at 925-969-2106 during office hours.
The waitlist is a way to prioritize the enrollment of students after a class has reached its maximum. There are no guarantees that you will be enrolled from the waitlist; therefore, it is always best to enroll in a class with open seats. If you are still on a waitlist when the class begins, the instructor cannot consider adding you to the class unless you attend the first class meeting.

**Important:**
Check for your InSite mail regularly for your waitlist status.

**ACTION**
- **Register:** When permission is granted via email, select this option and click submit to register for this course.
- **Remove:** Select this option if you would like to remove your name from the waitlist.

**WAITLIST STATUS**
- **Active:** You are waitlisted for this course.
- **Permission Granted:** You are able to register for this class. You will also receive an email when permission to register is granted. An email will be sent to your InSite mail account (insite.4CD.edu). You should review your waitlist status daily.

**EXPRIE DATE**
When permission is granted, you will only have three calendar days to register for this class.

If permission is granted less than three days before the class starts, you must register by midnight of the day before the class starts.

**RANK/WAITLIST**
- **Rank:** Number you are placed on the waitlist for this class.
- **Waitlist:** Total number of students on the waitlist for this class.

If you are still on a waitlist when the class begins, the instructor cannot consider adding you to the class unless you attend the first class meeting. The instructor may give you a late add code that you can use to add the class via InSite/WebAdvisor; or the instructor may sign the Schedule Request form, which you must use to add the class in person at the Admissions and Records Office.

Orientation:

Take your assessment test at least four business days before orientation so that the counselor teaching your Counseling 095 class can review your scores and recommend the correct courses.

Students should bring an unofficial copy of their high school transcripts (if applicable) as well as their assessment score print-outs to the Counseling 095 class meeting. Students should also review the DVC online catalog and class schedule before coming to class. Saturday classes include a lunch break.
