Easy Steps

1. Submit an application for admission
- Apply online at www.dvc.edu. Need assistance? Go to the Pleasant Hill campus Enrollment Lab on the first floor of the Student Services Center or to the San Ramon Campus Learning Commons.
  
  Note: If you attended DVC in enrolled summer 2013, fall 2013, or spring 2014, you do not need to submit a new application.

2. Take an assessment test (if needed)
- If you plan to enroll in chemistry, math or English courses, take the assessment test. These free, two-hour exams measure current skills and help you decide on the most appropriate course(s) to meet your educational goals. Tests are offered daily; to schedule an appointment or get more information, please visit: www.dvc.edu/assessment or phone 925-969-2132.

  Assessment test results may satisfy prerequisite requirements. (Prerequisites may also be satisfied by successfully completing course work.) For prerequisite information, check individual course listings or go to page 5 of this document.

3. Apply for financial aid and learn about Extended Opportunity Programs and Services (EOPS) optional
- Stop by the Financial Aid Office (Student Services Center), visit online at www.dvc.edu/financialaid, or call 925-969-2009

  Visit the EOPS Office (Student Services Center, first floor), or online at www.dvc.edu/eops.

4. Attend Counseling 095 orientation and advisement counseling
- New to DVC and never attended college?
  • You are strongly encouraged to register for COUNS 095 (Counseling 095, Orientation to College). Class meets once or twice for a total of six hours.
  • Take the math and English assessment tests, if needed, at least three working days before your class.
  • Complete COUNS 095 to be considered a matriculated student and receive an earlier registration date.

- Transfer student (taken college courses elsewhere but new to DVC or returning to DVC after a year or more away from campus)
  • Speak with a counselor to discuss educational goals or plans. Make an appointment at: 925-969-2140.
  • Before your appointment, submit official transcripts from high school and other colleges you’ve attended.
  • Send transcripts to: Admissions and Records Office, 321 Golf Club Road, Pleasant Hill, CA, 94523. Allow time for your transcript(s) to arrive – it could take two - six weeks. Transcripts must be received at DVC at least two weeks before your counseling appointment. To see if your transcripts have arrived, check InSite/WebAdvisor under Communication, My Documents.
to Enroll

(4th step continued)

- Transfer students who complete a Transfer Orientation Form (available at www.dvc.edu/admissionsforms) and submit it to the Admissions and Records Office or to the Counseling Office are considered matriculated and will receive an earlier registration date.

- Transfer students who have already received an associate degree or higher who complete the Orientation Exemption Form (available at: www.dvc.edu/admissionsforms) and submit it along with a transcript (official or unofficial) with degree posted to the Admissions and Records Office are considered matriculated and will receive an earlier registration date.

5 Register for classes
Registration appointments are only for online registration until open/walk-in registration begins on May 28

Registration appointments can be viewed on InSite/WebAdvisor. Contact the Admissions and Records Office if no registration date is listed. You may use one of the many computers in the Enrollment Lab, library or computer labs throughout the campus.

Priority registration appointments are assigned to continuing or currently enrolled DVC students (attended classes enrolled summer 2013, fall 2013, or spring 2014).

If you don’t have a priority registration appointment, register according to the calendar of important dates.

Be sure to follow the instructions carefully. When registering online, be sure to print a copy of the schedule confirmation page as proof of enrollment.

Adding classes before instruction begins
If you wish to add classes before the classes begin, you may do so online until midnight the day before the class begins as long as there is still space available.

Adding classes after instruction begins
If you wish to add a class after instruction has started, you should first check with the instructor. If space is available, the instructor will give you a unique four-digit late add code that will permit you to register online. Late add codes expire at midnight on the deadline date to add the class. To register in person, submit a Schedule Request form with the instructor’s signature or late add code by the deadline date.

6 Pay fees
Payment of registration fees is required at the time of registration.

Fees can be paid with a credit card on InSite/WebAdvisor. The Cashier’s Office will accept cash, credit card, check, or money order.

7 Obtain student ID card
After registering, take your class schedule and picture ID to the Student Life Office in the Student Union Building to obtain your “Connect Card.” This FREE card is required to use the library and/or printers around campus. You can also purchase a valuable discount sticker for a small fee.

How do I find my user ID without a student ID number
1. Go to www.dvc.edu
2. Click on InSite/WebAdvisor
3. Follow the instructions to log onto InSite
4. Enter your last name and SSN, then click submit
5. Record your User ID for future use
6. Click InSite/WebAdvisor to log on

How do I calculate my fees?
Fill in the blank lines to estimate your fees:

- enrollment fee (multiply the number of units by the correct fee) $_______
- ASDVC discount sticker fee (optional) $8
- parking fee (optional) $_______
- student union fee (fee is $1 per unit up to $10 per year) $_______
- student activity fee (fall and spring only) $5
- foundation contribution (optional) used to provide scholarships and instructional equipment $_______

Total $_______
Proxy information
Your written permission is needed anytime you authorize someone else to conduct any transactions in the Admissions and Records Office on your behalf. You will need to provide your proxy with the following:
- Written permission, which includes your proxy’s name, your signature, and detailed information on what transaction you authorize them to do;
- Student ID number and birth date;
- Your name, address and telephone number.
Your proxy will need to show a valid photo ID before any transactions are completed.

Attendance
If you miss the first class meeting or are absent for the equivalent of two weeks without approval, you may be dropped by the instructor. If you do not attend class but fail to drop the class by the refund deadline, you are still responsible for the registration fees.

Withdrawal from a class
You must officially drop classes through the online registration system or at the Admissions and Records Office. Non-attendance can result in a “F” grade and will cause you to lose your enrollment fees. If the class fee has not been paid and the class is not officially dropped, the unpaid fee will become an outstanding debt on your record. It is the student’s responsibility to drop a class, not the instructor’s. If 75 percent or more of the instruction time has elapsed, you cannot withdraw and will be subject to an “F” grade.

Fees
Enrollment fees
- $46 per unit for California residents
- $254 per unit ($208 per unit plus $46 per unit enrollment fee) for students who are U.S. citizens or permanent residents, and are not California residents or for students who are not U.S. citizens.

* Note: All fees are subject to change by the state legislature. Check www.dvc.edu/fees for updated fee information.

Other fees
- A $1 per unit student union fee helps pay for the maintenance of the student center. The maximum fee is $10 per student per academic year.
- The optional $8 student ASDVC discount Sticker Fee offers discounts for student related activities.
- The $5 Student Activity Fee, charged at registration for fall and spring semesters, allows student government to fund student-related activities and services. This fee is voluntary; for refund information see “Fee refunds” on this page.

Parking fees
The parking fee for summer fee is $20. College parking permits are required daily except weekends (Friday 5 p.m. through Monday 7 a.m.) and holidays. Parking permits must be purchased online through InSite/WebAdvisor, under the Academic Services menu.

The parking fee is $20 per term for students who qualify for the Board of Governors Enrollment Fee Waiver. DVC parking permits are also valid at CCC and LMC campuses.

Parking at the San Ramon Valley Campus is free. Contact all other off-campus locations for their parking policies.

Outstanding debts
If you have any outstanding debts, you will be blocked from registration or from obtaining academic transcripts and diplomas until those debts are cleared. Pay debts at the Cashier’s Office. Debts are subject to district collection processes.

Fee refunds
Enrollment fees
To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. For refund dates, go to Insite/WebAdvisor, Registration, to “My Class Schedule”. The dates are listed under the “Last Date to Drop” column. You can also check with your instructor.

Refund checks for complete or partial withdrawals will be processed after the first two weeks of instruction. Refund checks will be mailed to your student address on file in the college Admissions and Records Office. If you have a new address, please notify the office as soon as possible. If you paid online by credit card, a refund will be issued to the credit card used for payment.

Non-resident tuition refunds:
To obtain a refund for non-resident tuition, your request must be made at the Cashier’s Office.

You will not receive a refund if you:
- stop attending class and do not officially withdraw,
- withdraw from the class after the refund deadline,
- owe outstanding debts to the college.

A detailed refund policy is posted in the Cashier’s Office. Refunds for over $1,000 must be requested at the Cashier’s Office.

Students classified as nonresident may request reclassification if living in California for one year and one day prior to the start of the term. Documentation is required. Students should resolve residency reclassification immediately and all requests must be resolved by the end of the academic year in question. Fees for approved reclassifications will be adjusted. Requests for residency reclassification submitted for an academic year that has ended will not be accepted.

Parking permit refunds
To receive a refund, you must withdraw from school or drop class by the refund eligibility deadline. For refund dates, go to Insite/WebAdvisor, Registration, to “My Class Schedule”. The dates are listed under the “Last Date to Drop” column. You can also check with your instructor. The parking decal must be returned to the Cashier’s Office for a refund. The refund check will be mailed to you according to the same refund processing cycle as enrollment fee refunds. Lost or stolen parking permits are not refundable.
Prerequisites
Enrolling in DVC courses with prerequisites or co-requisites

If you are enrolling in a course with a prerequisite, you must complete that prerequisite with a “C” grade or better before you are allowed to register. A course has a prerequisite to ensure that you have the appropriate body of knowledge to be successful. Courses with a co-requisite require that you either have taken the co-requisite course prior or take the co-requisite course at the same time.

Please note: dropping a class with a co-requisite will result in a drop from both classes.

Usually a prerequisite is a course from a lower sequence of courses. For example, you may not enroll in Math 142 (Elementary Statistics with Probability) without first passing Math 120 (Intermediate Algebra or equivalent) with a “C” grade or better. Usually, a co-requisite course is a lab or a course that provides supplemental instruction.

To see which courses have prerequisites and/or co-requisites see the individual course offerings in the catalog.

To register for a course with a prerequisite

If you have completed the prerequisite course with a “C” grade or higher, at DVC fall 1999 or later, you will have the prerequisite automatically cleared upon registration. If the prerequisite course was completed at DVC, CCC or LMC prior to fall 1999, contact the Admissions and Records Office for assistance.

If the prerequisite course was completed at another educational institution, the Admissions and Records Office must clear the process.

All prerequisite equivalency forms must have the appropriate documentation attached.

Online registration

There are two ways to do this:
1. submit an unofficial or official transcript with a prerequisite equivalency form to the Admissions and Records Office; OR
2. fax an unofficial transcript with a prerequisite equivalency form.

You will be notified of the results in two to three business days. If approved, you may register on or after your registration appointment time.

Registration for a co-requisite/prerequisite course

Some courses allow you to take the required course either as a co-requisite (concurrently) or as a prerequisite (previously). With Math 195, for example, the required course, Math 193, may be taken either as a prerequisite or a co-requisite. Depending on how you are satisfying the requirement, you may need to register in-person at the Admissions and Records Office on or after your registration appointment time.
InSite/WebAdvisor online registration

**Note:** You may enroll in a class that is still open until midnight the day before the first class meeting.

**Who can use the online registration system?**

If you are a continuing student (enrolled summer 2013, fall 2013 or spring 2014) you may use the online system to add or drop classes. Check InSite/WebAdvisor for your appointment day and time.

If you are a new student or previous student that did not attend for one year or more, you will need to complete a new application before you can register. Registration appointments are assigned after applications are processed. Apply online at www.dvc.edu

1. Go to www.dvc.edu
2. Click on InSite/WebAdvisor
3. Follow instructions to log into InSite
4. Click on InSite/WebAdvisor using your user ID and password. Your user ID is generally the first letter of your first name, your full last name, and the last three digits of your student ID number (no spaces, all lowercase). Exceptions do occur. Your initial password is your six-digit birthday (mmddyy - no spaces, all lowercase).

for example: Victor Viking
0123456 (student ID#)
09/20/1984 (birthday)
User ID: vviking456
Password: 092084
Show hint:Submit

5. First time users of InSite/WebAdvisor may need to change their password. The new password must contain letters and numbers between 6-15 characters. See example below.

User ID: vviking456
Old password: 092084
New password: newman22
Confirm password: newman22
My password hint: pets name + 22

Important: Check for your InSite mail regularly for your waitlist status.

The waitlist is a way to prioritize the enrollment of students after a class has reached its maximum. There are no guarantees that you will be enrolled from the waitlist; therefore, it is always best to enroll in a class with open seats. If you are still on a waitlist when the class begins, the instructor cannot consider adding you to the class unless you attend the first class meeting.

### Effective Fall 2014 the state will begin mandating enrollment priorities as follows:

- Veterans and Foster Youth will receive the first priority.
- DSS and EOPS students will have the second priority.
- Continuing students will maintain the current registration appointment system.
- New students who have completed assessment, orientation and an educational plan will receive a priority registration appointment.
- All categories of students with priority registration status will lose their registration priority if they exceed 100 units or have two consecutive semesters on probation.
Learning Community

The student athlete orientation and educational planning course is a twelve hour program designed to inform students on the rules and regulations that relate to student athlete eligibility both at the community college and NCAA levels. In addition, students will be guided and actively involved in creating a comprehensive educational plan that will lead to the completion of an associate degree that will maximize their eligibility to complete after transfer, and will be given tips on how to be successful both athletically and academically at DVC.

Please be a good neighbor and consider our surrounding neighborhoods
Our neighbors have reported that some students who park in the residential areas surrounding the college are not respectful of those neighborhoods. Our students have been reported emptying ashtrays and garbage from their cars onto the streets, playing loud music, and engaging in other types of disruptive behavior. We at DVC want to maintain an excellent reputation as a top-notch institution of higher learning. Part of that means being a good neighbor. We understand that our students often have no other choice but to park on neighborhood streets, especially at the beginning of the semester and during heavy enrollment periods, but please show respect for our neighbors as you would your own. Help keep our neighborhoods clean, quiet and peaceful.
