

# How Do I Find My Registration Dates?

1. Go to <http://m.4cd.edu> (or use the InSite app) and sign in using your username and password.
2. Along the top row of tiles, you should select the tile that says "Registration Date" - see below for examples. The tile is twice as wide as other tiles, so it is easily recognized. Your registration date can be seen on this tile, but the color of the border also tells us some useful information.

3. Click on the tile. If the tile has a yellow border, you will see a checklist. The checklist shows what is needed to ensure you have the best possible registration date. Complete unchecked items to receive a better registration date for future semesters. A green border with a check mark means you have completed all the items in the checklist, and you already have the best possible registration date.

To get a better date, complete all of the below:

- ✓ Orientation
- ✓ Assessment
- ✓ Ed Plan

## Registration Appointments

4. After clicking on the tile, your registration appointment will be displayed at the top of the screen.

### NOTE:

**If you do not see this tile, no dates are displayed, or you have a red border on this tile, please speak to a member of staff from Admissions and Records, or visit the Enrollment Lab for in-person assistance.**
