IMPORTANT DATES AND REMINDERS

Important dates such as add/drop deadlines, holidays and final exam dates are listed in the Schedule of Classes available at:
https://www.dvc.edu/communication/calendars/pdfs/calendarSP20.pdf

REMINDER: International students MUST check with a DSO (Designated School Official) before dropping below 12 units.
ARRIVAL

Welcome!

We at Diablo Valley College look forward to your arrival in Pleasant Hill. We will assist you as best as we can in getting here and feeling comfortable in your new environment. We hope that this booklet will give you all the necessary information you need before you come to our program. During the Information Session and Assessment, we will give you an International Student Handbook that will have additional information about being an international student in the United States.

GETTING TO PLEASANT HILL FROM THE AIRPORT

There are two major airports nearby, Oakland and San Francisco. Both are near Pleasant Hill, so you can come to the one that is best for you. Airport pick up services are provided by Diablo Valley Homestay an independent contractor. Information is available at www.diablovalleyhomestay.com. Other ways to get from the airport to the place where you are staying include the following:

Airport shuttles are the best idea. These are small vans with fixed prices that often take more than one person. Please refer to the chart in the appendix for information on shuttle services.

Taxis are available, but fares are high; sharing the taxi with other passengers can lower the cost.

Public transportation is possible, but from either airport this requires you to take a bus (cost $2.00), the subway (BART cost $10-15 and another bus (cost $1.00).

INTERNATIONAL STUDENT OFFICE

The International Student Office (ISO) is where F-1 international students begin the process for being admitted to Diablo Valley College. Once admitted, international students come to the ISO office to discuss the following issues: immigration status (including dropping below full-time status and transferring), travel requirements, employment benefits, non-home stay housing options, student insurance, and address changes.

ONLINE ORIENTATION AND MANDATORY CHECK-IN SESSIONS

The International Student Office (ISO) will contact you via e-mail after you have been admitted regarding the online orientation and class registration. You will also receive information on the LEGALLY MANDATED Check-In Sessions that take place the two weeks prior to the start of each semester. During this required session you will learn about immigration regulations, health insurance and employment.
LIVING IN CONTRA COSTA COUNTY

CLIMATE

Located east of San Francisco and farther inland, Pleasant Hill has an average summer temperature of 25 C and 77 F. In the summer, it is often cold in the morning and evening, so it is a good idea to dress in layers of clothing that you can put on and take off easily. A T-shirt is usually enough for the afternoon, but you will need a sweatshirt or sweater for the morning. It rains a lot in the winter so if you will be here during that time, bring some good rain clothes and shoes.

HOUSING

The college does not have dormitory facilities. The ISO assists students in finding appropriate accommodations in four ways 1) if you are interested in a guaranteed (pre-arrival) home stay placement for a fee, please see the brochures and applications included with the admit packet 2) information on guaranteed (pre-arrival) apartment rentals very near DVC is available on our website 3) non-guaranteed (post-arrival) rooms for rent with meals not included are available through our coordinator in the ISO office and 4) general information on local apartments is available on our website. Please visit ISO housing website for additional information:  https://www.dvc.edu/international/resources/housing.html

MEALS

On campus: Those living more independently or in an apartment will be responsible for their own meals. DVC has a self-service style cafeteria; it is open weekdays and provides hot and cold food and beverages. A snack bar next to the science building offers quick snacks for your convenience. The Hotel / Restaurant Management program on campus runs the Basement Café in the Student Union Building; it offers snacks and warm items only for lunch. And the more formal restaurant called the Norseman that is operated by the Hotel/Restaurant Management program on campus also serves fine dining at affordable prices. These four locations provide a variety of foods and costs to meet almost any student’s budget.

Off campus: Students will be responsible for their own meals. If you do not want to prepare your own meals, you will find many inexpensive restaurants and cafes serving students in Pleasant Hill.
ADDITIONAL ACADEMIC RESOURCES

LIBRARY

The library provides books, magazines, electronic resources, microfilm, pamphlets, maps and other resources for students. Library staff provides assistance and instruction in using resources. A variety of study areas, including group study rooms, are available. Also available are the following:
- reference assistance whenever the library is open
- a library handbook
- a self-guided walking tour
- bibliographies and study guides

TUTORING

Our tutoring services are decentralized and offered at various locations, such as departments, ongoing labs and our Learning Center. Tutoring can help students succeed in specific courses when they are having difficulty.

ESL/English Course Tutoring: Drop-in and regular tutoring are available to help students build the skills needed for success. Other services include college success workshops, short-term classes, and computer-assisted instruction in study skills, reading and writing.

Math lab: Drop-in tutoring for all DVC math courses is available. An instructor and student tutors are there to help with math problems. Lab time is required for some math courses.

Computer Center: The center is equipped with more than 100 IBM computers. Students from many departments use the center to do lab work for their computer science classes. Internet accounts are available for full-time students.

Media Center: The Media Center’s collection contains over 8,000 films, video-tapes, foreign language tapes, slide programs and videodiscs. All materials may be viewed by students in the Media Lab for use in their own research or to make up for a missed viewing in the classroom. Equipment is available for general listening and viewing or other course projects.
The Associated Students Office, located in the Student Union Building, is best described as a student information and resource center. The staff and students of this office welcome your participation in college activities.

Most of the student activities at DVC are initiated by clubs and student organizations. Over 30 student clubs help students make new friends, pursue special interests, and gain experience organizing and working with others in social situations. A club handbook and other information about DVC student clubs (including how to start one) are available in the Associated Students Office.

**BOOK CENTER**

Students may purchase new and used textbooks, general books for recreational reading, back packs, school supplies, PC’s and Apple computers, computer software, and personal items at the Book Center. Visa, MasterCard and ATM are accepted.

**COUNSELING CENTER**

Counselors work with students to help set goals and design plans for achieving those goals. This includes:

- Information on transfer, A.A. degree, and certificate programs
- The Transfer Center and its resource library
- Career planning and college success courses
- Personal counseling
- Individual and group counseling
- Counseling for international students, vocational rehabilitation, and students

Because course selection is so important and four-year college requirements change so frequently, students should consult with a counselor each term before registering for classes.

**DISABILITY SUPPORT SERVICES**

DSS provides instruction and services to individuals with disabilities, which are designed to increase access to college instructional programs.

**CHILD CARE**

Daytime childcare services make attending classes more convenient for students who have children. You must contact the on-campus day care center to sign your child up for services.
GRADE REPORTS

Each DVC student must check the online Web Advisor to see their grade report. The report indicates your level of class and the letter grade you earned for the course. Letter grades are based on your participation in class, performance on quizzes and tests, and completion of assignments and homework. Fulfillment of these requirements and regular attendance is necessary to receive a passing grade.

TRANSCRIPTS

Official transcripts (complete copy of your academic record at DVC) for the purpose of transferring or for job purposes must be requested through Web Advisor if you wish for them to be sent within the United States. If you wish to have transcripts sent outside of the United States they must be requested via fax and paid for by credit card. Information is available at https://www.dvc.edu/enrollment/admissions-records/transcripts.html

EXPENSES

FEES

The tuition depends on the number of units you take. You must take a minimum of 12 units for fall and spring semester. You can pay by credit card (MasterCard or VISA), personal checks, traveler’s checks or money orders payable to “Diablo Valley College.” Please avoid bringing large amounts of cash.

FINANCIAL REQUIREMENTS

International students in F-1 status cannot establish California residency and should expect to pay nonresident tuition every semester of study. Please visit our website for updated financial requirements for the academic year: https://www.dvc.edu/international/apply/admission/index.html

OTHER EXPENSES

Living and incidental expenses will depend on your personal interests and lifestyle, whether you choose to rent an apartment or share a house, whether or not you have dependents with you in Pleasant Hill, etc. Social activities may also require additional expenses. Rent, food, and other costs are subject to inflation, and students who cannot meet the minimum estimates given here should not plan to attend the college.
HEALTH INSURANCE

Health insurance is an extra mandatory cost. It is NOT possible to waive the insurance; all international students will be charged for the insurance through their registration fees. The insurance fees MUST be paid within 30 days of the first day of class or students will be DROPPED from classes.

Please note:
The plan does not cover routine physical examinations, dental care, or a vision care and has a deductible.

Wells Fargo of California Insurance Services, Inc. does offer optional dental and vision plans that students may purchase for additional cost.

PREMIUM RATES

The insurance will be serviced by Wells Fargo of California Insurance Services, Inc. The insurance brochure of service is currently available here: https://www.dvc.edu/international/resources/insurance.html

NOTE: Medical Insurance Premiums are subject to change for the fall/spring semesters. Please check with the International Student Office (ISO) for updated premium fees and the new insurance brochures upon your arrival to DVC.

The insurance company will mail the insurance card to ALL students by the end of September for fall semester students and at the end of February for spring semester students. Please make sure DVC has correct and updated local address (United States address only) on file.

WHERE TO GO

There is a directory of local physicians that are part of the insurance plan that is available at the ISO office. However, you may go to any doctor you wish to visit. PLEASE IDENTIFY YOURSELF AS AN INTERNATIONAL STUDENT FROM DVC.

John Muir Referral Service would be another service to find a doctor’s office near your stay in California, which the insurance covers.

Telephone: 925-798-5858
What you need: Insurance information, to identify yourself, and place you are calling from.

If you have any special medical needs during your stay at DVC, please notify the coordinator before your arrival. Also, if you are currently taking any prescription medications or wear contact lenses or eyeglasses, you should bring a copy of your prescription with you to the U.S. in case you need to have it refilled while you are here.
PUBLIC TRANSPORTATION TO DVC

BART:
Subway to and from San Francisco and parts of the Bay Area.
Runs every day with fewer trains over the weekends.
It is a fast way to get to San Francisco in 45 minutes.
BART hours of operation, please visit their website at: http://www.bart.gov/

County Connection:
A bus system that runs in Contra Costa County.
It runs every day except as noted on the schedule.
Phone number: (925) 676-7500
County Connection website: http://cccta.org/

Police Services

EMERGENCY SERVICES
Contact the Police Services Office with any questions or problem regarding security, first aid, fire, lost and found items, thefts, or other crimes. Telephone: (925) 685-1230 Extension 2338/2339

EVENING ESCORT
Student and staff members are available to escort students to and from their classrooms and cars on the DVC campus after dark.

*All fees are estimates and are submitted to change*

Be aware of the following problems that international and local travelers have experienced with Airport Vans.

1. Van drivers want to get a full van before they leave. Once they get you and your luggage into their van, you will be under the driver’s control and stuck waiting for the van to leave.

2. They will have many other passengers to drop off before they reach your destination.

3. Be sure to agree to the rate before you enter the van. Be aware that a $1 to $2 tip is expected.
