Spring 2014 Registration Questions

When can I register for classes?
Continuing DVC students will register for spring classes from December 2-13. Your registration date and time will be listed on WebAdvisor.

How much is health insurance and when is it due?
The mandatory health insurance fee is $511 (covers spring and summer). The deadline to pay the insurance fee is January 27.

Students who do not pay the mandatory health insurance fee by the deadline will be dropped from all of their classes.

How many units do I need to be enrolled in?
All international students must be enrolled in at least 12 units to maintain their F-1 status in the U.S.

If you want to take less than 12 units, you must get approval from an ISAS advisor BEFORE you drop your classes. Even if this is your last semester at DVC, you still must get permission.
