

How do I change my major?

Step 1:

Go to <u>http://m.4cd.edu</u> (or use the InSite app) and sign in using your DVC username and password.

Step 2:

When logged into InSite, Select the "Graduation" tile or the "Education Plan" tile.

Then, select "Change My Major" (Graduation Tile) or "Change My Major, Home College or Educational Goal" (Education Plan).

	=	My Progress Review progress towards your educational goal	>	
	I	Placement Results View your self-guided placement results and assessment scores	>	
	=	Schedule Counselor Appointment Access the counseling appointment options for your college	>	
	:=	Change my Major, Home College or Educational Goal Change your primary major or your home college	>	

<u>Step 3:</u>

You will then see a menu containing 4 options. Select "Update Your Primary Major."

	<i>in</i> site	
Select one of th	e following	
	Petition for Degree or Certificate	
	Update Your Primary Campus Location	
	Update Your Primary Major	
	Manage Your Additional Majors	

<u>Step 4:</u>

To choose your new major, click on the first drop-down menu, and select the location of your new primary major as "Diablo Valley College."

After this, select your desired major from the second drop-down menu.

Step 5:

To complete the process, click the "Change Primary Major Button."
