

DIABLO VALLEY COLLEGE SUPPORTS UNDOCUMENTED STUDENTS

THIS CAN'T WAIT!

During the week of October 15-19, 2018, California Community Colleges will engage in a week of advocacy and activities to support and build awareness about undocumented students throughout the state. Undocumented Student Week of Action is a student-led campaign to advocate for a permanent solution to codify the Deferred Action for Childhood Arrivals (DACA) program that includes a pathway to citizenship, and to also provide support and resources to ALL undocumented students. Diablo Valley College's DREAMers Alliance will be extending this effort through mid-November to conclude with a workshop on DVC's support services for undocumented students.

YOU'VE GOT A FRIEND IN ME **OCTOBER 15-19**

There will be stations around campus with resources and postcards for you to fill out urging our local legislators to take **immediate and permanent** action to codify the Deferred Action for Childhood Arrivals. Encourage your friends, peers and family to join you in this advocacy!
