**Associated Students of DVC**

“Happy Holidays! If you are interested in helping improve the student life of our campus, make sure to petition to become a senator next semester! Our meetings are likely to be fully remote. Check us out [here](#) to petition to become a senator.”

-ASDVC President, Scott Sunarto

The Associated Students of Diablo Valley College (ASDVC) is the student government at DVC. ASDVC is responsible for advocating for and representing students' perspectives on College and District committees, councils and task forces.

Check us out at our [ASDVC website](#) for info on how to join, our [ICC page](#), and and [DVCSync](#)
New Clubs

Med-Addicts

Med Addicts is a pre-health club that allows students (pre-medical, pre-dental, pre-pharmaceutical, etc.) to interact with one another and develop connections! We also collect information on medical-related opportunities and volunteer events to help our members gain more experience in the field of their interests. Additionally, healthcare professionals will come to speak at our meetings to share their experiences and challenges working in the different branches of healthcare. This is a space where healthcare students can bond by sharing their experiences and talking about grad school requirements, exams, extracurricular activities.

Instagram: @dvc.medaddicts

Click here for the google signup form
We meet on Mondays from 5:30 to 6:30 pm via zoom. The zoom link is in our Instagram bio. Hope to see you there!

Honor Societies

Alpha Beta Gamma

Alpha Beta Gamma is a Business Honor Society at DVC San Ramon. We aim to bring members access to professional skills, guest speakers, and internship opportunities while exploring different aspects of the business world. Bridging education and business to equip members with the skills they need to be successful upon transfer
Alpha Gamma Sigma

At Diablo Valley College, we believe that joining the AGS does not only provide students a great opportunity to have academic success acknowledged, but AGS also helps students to develop individuality and leadership skills.

The Gamma Psi chapter intends to develop the human qualities of its members by having them participate in expanded community services and activities. We emphasize the interconnection between the advisers, the board of officers, and the members in order to support each other in walking through the rough but successful academic pathway.

We hope that the experience at Alpha Gamma Sigma impacts the lives of most of our members and eventually brings them scholarships, which reward their efforts on the behalf of our organization.

Phi Theta Kappa

DVC is home to the Beta Pi Iota chapter of Phi Theta Kappa, the international academic honor society for two-year colleges. With over 1,250 chapters around the world, PTK recognizes and promotes scholarship and academic excellence. Our yearly Honors in Action project, which brings together scholarship and service, allows all our members to grow as leaders. Other benefits include membership recognition on your transcript and diploma, along with being able to network with other like-minded people. For more information, contact us here.

Cultural Clubs

Women of Color Association (WOCA)

In the Women of Color Association, we provide a safe space for all students to openly discuss and engage in the fight against the intersecting oppressive structures of society. Our mission is to empower and to partake in the collective healing of women of color by shedding light on topics affecting our community: healthcare, media representation, immigration, and so much...
more. We hope to foster a healthy community during this contentious political era, and to motivate others to learn from a broad range of experiences regarding racism, sexism, xenophobia, and more. By encouraging empathy and calling for action through discussion and collaboration, members will broaden their understanding of the world we live in, forming connections with others along the way. We all have a voice and it will be heard.

To become a member, find us on DVC Sync. Meetings are every Friday, from 10:30 AM to 11:30 through Zoom.

For questions, contact us at wocadvc@gmail.com or find our Instagram page @wocadvc.

**International Students Club**

Meeting Time: Wednesday 6-7 pm (PDT)

Click here for our Whatsapp link, Instagram: @dvcisc, Click here for our Linktree

ISC's goal is to represent the interests of international students while promoting cultural exchange within the campus.

The International Students Club believes in unity. We organize social activities and events that would forge an international campus atmosphere, in which all cultures will thrive. We seek to create greater synergy by bringing people from different backgrounds together. Both Local and International students are more than welcome to join us.

ISC organizes various events every year, strengthening collaboration within our club and with the local student body. In addition to weekly general meetings, our activities include the International Education Week (IEW), Transfer Workshops, Holiday Party, Movie Night, Bowling Night, Barbecues, Volunteer Opportunities, and More.

**Model United Nations**

The DVCMUN club is an intercollegiate political debate team that fosters debate through the authentic simulation of the United Nations and their procedures. All members will learn about geopolitical issues, policy writing, and how diplomacy is used to come to a consensus on world issues. General Meetings are conducted in a way that replicates the competitive away conferences we attend in order to adequately prepare delegates.

**Other cultural clubs:** Chinese Students Association, Dancing Kpop Club, Japanese Student Association, Pakistani Students Association, Taiwanese Oversea Student Association, Women of Color Association, DVC Muslim Student Association, Kabayan Kaibigan (Filipino Club), International Students Club, MUN: Model United Nations
Service/Wellness Clubs

Leo Omega

DVC Leo Club is a non-profit volunteering student-run organization. Sponsored by Lions Club of Pleasant Hill, we hold weekly volunteering activities and social events in the Bay Area, specifically in CCC. In our club, young people serve as positive agents of change. We strive to make the community a better place while building expansive networks with purpose-driven individuals from various backgrounds and nationalities.

Leo Club is a great way for you to make connections with others through serving the community together. We have plenty of volunteering opportunities that anyone is allowed to join, and we also hold socials at the end of each semester. Leo Club is a safe space and welcomes everyone who intends on joining. So come join our club, and make good friends out of good people!

To join Leo Club, all you have to do is fill out a membership form that is available on our linktree. Or, you can also contact Leo Club through email or Instagram (@dvcleomega). We’ll answer any questions or concerns regarding our club!

Leo Club meets every other week on Thursdays 6-7:00 A.M. There will always be an announcement if we’re meeting, so don’t worry about having to keep track of the dates!

Enactus

At Enactus, we believe investing in students who take entrepreneurial action for others creates a better world for us all.

Our 72,000 students are entrepreneurial, values-driven social innovators across 1,730 campuses in 36 countries, positively impacting the lives of 1.3 million people each year. Guided by
educators and supported by business leaders, teams of students conduct needs assessments in their community, identify potential solutions to complex issues and implement community impact projects. This results in communities benefiting from collaboration and fresh innovation, plus students gain the valuable experience to advance their personal and professional lives.

As in business, we believe that competition encourages innovation. For Enactus, this means more lives impacted every day. An annual series of regional and national competitions showcases Enactus teams’ impact, evaluated by global business leaders. National champion teams advance to the prestigious Enactus World Cup for competition, collaboration and celebration.

Click here for contact email.

Circle K International

Circle K International is college and university students who are responsible citizens and leaders with a lifelong commitment to community service worldwide. Circle K inspires people to better our world. Its motto, the same as Kiwanis International’s, is “We Build.” Circle K provides constructive opportunities for students to become involved on their campuses and communities through service work to others in need. Circle K members have the chance to work with fellow students, children in the community, and other adults in need of special programs.

In support of this, we are committed to:

- Collaborating with all members of the Kiwanis family to achieve our common objectives;
- Continuing student management of organization on all levels;
- Developing positive role models
- Enhancing inter-cultural understanding and cooperation;
- Increasing our service potential;
- Providing opportunities for fellowship, personal growth, and professional development;
- Working toward greater public recognition of the organization.

Click here for our contact email

Other Wellness Clubs: Scholars for Justice Club, National Alliance on Mental Illness, Circle K International, American Red Cross, Earth Club
Phi Beta Lambda (Business club)

Meeting Time: Weekly, every Thursday 5.00 - 6.30 PM PST

Instagram: @dvcpbl and click here for our email

DVCPBL’s mission is to serve students by bringing business and education together in a positive working relationship through innovative leadership development programs. Its vision is to have developed all DVC students to become great business leaders that will create positive change in our world.

We provide a strong community of supportive people in PBL, provide practical experience for everyone and many activities to practice our learnt knowledge, and have very competitive transfer rates to top universities (Our alumni go to schools like UC Berkeley, USC and UCLA).

We are open to all majors and encourage all majors to participate. The skills and community we build will be relevant for anyone in the future.
