Announcing a new Dental Plan for Community College Students

Dear Student,

We are pleased to announce a new dental plan offered by Student Insurance in partnership with the Community College League of California. All community college students and their dependents are eligible to enroll in this premier Managed Care Dental Plan. This program offers guaranteed acceptance during the open enrollment period which is going on now through December 15th. Assured by Dental Health Services and DentalClubOne this plan utilizes a large, premier dental care provider network.

Over the years, many students have asked about dental care programs. Now, for the first time, students and their dependents can have a comprehensive dental plan at an affordable price. There is no waiting period and your dental benefits are unlimited. In addition to complete dental care, the program includes orthodontia (braces) for both children and adults. This plan offers benefits like those usually reserved for employees of large companies.
